G. Size of Firm and capacity for timely completion of newly assigned work considering the number of professional and support personnel required to perform the type of outside legal services tasks and the Firm's current unfinished workload.

I am a solo practitioner, but I am contracted at a level I can easily manage. I do not have any significant unfinished workload. For the past 7 years I have been the attorney for the Jefferson Parish Fire Civil Service Board. Each Board member, the Fire Chief, his staff, and all of the attorneys who regularly appear before the Board, have my direct dial number. All will attest that I am always available for a phone call, a special meeting and all regular meetings. I have worked on the Board's committee to revise the Board Rules, and had many meetings over several months. All work was completed in a timely fashion.

Civil Service work is often time sensitive, and I have never missed a deadline. I have timely responded to Public Records Requests for the Board, and I have timely filed all pleadings necessary in the 24th JDC.

Because I am a contract attorney, I have the flexibility to handle a significant capacity in a timely fashion.
