Pursuant to OSHA regulations, 29 CFR 1910.132 (Subpart I), an employer bears sole responsibility for selecting the type(s) of personal protective equipment to be used by its employees. All purchasers of gloves and personal protective equipment from Cintas bear full responsibility for selecting the PPE appropriate for use by their employees. Cintas makes no representation, warranty, or covenant with respect to the protective or flame-resistant qualities of the items or with respect to the fitness or suitability of the items for any particular use or purpose. The purchase of any goods or services from Cintas is subject to Cintas's Standard Terms and Conditions and/or any other applicable written contract executed between the purchaser and Cintas relating to such purchase.

Depending on the nature and location of the worksite, federal, state, and local regulations may require that employers offer specific training to their employees. Employers or businesses have sole responsibility to examine their operations to determine the type of training that is required or appropriate. Cintas does not provide recommendations or guidance regarding which safety and training programs are required or appropriate. The services are provided for educational purposes only.
