## **PROPOSAL**

### **SOUTH LAFOURCHE LEONARD MILLER, JR. AIRPORT**

#### **INSTALL INSTRUMENT LANDING SYSTEM DISTANCE MEASURING EQUIPMENT "DME"**

Aviation Systems Maintenance, Incorporated proposes to provide and install a Thales 415SE DME at the South LaFourche Leonard Miller, Jr. Airport. The installation will be completed in accordance with the Scope of Work in the Specification and Contract Documents. The installation will include spares as specified, and test equipment per the attached listing.

Training is quoted for tuition at the Shawnee Kansas factory for Thales, Incorporated, and covers tuition for one student for the one week course, and does not include air fare, local transportation, per diem or any compensation for the student.

All installation work will be performed by ASMI FAA verified technicians.

Note: The Portable ILS Receiver (PIR) is not included in this quote. This test equipment is provided as part of the Localizer Contract, project number 929-02-0005.

Pricing for this proposal is as stated on the bid form page B-3.

**Spare Parts to be provided as part of Contract:**

LCSU; CSB 188  
DPX - Duplexer Unit  
RX - Receiver Unit  
MON - Monitor Unit  
TX - 100W Transmitter Unit  
DMD - Digital Modulator Unit  
DPR - Digital Processor Unit  
PWS - DC/DC Power Supply Unit  
AC/DC Converter

ASMI provides FAA certified maintenance in several FAA regions. We currently maintain NDBs, DMEs, LOCs, CEGS, Null Ref GS, 1 ALSAF, Markers, VORs, AWOS, ATCT radio/weather systems, scattered through the Central, Eastern, Northwest Mountain, Great Lakes, Southern, Southwest, and Western-Pacific Regions. We have also maintained an RCO in the Northwest Mountain Region, a Wilcox MLS with azimuth and elevation stations in the Northwest Mountain Region and a full ILS in the Alaska Region. One of the ILS we maintain is a CAT II system. Airports where we maintain NAVAIDS range from small GA airports to airports with regularly scheduled major airline passenger service. ASMI has been selected as the statewide NAVAIDS maintenance entity in two states, and has all but one of the NAVAIDS in one other state.

In addition to certified (verified) maintenance of non-federal NAVAIDS, ASMI also provides turn-key installation for various facilities. Some of our recent projects have included:

December 2007 Provide and install AWOS III P/T at Chris Crusta  
Memorial Airport in Abbeville, LA

November 2006 Provide and install AWOS III P/T at Archuleta  
County Airport in Pagosa Springs, CO

Other 2006 and 2007 projects included relocation and replacement  
of localizer, VOR, and glideslope systems in Colorado, Indiana, &  
Louisiana

February 2005 Provide, install and align an AWOS III P at South Lafourche  
Airport, Galliano, LA

May 2005 Provide, install and align an AWOS III P/T at Front Range, CO

May 2005 Provide, install and align an AWOS III P/T at Fort Morgan, CO

November 2004 Install electronics, tune-up, align and prepare for  
flight inspection full MK20A ILS, Tunica, MS

November 2004 Provide, install and align AWOS III at Medicine Lodge, KS

October 2004 Provide, install and align AWOS III P/T at the new airport at  
Hulett, WY.

September 2004 Provide, install and align 4 (four) AWOS III P/T's for the State of  
Colorado at the following mountain pass sites: Sunlight Basin,  
Cottonwood Pass, Wilkerson Pass and Mount Werner.

September 2004 Provide, install and align an AWOS III P/T for the State of  
Missouri at Sikeston, MO.

September 2004 Align, conduct flight inspection, and restore full ILS Sacramento  
Mather, CA

