Sioux Chief Part # 901-03020W01005 - Sioux Chief Vinyl Polyethylene Tube 1/4 Od X 17/100 Id White 100 Ft. - Plumbing Poly Tubing - ...

Low density polyethylene is manufactured to exact specifications from FDA listed material. This tubing is odorless, tasteless, flexible, lightweight, and very easy to handle and cut. It has excellent resistance to many solvents, acids, alkalis, and fuels. The natural milky-white color allows fluid levels and flow to be visually monitored.

- Polyethylene naturally resists cracking
- Makes excellent drinking water and pneumatic control lines
- Odorless and tasteless
- Lightweight
