BID FORM
Non Public Works

All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO XX

MAXIMUM ESCALATION PERCENTAGE REQUESTED 0 %

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF August 31, 2024

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.

IMPORTANT NOTICE ABOUT HOLD HARMLESS AND INDEMNIFICATION AGREEMENTS

While insurance policies may respond to certain contractual assumption of liability or responsibility (Hold Harmless/Indemnification Agreements/Clauses), such policies are not broad enough to transfer or fund all assumed exposures. In addition, insurance policies have monetary limits that apply to covered claims. Our receipt of hold harmless/indemnification agreements and issuance of certificates of insurance is not validation that all conditions of the hold harmless/indemnification agreement have been met. Most assumption of risk agreements/clauses are broader than the terms and conditions of insurance policies.

IMPORTANT NOTICE ABOUT AUTOMATIC STATUS ADDITIONAL INSURED/WAIVERS

The certificate of insurance may represent that Additional Insured &/or Waiver status is included when required by written contract. In order for Additional Insured &/or Waiver status to be triggered in this case, there must be a written and executed contract between the insured and the person(s) or organization(s) for which Additional Insured &/or Waiver status is required.
