General Liability Supplemental Coverage Endorsement

Policy No.	Eff. Date of Pol.	Exp. Date of Pol.	Eff. Date of End.	Producer No.	Add'l. Prem.	Return Prem.
GLA 0384904-00						

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

The following changes apply to this Coverage Part. However, endorsements attached to this Coverage Part will supersede any provisions to the contrary in this General Liability Supplemental Coverage Endorsement.

A. Broadened Named Insured

1. The following is added to Section II – Who Is An Insured:

Any organization of yours, other than a partnership or joint venture, which is not shown in the Declarations, and over which you maintain an ownership interest of more than 50% of such organization as of the effective date of this Coverage Part, will qualify as a Named Insured. However, such organization will not qualify as a Named Insured under this provision if it:

- a. Is newly acquired or formed during the policy period;
- b. Is also an insured under another policy, other than a policy written to apply specifically in excess of this Coverage Part; or
- c. Would be an insured under another policy but for its termination or the exhaustion of its limits of insurance.

Each such organization remains qualified as a Named Insured only while you maintain an ownership interest of more than 50% in the organization during the policy period.

2. The last paragraph of Section II – Who Is An Insured does not apply to this provision to the extent that such paragraph would conflict with this provision.

B. Newly Acquired or Formed Organizations as Named Insureds

1. Paragraph 3. of Section II – Who Is An Insured is replaced by the following:

3. Any organization you newly acquire or form during the policy period, other than a partnership or joint venture, and over which you maintain an ownership interest of more than 50% of such organization, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

An additional premium will apply in accordance with our rules and rates in effect on the date you acquired or formed the organization.

2. The last paragraph of Section II – Who Is An Insured does not apply to this provision to the extent that such paragraph would conflict with this provision.

C. Insured Status – Employees

Paragraph 2.a.(1) of Section II – Who Is An Insured is replaced by the following:

2. Each of the following is also an insured:

- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1)(a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

However:

Paragraphs (1)(a) and (1)(d) do not apply to your "employees" or "volunteer workers", who are not employed by you or volunteering for you as health care professionals, for "bodily injury" arising out of "Good Samaritan Acts" while the "employee" or "volunteer worker" is performing duties related to the conduct of your business.

"Good Samaritan Acts" mean any assistance of a medical nature rendered or provided in an emergency situation for which no remuneration is demanded or received.

Paragraphs (1)(a), (b) and (c) do not apply to any "employee" designated as a supervisor or higher in rank, with respect to "bodily injury" to co-"employees". As used in this provision, "employees" designated as a supervisor or higher in rank means only "employees" who are authorized by you to exercise direct or indirect supervision or control over "employees" or "volunteer workers" and the manner in which work is performed.

D. Additional Insureds – Lessees of Premises

1. Section II – Who Is An Insured is amended to include as an additional insured any person(s) or organization(s) who leases or rents a part of the premises you own or manage who you are required to add as an additional insured on this policy under a written contract or written agreement, but only with respect to liability arising out of your ownership, maintenance or repair of that part of the premises which is not reserved for the exclusive use or occupancy of such person or organization or any other tenant or lessee.

This provision does not apply after the person or organization ceases to lease or rent premises from you.

However, the insurance afforded to such additional insured:

- a. Only applies to the extent permitted by law; and
 - b. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.
2. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – Limits Of Insurance:

The most we will pay on behalf of the additional insured is the amount of insurance:

- a. Required by the written contract or written agreement referenced in Subparagraph D.1. above (of this endorsement); or
- b. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This Paragraph D. shall not increase the applicable Limits of Insurance shown in the Declarations.

