BAUM ENVIRONMENTAL GROUP, INC.
PROPOSAL MEMORANDUM
STORMWATER COMPLIANCE AND INSPECTION SERVICES

TO:	Estimators Central Bidding
FROM:	Herb Rogers herb@baumenviro.com
DATE:	December 14, 2022
RE:	MS Gulf Coast Community College-Pedestrian Safety & Fence Impr.

We appreciate the opportunity to present our stormwater services. Our plans and inspection services meet all federal, state and local requirements. Listed below are the itemized quote for stormwater plans and inspections. Prices are good for 30 days.

1.0 COMMERCIAL SWPPP - \$1,795

This SWPPP will serve for a Commercial Project

Includes production of stormwater plan including a large construction LPDES permit application per the requirements of the local, state, and federal requirements for stormwater compliance. Any items not listed is not included in this proposal.

Plans were not available for review. Pricing is based on the information at hand. All applicable fees by others.

2.0 INSPECTIONS – REMOTE INSPECTIONS - \$45/WEEK

Remote inspections can be performed by Superintendent and emailed to office for us to perform the written report portion. These are emailed back for compliance reporting.

3.0 INSURANCE

Please call or email to request copies of our \$1M Workman's Compensation and \$2M Professional and General Liability Insurance. Please Note – If additional limits, coverage, or excess umbrellas are required, additional fees will incur (i.e. Primary/Non-Contributor Coverage). Additionally, we have all required Louisiana Contractor License (LA No. 56206), experience and training for all required services.

5.0 COST BREAKDOWN CHART

Check Box for Requested Services	SERVICES	COSTS	MANDATORY
