Interpretations, clarifications, corrections or modifications made by any other manner shall not be binding and shall not be relied upon by Bidders. Addenda shall be transmitted in accordance with Louisiana Bid Law.

Addenda may also be issued to modify the Bidding Documents as deemed advisable by OWNER. **Prior to submittal of bids, each Bidder shall ascertain that he has received all addenda issued. Failure by a Bidder to acknowledge each individual addendum shall render that Bidder's Bid non-responsive.**

LIQUIDATED DAMAGES: By submission of bid, Bidder unequivocally accepts the liquidated damages provisions set out herein and specified in the event of failure, neglect or refusal to complete the work or, or any designated part of the work, within the corresponding contract times.

By submission of the bid, the Bidder agrees that for each calendar day beyond the specified delivery date set forth that the material, work, and/or equipment has not been delivered, the Owner may retain from the total amount of the contract price, as liquidated damages the following sums: Two Hundred Dollars (\$200.00) per calendar day.

SUBSTITUTE MATERIAL AND EQUIPMENT OR "OR EQUAL" ITEMS: Any product or service bid shall conform to all applicable federal and state laws and regulations and the specifications contained in the solicitation.

Whenever materials or equipment are specified or described in the Bidding Documents by using the name of a certain brand, make, supplier, manufacturer, or definite specification; the naming or specification of the item is only intended to denote the quality standard of the item desired and to convey and establish the general style, type, character and quality of material, equipment or product desired and does not restrict bidders to the specific brand, make, manufacturer, or specification named; and that equivalent products may be acceptable.

Bidder must specify the brand and model number of the product offered in his / her bid. Bids not specifying brand and model numbers shall be considered as offering the exact products specified in the solicitation.

Bid pricing and product model/stock/part numbers shall be inserted in the proper fields provided on the CAH site. All accompanying documents must be uploaded to the site by the bid opening time and date herein.

(b) The signature on the bid is that of an authorized representative as documented by the legal entity certifying the authority of the person.

(c) The legal entity has filed in the appropriate records of the secretary of state of this state an affidavit, resolution, or other acknowledged or authentic document indicating the names of all parties authorized to submit bids for public contracts. Such document on file with the secretary of state shall remain in effect and shall be binding upon the principal until specifically rescinded and canceled from the records of the office.

Failure to include the appropriate signature authorization shall result in rejection of the bid as non-responsive.

MODIFICATION AND WITHDRAWAL OF BIDS: Modifications to bids, through bidder's CAH account, can be made until the date and time of the bid opening. The Bidder must contact CAH for instructions for the withdrawal of a bid in its entirety prior to the time of the scheduled bid opening. Withdrawal of a Bid will not prejudice the rights of a Bidder to submit a new Bid prior to the Bid Date and Time. After expiration of the period for receiving Bids, no Bid may be withdrawn, modified, or explained except as provided for herein.

In accordance with Louisiana law, more particularly, R.S. 38:2214, as may be amended, bids containing patently obvious, unintentional, and substantial mechanical and clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, may be withdrawn by the bidder if clear and convincing sworn, written evidence of such errors is furnished to the OWNER within 48 hours of the bid opening excluding Saturdays, Sundays and legal holidays.

Such errors must be clearly shown by objective evidence drawn from inspection work papers, documents or materials used in the preparation of the bid sought to be withdrawn. If the OWNER determines that the error is a patently obvious mechanical, clerical or mathematical error, or unintentional omission of a substantial quantity of work, labor, material or services as opposed to a judgment error, and that the bid was submitted in good faith, it shall accept the withdrawal and return the bid security (when applicable) to the bidder. A bidder who attempts to withdraw a bid under these provisions of this section shall not be allowed to re-submit a bid on the contract. Any modifications or amendments to the above stated applicable State law shall supersede this procedure.

A bidder may alter or correct an entry on the bid form Section "A" by crossing out the entry, and initialing on the line of change. Any ambiguity arising from entries altered or corrected on the Bid Form will cause the rejection of said Bid as non-responsive.

OPENING OF BIDS: All Bids received prior to the announced closing time for the receipt of Bids stipulated in the Invitation to Bidder will be opened publicly. Bids will be read aloud and a tabulation of the amounts of the Base Bids and alternates (if any) will be made available to Bidders after the opening of Bids.

Any uncertainty as to whether a Bid was submitted in time will be resolved against the Bidder.

BIDS TO REMAIN OPEN: The OWNER shall act not later than forty-five (45) calendar days after the date of opening Bids to award such contract to the lowest responsible and responsive bidder or to reject all bids.

The OWNER and the lowest responsible and responsive bidder, by mutually written consent, may agree to extend the deadline for award by one (1) or more extensions of thirty (30) calendar days.

AWARD OF CONTRACT: To the extent permitted by applicable local, state and federal laws and regulations, OWNER reserves the right to reject any and all Bids for just cause. The Terrebonne Parish Consolidated Government reserves the right to reject any and all bids in accordance with Louisiana State Bid Law.

In order to be responsive, the apparent low bidder must submit the additional information and documentation required by the OWNER within the time delays established by law.