E. Additional Insured – Vendors

1. The following change applies if this Coverage Part provides insurance to you for "bodily injury" and "property damage" included in the "products-completed operations hazard":

Section II – **Who Is An Insured** is amended to include as an additional insured any person or organization (referred to throughout this Paragraph E. as vendor) who you have agreed in a written contract or written agreement, prior to loss, to name as an additional insured, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business:

However, the insurance afforded to such vendor:

- a. Only applies to the extent permitted by law; and
 - b. Will not be broader than that which you are required by the written contract or written agreement to provide for such vendor.
2. With respect to the insurance afforded to these vendors, the following additional exclusions apply:
 - a. The insurance afforded the vendor does not apply to:
 - (1) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
 - (2) Any express warranty unauthorized by you;
 - (3) Any physical or chemical change in the product made intentionally by the vendor;
 - (4) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
 - (5) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;
 - (6) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;
 - (7) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
 - (8) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
 - (a) The exceptions contained in Subparagraphs (4) or (6); or
 - (b) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.
 - b. This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.
 - c. This insurance does not apply to any of "your products" for which coverage is excluded under this Coverage Part.

3. With respect to the insurance afforded to the vendor under this endorsement, the following is added to Section III – **Limits Of Insurance**:

The most we will pay on behalf of the vendor is the amount of insurance:

- a. Required by the written contract or written agreement referenced in Subparagraph E.1. above (of this endorsement); or
- b. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This Paragraph E. shall not increase the applicable Limits of Insurance shown in the Declarations.

F. Additional Insured – Managers, Lessors or Governmental Entity

1. Section II – **Who Is An Insured** is amended to include as an insured any person or organization who is a manager, lessor or governmental entity who you are required to add as an additional insured on this policy under a written contract, written agreement or permit, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- a. Your acts or omissions; or
- b. The acts or omission of those acting on your behalf; and resulting directly from:
 - a. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit;
 - b. Ownership, maintenance, occupancy or use of premises by you; or
 - c. Maintenance, operation or use by you of equipment leased to you by such person or organization.

However, the insurance afforded to such additional insured:

- a. Only applies to the extent permitted by law; and
- b. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

2. This provision does not apply:

- a. Unless the written contract or written agreement has been executed, or the permit has been issued, prior to the "bodily injury", "property damage" or offense that caused "personal and advertising injury";
- b. To any person or organization included as an insured under Paragraph 3. of Section II – Who Is An Insured;
- c. To any lessor of equipment if the "occurrence" or offense takes place after the equipment lease expires;
- d. To any:
 - (1) Owners or other interests from whom land has been leased by you; or
 - (2) Managers or lessors of premises, if:
 - (a) The "occurrence" or offense takes place after the expiration of the lease or you cease to be a tenant in that premises;
 - (b) The "bodily injury", "property damage" or "personal and advertising injury" arises out of the structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor; or
 - (c) The premises are excluded under this Coverage Part.

3. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – **Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

- a. Required by the written contract or written agreement referenced in Subparagraph F.1. above (of this endorsement); or

b. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This Paragraph F. shall not increase the applicable Limits of Insurance shown in the Declarations.

G. Damage to Premises Rented or Occupied by You

1. The last paragraph under Paragraph 2. **Exclusions** of Section I – **Coverage A – Bodily Injury And Property Damage Liability** is replaced by the following:

Exclusions c. through n. do not apply to damage by "specific perils" to premises while rented to you or temporarily occupied by you with permission of the owner. A separate Damage To Premises Rented To You Limit of Insurance applies to this coverage as described in Section III – Limits Of Insurance.

2. Paragraph 6. of Section III – **Limits Of Insurance** is replaced by the following:

6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to any one premises while rented to you, or in the case of damage by one or more "specific perils" to any one premises, while rented to you or temporarily occupied by you with permission of the owner.

H. Broadened Contractual Liability

The "insured contract" definition under the **Definitions** Section is replaced by the following:

"Insured contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by "specific perils" to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b. A sidetrack agreement;
- c. Any easement or license agreement;
- d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e. An elevator maintenance agreement;
- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury", "property damage", or "personal and advertising injury" arising out of the offenses of false arrest, detention or imprisonment, to a third person or organization. - (a) You;
- (b) Your "executive officers", partners, directors, stockholders, members, managers (if you are a limited liability company) or "employees"; and
- (c) Any other insured in any order that we choose.

