CODE OF CONDUCT

A. POLICY STATEMENT.

The citizens of the City of Mandeville rightfully expect elected municipal officials, unclassified employees and appointed personnel to adhere to the highest standards of professional and ethical conduct in the performance of their duties and responsibilities. The City of Mandeville Personnel Policies and Police Standard Operating Procedures Manual specifies the conduct of the classified civil service employee so that this code does not apply to this class of city employees. This code applies to the following persons:

1. Elected municipal officials of the City of Mandeville.
Unclassified employees of the City of Mandeville.
3. Persons appointed or elected to the various boards and commissions of the City of Mandeville.
4. Contractors as described in Section D of this code. Contractors are not obligated to participate in the training requirements of this code but will be required to demonstrate that they are familiar with this code and the Louisiana State Code of Ethics.

While this document in and of itself is not punitive in nature, it complements the existing laws incorporated in the Louisiana State Code of Ethics and other existing policies that cover persons employed by the City of Mandeville. All elected municipal officials, unclassified employees and appointed personnel of the city in whatever capacity should know that infractions of this Code of Conduct may also be violations prohibited by state ethical rules and regulations which do carry punitive provisions.

Every person covered by this Code has a unique position of trust in the community and, therefore, assumes a special responsibility to act with the highest standards of honesty, fidelity and fairness. Said persons should conduct themselves in a manner that merits public trust and confidence.

B. PURPOSE OF THIS POLICY.

Section 7-02 of the City Charter for the City of Mandeville provides that "All officers and employees of the city government shall comply with the provisions of the Louisiana State Code of Ethics pertaining to local government." The purpose of the Code of Conduct is to complement the Code of Ethics with a code that requires conduct over and above the strict adherence to the letter of the general law and the Louisiana State Ethics Code. To establish a set of guidelines for the behavior of the persons covered by this code which will enhance the effectiveness of city government while maintaining the high standards of quality and professionalism necessary for the city to successfully project the best image possible.

C. CITY OF MANDEVILLE CODE OF CONDUCT FOR ELECTED, UNCLASSIFIED EMPLOYEES AND APPOINTED PERSONNEL.

All persons in each category as defined by the above title shall sign a copy of this Code of Conduct thereby acknowledging that they have received a copy and understand that it is therefore their responsibility to comply with this Code of Conduct and any revisions to it as follows:

1. Adhere to the principle that all activities undertaken by persons covered by this code shall be in the best interests of the citizens of the city and with the goal of perfection of city government. That no personal gain or benefit, except for compensation and benefits accompanying applicable personnel, should be accepted.
2. Accept the responsibility that any improper conduct can reflect negatively on the public image of the city and bring embarrassment and discontent to the citizens of the city. It is the intent of this Code of Conduct to make the persons covered by this code aware, through training, of the existing laws and city rules and regulations of employment that are designed to respond to any improper conduct in whatever context.
3. Participate in a comprehensive training program regarding the Louisiana State Code of Ethics and this Code of Conduct for all levels of personnel defined by this Code of Conduct except Contractors. This training shall include, but not be limited to, ongoing small and large group training sessions highlighting general rules of conduct and specific rules of conduct pertaining to elected municipal officials, unclassified employees or appointed personnel. This training shall amplify what personnel can or cannot do in complying with the Louisiana State Code of Ethics and this Code of Conduct. It shall also identify and help personnel recognize potential conflicts of interest and provide mechanisms for alerting the proper officials of such potential conflicts. Each person covered by this code, except Contractors, shall be required to participate in at least two hours of training per calendar year. These hours shall be certified to the Personnel Director and be a part of the person's record.
4. Always be in full compliance with all applicable federal, state and local laws and regulations.
5. Direct all requests for documents under the Public Records law to the City Attorney for response. All requests for documents under the Public Records law shall be in writing.
6. Respect the confidentiality of information concerning the City, City personnel or proceedings of the City.

D. CONTRACTORS.

Any individual or business entity that enters into a contract with the City of Mandeville shall be subject to this code and be referred to herein as a "Contractor". Every Contractor shall be mindful of the principles of law relating to the Code of Governmental Ethics of the State of Louisiana. The Contractor shall not make or authorize any payment or give anything of value directly or indirectly to an official of this government for the purpose of influencing an act or decision of official capacity or for assisting in obtaining or retaining business for or with, or for direction of business to any person. Likewise, the Contractor will not make or authorize any payment to anyone for the purpose of influencing any official

act or decision, or inducing such entity or person to use any influence with this government to assist anyone in obtaining or retaining business for or with, or directing business to, any person. Any breach or violation of this clause by the Contractor shall be considered a substantial and material breach of its contract with the City of Mandeville.

That all Contractors shall sign an affidavit in the form attached hereto as Attachment A as a condition of their contract with the City of Mandeville.