CONTRACT TERM: N/A

PRICES: Unless otherwise specified by TPCG in the solicitation, bid prices must be complete including transportation prepaid by bidder to destination and firm for acceptance for a minimum of 45 days. If accepted, prices must be firm for the contractual period. Bids other than F.O.B. Destination may be rejected. Any freight/shipping charges should be included in unit pricing.

DELIVERY: TPCG desires delivery at the earliest possible date. It is imperative that the material is delivered within the time frame(s) stipulated on Section "B" of the Official Bid Form.

TECHNICAL INFORMATION: Literature and/or specifications providing complete technical information as required to certify that the product offered in the bid is fully compliant with specifications herein **must be submitted upon request**; if requested, literature and/or specifications shall be submitted within seven (7) days. Such documentation shall include diagrams, books,

brochures, photographs, or other means to verify compliance. Any change made to a manufacturer's published specifications submitted for a product shall be verifiable by the manufacturer.

Failure to submit this information in the specified time shall result in the bid being declared non-responsive and just cause for rejection.

NEW PRODUCTS: Unless specifically called for in the solicitation, all products for purchase shall be new, never previously used, and the current model and/or packaging. No remanufactured, demonstrator, used or irregular products will be considered for purchase unless otherwise specified in the solicitation. The manufacturer's standard warranty will apply unless otherwise specified in the solicitation.

SAFETY DATA SHEETS: All applicable chemicals, herbicides, pesticides, and hazardous materials must be registered for sale in Louisiana by the Department of Agriculture, State of Louisiana, registered with EPA and must meet all requirements of Louisiana State Laws. Bidders must submit product label, material safety data sheet and EPA registry number with the delivery of each applicable product. This information will be required on any subsequent deliveries if there is a change in chemical content or a different product is being supplied. Failure to submit this data may cause the contract to be cancelled.

NO GUARANTEE OF QUANTITIES: The quantities referenced are estimated. In the event a greater or lesser quantity is needed, the TPCG reserves the right to increase or decrease the amount, at the unit price stated in the bid. The TPCG does not obligate itself to contract for or accept more than their actual requirements during the period of this agreement, as determined by actual needs and availability of appropriated funds.

VENDOR REGISTRATION: The Terrebonne Parish Consolidated Government Purchasing Division requires vendors to register online at <https://secure.tpcg.org/vendor/>. CERTIFICATE OF INSURANCE: The successful bidder is required to submit an insurance certificate returned within ten (10) days from the date of the Notice of Award of the bid. All certificates must be approved by the TPCG Risk Manager to ensure that all insurance requirements have been met before a purchase order is issued. Failure of the successful bidder to comply with this requirement may result in the bid being declared non-responsive and cause for rejection.

APPLICABLE LAW: All contracts shall be construed in accordance with and governed by the laws of the State of Louisiana.

SPECIAL ACCOMMODATION: Any "qualified individual with a disability" as defined by the Americans with Disabilities Act who has submitted a bid and desires to attend the bid opening, must notify this office in writing no later than seven (7) days prior to the bid opening date of the need for special accommodations. If the request cannot be reasonably provided, the individual will be informed prior to the bid opening.

COMPLIANCE WITH CIVIL RIGHTS: The Contractor agrees to abide by the requirements of the following as applicable: Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, and Contractor agrees to abide by the requirements of the Americans with Disabilities Act of 1990. Contractor agrees not to discriminate in its employment practices and will render services under the contract without regard to race, color, religion, sex, national origin, veteran status, political affiliation, or disabilities. Any act

of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the contract.

AFFIRMATIVE ACTION: Contractor agrees, if subcontractors are to be let, to take affirmative steps to include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
5. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

TERMINATION OF CONTRACT FOR CAUSE: The TPCG may terminate the contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to the contract, including, but not limited to Contractor's failure to meet response times as directed by the TPCG or by this contract, provided that TPCG give the Contractor written notice specifying Contractor's failure. If within fifteen (15) days after receipt of such notice, Contractor has not corrected such failure, or, in the case of failure which cannot be corrected within fifteen (15) days, Contractor has not begun in good faith to correct such failure and proceed diligently to complete such correction, then the TPCG may, at its option, place the Contractor in default, and this Contract shall terminate on the date specified in such notice.

The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the TPCG to comply with the terms and conditions of the contract, provided that the Contractor shall give the TPCG written notice specifying the TPCG's failure and a reasonable opportunity for the TPCG to cure the defect.

TERMINATION OF THE CONTRACT FOR CONVENIENCE: The TPCG may terminate the contract, without cause, at any time, by giving thirty (30) days written notice to the Contractor of such termination or negotiating with the Contractor an effective date.

TERMINATION FOR NON-APPROPRIATION OF FUNDS: Notwithstanding any provision herein, in the event sufficient funds for the performance of this Agreement are not appropriated by TPCG in any fiscal year covered by this contract, this agreement may be terminated by the TPCG giving notice to the Contractor of such facts and the TPCG's intention to terminate its financial obligation.

WARRANTIES: Contractor warrants that all services shall be performed in good faith, with diligence and care, by experienced and qualified personnel in a professional, workmanlike manner, and according to its current description (including any completion criteria) contained in the scope of work.