U. Duties in the Event of Occurrence, Offense, Claim or Suit Condition

The following paragraphs are added to Paragraph 2. **Duties In The Event Of Occurrence, Offense, Claim Or Suit** of Section IV – **Commercial General Liability Conditions**:

Notice of an "occurrence" or of an offense which may result in a claim under this insurance or notice of a claim or "suit" shall be given to us as soon as practicable after knowledge of the "occurrence", offense, claim or "suit" has been reported to any insured listed under Paragraph 1. of Section II – Who Is An Insured or an "employee" authorized by you to give or receive such notice. Knowledge by other "employees" of an "occurrence", offense, claim or "suit" does not imply that you also have such knowledge.

In the event that an insured reports an "occurrence" to the workers compensation carrier of the Named Insured and this "occurrence" later develops into a General Liability claim, covered by this Coverage Part, the insured's failure to report such "occurrence" to us at the time of the "occurrence" shall not be deemed to be a violation of this Condition. You must, however, give us notice as soon as practicable after being made aware that the particular claim is a General Liability rather than a Workers Compensation claim.

V. Other Insurance Condition

Paragraphs 4.a. and 4.b.(1) of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions** are replaced by the following:

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below. However, this insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- (1) The additional insured is a Named Insured under such other insurance; and
- (2) You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

Other insurance includes any type of self insurance or other mechanism by which an insured arranges for funding of its legal liabilities.

b. Excess Insurance

- (1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

- (i) That is property insurance, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is property insurance purchased by you (including any deductible or self insurance portion thereof) to cover premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you (including any deductible or self insurance portion thereof) to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

- (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability; or
- (v) That is property insurance (including any deductible or self insurance portion thereof) purchased by you to cover damage to:
 - Equipment you borrow from others; or
 - Property loaned to you or personal property in the care, custody or control of the insured arising out of the use of an elevator at premises you own, rent or occupy.
- (b) Any other primary insurance (including any deductible or self insurance portion thereof) available to the insured covering liability for damages arising out of the premises, operations, products, work or services for which the insured has been granted additional insured status either by policy provision or attachment of any endorsement. Other primary insurance includes any type of self insurance or other mechanism by which an insured arranges for funding of its legal liabilities.
- (c) Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

W. Unintentional Failure to Disclose All Hazards

Paragraph 6. **Representations** of Section IV – **Commercial General Liability Conditions** is replaced by the following:

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

Coverage will continue to apply if you unintentionally:

- a. Fail to disclose all hazards existing at the inception of this policy; or
- b. Make an error, omission or improper description of premises or other statement of information stated in this policy.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to inception of this Coverage Part.

X. Waiver of Right of Subrogation

Paragraph 8. **Transfer Of Rights Of Recovery Against Others To Us** of Section IV – **Commercial General Liability Conditions** is replaced by the following:

8. Transfer Of Rights Of Recovery Against Others To Us

- a. If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.
- b. If the insured waives its right to recover payments for injury or damage from another person or organization in a written contract executed prior to a loss, we waive any right of recovery we may have against such person or organization because of any payment we have made under this Coverage Part. The written contract will be considered executed when the insured's performance begins, or when it is signed, whichever happens first. This waiver of rights shall not be construed to be a waiver with respect to any other operations in which the insured has no contractual interest.

Y. Liberalization Condition

The following condition is added to Section **IV – Commercial General Liability Conditions**:

Liberalization Clause

If we revise this Coverage Part to broaden coverage without an additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in the state shown in the mailing address of your policy.

All other terms and conditions of this policy remain unchanged.

Under penalties of perjury, I certify that:

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STANDARD INSURANCE REQUIREMENTS – PUBLICLY ADVERTISED BIDS

All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the advertised bid. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. Prior to contract execution and at all times thereafter during the term of such contract, contractors must provide and continuously maintain all coverages as required by the foregoing Resolutions, and the contract documents. Failure to do so shall be grounds for suspension, discontinuation or termination of the contract.

For bidding purposes, bidders **must** submit **with** bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. Thereafter, and prior to contract execution, the low bidder will be required to provide final insurance certificates to the Parish which shall name **the Jefferson Parish, its Districts Departments and Agencies under the direction of the Parish President and the Parish Council** as additional insureds regarding negligence by the contractor for the Commercial General Liability, Workmen's Compensation Insurance and the Comprehensive Automobile Liability policies. Additionally, said certificates should reflect the name of the Parish Department receiving goods and services and reference the respective Jefferson Parish bid number.

Note: If your company is not required by law to carry workmen's compensation insurance, i.e. not a Louisiana company, sole employee of the company, then bidders must request a workmen's compensation insurance declaration affidavit prior to the bid opening date. This insurance declaration affidavit must be fully completed, signed, properly notarized and submitted with the bid. A scanned copy may be submitted with the bid; however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.

4.1.1 CANAL SLOPE MOWING (CLASSIFICATION #1)

Canal slope areas are sloped areas directly adjacent to drainage canals. These areas are identified by the fact that they fall under the jurisdiction of the Jefferson Parish Drainage Department.

****SPECIALIZED DECKS ARE REQUIRED FOR CUTTING THESE AREAS****

Specifications for the specialized decks are included in Attachment "G" and "H". Decks meeting or exceeding these specs are acceptable. Proposers should include technical data if submitting equivalent brand names.

The frequency shall be: a minimum of one cut every six weeks or forty-two (42) calendar days for each eight month period; unless, otherwise determined by the Drainage Department and these locations can be found on Attachments "A - F". The preceding mentioned frequency of cutting represents 6 cuts per 8 month period. The grass shall be cut to a minimum height of four inch (4"), and a maximum of six inch (6") of exposure. Specialized cutting decks will be needed for the cutting of canal slopes.

Specifications for these specialized cutting decks have been provided as **Attachments "G"- "H"**. Cutting of the canal slopes and right of ways directly adjacent to the canal slopes shall be scheduled simultaneously so that the grass is maintained at the same level without an obvious transition between the two. Canal slopes will be maintained right up to the start of the slope. No flat area buffer zone shall be left next to any canal slope. At no time shall a tractor pulling batwing, triple cutter or bush hog be allowed to drive on canal slope.

4.2 SERVICES

The following services will be inclusive to the contract. Cutting shall be performed to such a manner as to leave the areas with a smooth, level, cut on the grass; conforming to the existing grade. No gouging, scalping or similar actions shall be permitted. The contractor is responsible for scheduling the grass cutting in such manner that all areas are evenly cut. The push mower can be used for sites with small amounts of grass to be cut or sites with awkward slopes and angles. Hand mowing is a part of the slope cutting bid item.

4.2.2 WEED EATING

Grass areas around any and all existing fixed features including but not limited to signs, monuments, benches, statues, landscaped beds, may be cut using a mechanical trimmer. In addition, weed eating shall be required in any slope area that cannot be reached by the slope mowing equipment. Examples of these areas include but may not be limited to, outfall pipes, pilings, erosion control, structures and the canal water's edge. These areas shall be cut to a one inch (1") height and a twelve inches (12") distance around all objects. Weed eating will not be allowed around any trees or plant material where damage may occur to the bark of the trunk of the plant or tree. Spraying shall only be allowed around trees for the purpose of weed control. The use of a mechanical trimmer is incidental to the cutting bid item. Cost for weed eating is to be included in the cutting bid item. Weed eating on slopes shall be completed on the same day that the slope is completed. For work to be considered as complete no lag time is acceptable.

4.2.3 CLEANING OF PAVED AREAS

The paved areas adjacent to turf areas being cut will be free of grass, leaves, cigarette butts, and any other type of debris. Cleaning shall be performed immediately after each cutting and edging operation. The contractor shall determine the equipment or method to be used. Debris shall not be blown from the paved to the turf areas. Code 1961 17-3 Ordinance No. 2120 2-14-01 Sec. 27-71 (A) states: "It shall be unlawful to dump or place material of any type into parish catch basins, in a canal/ditch, on the banks of a drainage canal/ditch or in drainage servitude without a permit." If upon inspection the paved area/areas have not been cleaned to Jefferson Parish's satisfaction, Jefferson Parish will contact the contractor who has two (2) hours to clean this/these area(s) of pavement. If at the end of the allotted time period the contractor has not cleaned area/areas to Jefferson Parish's satisfaction, then the Parkways Department will send a sweeper to the location and charge the contractor an hourly rate of \$125.00 for cleaning area/areas. This hourly rate will include travel time to the location, clean up time and travel time, back to the sweeper's initial location. The charge will be withheld from the invoice payment for that cycle which incident occurred. All debris, i.e., litter, cigarette butts, clippings, etc., shall be removed from paved and turf area. Locations of areas of maintenance: All Parish facilities and public right of ways now maintained by Jefferson Parish in whole or in part may be a part of the bid. Jefferson Parish will determine the extent of the area to be maintained by the contractor. Locations may change from week to week. The contractor, with the assistance of Jefferson Parish, will schedule the cutting areas based on the geographic location and size of the area to be maintained, to insure that the travel time from site to site is kept to a minimum. The main focus will be on the canal slopes and tops, rough cut flat areas. The contractor should visit as many of these sites as required to get a full comprehension of the scope of work to be performed under this bid.

5. REMEDYING DEFICIENCIES

Proposer must remedy any deficiencies identified by parish personnel within 24 hours of notification. Failing to remedy the deficiency will result in parish personnel being dispatched and all charges incurred during repair work for hourly rate of labor and equipment will be deducted from the proposer's next invoice.

A. Deep Deck Design

The purpose of the specialty deep deck as required is to minimize or eliminate scalping. The deep deck design allows for a trailer mowing height by extending a standard deck sidewall. However, this is not the only modification that would be required to achieve a taller cut of grass. To provide the proper lift of grass, special updraft blades are used in conjunction with a larger area between the blade tops and underside of the deck. This larger area is achieved by another extension of the deck sidewall, creating a very heavy deck. These heavy modified decks would carry too much weight to be used on 28 foot slope mowers. Therefore, the width of the cutting decks would be trimmed from a standard 60" width to a 50" width. This 50" width deck will be used on all 28 foot slope mowers. The 23 foot slope mowers will still use a 60" deep deck draft.

STANDARD INSURANCE REQUIREMENTS – PUBLICLY ADVERTISED BIDS

All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the advertised bid. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. Prior to contract execution and at all times thereafter during the term of such contract, contractors must provide and continuously maintain all coverages as required by the foregoing Resolutions, and the contract documents. Failure to do so shall be grounds for suspension, discontinuation or termination of the contract.

For bidding purposes, bidders **must** submit **with** bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. Thereafter, and prior to contract execution, the low bidder will be required to provide final insurance certificates to the Parish which shall name **the Jefferson Parish, its Districts Departments and Agencies under the direction of the Parish President and the Parish Council** as additional insureds regarding negligence by the contractor for the Commercial General Liability, Workmen's Compensation Insurance and the Comprehensive Automobile Liability policies. Additionally, said certificates should reflect the name of the Parish Department receiving goods and services and reference the respective Jefferson Parish bid number.

Note: If your company is not required by law to carry workmen's compensation insurance, i.e. not a Louisiana company, sole employee of the company, then bidders must request a workmen's compensation insurance declaration affidavit prior to the bid opening date. This insurance declaration affidavit must be fully completed, signed, properly notarized and submitted with the bid. A scanned copy may be submitted with the bid; however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.

A. Deep Deck Design

The purpose of the specialty deep deck as required is to minimize or eliminate scalping. The deep deck design allows for a trailer mowing height by extending a standard deck sidewall. However, this is not the only modification that would be required to achieve a taller cut of grass. To provide the proper lift of grass, special updraft blades are used in conjunction with a larger area between the blade tops and underside of the deck. This larger area is achieved by another extension of the deck sidewall, creating a very heavy deck. These heavy modified decks would carry too much weight to be used on 28 foot slope mowers. Therefore, the width of the cutting decks would be trimmed from a standard 60" width to a 50" width. This 50" width deck will be used on all 28 foot slope mowers. The 23 foot slope mowers will still use a 60" deep deck draft.