June 2004	Provide, install and align 3 (three) AWOS III P/T's for the State of Missouri at the following Missouri Airports: Maryville, Hannibal and Nevada.
May 2004	Install and align a temporary AWOS III P/T at Fort Bragg and Fort Rucker; sub to Vaisala, Inc.
May 2004	Provide, install and align an AWOS IIIP/T for Jefferson County Airport, Broomfield, CO.
August 2003	Provide, install and align an AWOS III for Heber City, UT
May 2003	Provide, install and align an AWOS III for Pine Bluff Airport, Pine Bluff, WY.
May 2003	Provide, install and align a Mark 20A upgrade to the existing LOC and GS at Ohio University Airport, Albany, OH
April 2003	Provide, install and align an AWOS IIIP for Richmond Airport, Richmond, IN
December 2002	Provide, install and align an AWOS IIIP for Shively Field, Saratoga, WY
December 2002	Provide, install and align an AWOS IIIP for Richmond Airport, Richmond, IN
December 2002	Provide, install and align a Mark 20 upgrade to the existing LOC and GS at Chennault Industrial Airpark, Lake Charles, LA
December 2002	Provide, install and align an AWOS IIIP/T for Dubois Airport, Dubois, WY
August 2002	Provide, install and align an AWOS III for Powell Municipal Airport, Powell, WY
August 2002	Provide, install and align an AWOS III for Cowley Airport, Cowley, WY
August 2002	Provide, install and align an AWOS IIIP/T for Boulder Municipal Airport, Boulder, CO
May 2002	Provide, install and align an AWOS III for Walden-Jackson County Airport, Walden, CO.
May 2002	Provide, install and align an AWOS IIIP for Fremont County Airport, Penrose, CO.
November 2001	Provide, install and align a MK 20 LOC, 1118 DME and AWOS III P/T for Panola County Airport, Batesville, MS.
September 2001	Provide, install and align an AWOS III P/T for Municipal Airport, Sterling, CO.
September 2001	Provide, install and align an AWOS III P/T for Holyoke Airport, Holyoke, CO.
August 2001	Upgrade to Cat II procedures by replacing existing equipment with a MK 20 LOC and GS, OM, IM, MM and 2 NDB's; provide, install and perform alignment procedures for Rickenbacker International Airport, Columbus, OH.
July 2001	Install and align an AWOS III at Hammond Airport, Hammond, LA; sub to Vaisala, Inc.
May 2001	Provide, install and align an AWOS III P/T for the State of Colorado, DOT at Monument, CO.

February 2001 Provide, install and align an AWOS III P/T for the State of Colorado, DOT at Wolf Creek Pass.

November 2000 Provide, install and align three AWOS III P/T for the State of Colorado, DOT at the following locations: Nywat Ridge, Copper Mountain, and Monarch Pass.

November 2000 Provide, install and align an AWOS III P/T for Mondell Field, Newcastle, WY.

September 2000 Install and align an AWOS A at Dixon Airport, Dixon, WY.

September 2000 Provide, install and align a replacement NDB at Sterling Municipal Airport, Sterling, CO.

July 2000 Erect a temporary tower, antennas, GS equipment, and participate in and collect flight check data for a glide slope site test for Panola County Airport, Batesville, MS.

June 2000 Repair radios, reinstall and realign the OJ 314 and transmitters at Mather Airport, Mather, CA.

June 2000 Install and align replacement NDB at Powell Municipal Airport, Powell, WY.

May 2000 Install and align an AWOS III at Chennault Industrial Airpark, Lake Charles, LA; sub to Vaisala, Inc.

December 1999 Install and align an AWOS IIIP for Afton Lincoln County Airport, Afton, WY.

October 1999 Install and align MK20 Localizer transmitter at Eagle County Airport, Eagle, CO.

March 1999 Install and align replacement NDB at VanWert Regional Airport, Van Wert, OH.

December 1998 Reinstall and align a Cardion FRN 44 VOR for Tullahoma Airport, Tullahoma, TN.

December 1998 Provide and install a remote status monitor for the DME at Eagle County Airport, Eagle, CO.

December 1998 Provide and install a UPS for the VOR at Eagle County Airport, Eagle, CO.

October 1998 Provide equipment, consulting services, and final tune up and alignment of AWOS II at Fort Bridger Airport, Evanston, WY.

September 1998 Install and align AWOS III P/T at Pinedale Airport, Pinedale, WY.

August 1998 Install and align AWOS III at Ada Municipal Airport, Ada, Oklahoma

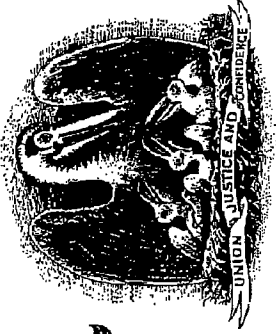

July 1998 Install, cut in, and align a Mark 10 ILS system at San Bernardino International Airport, San Bernardino, CA

May 1998 Relocate DME to LOC facility at Garfield County Airport, Rifle, CO.

May 1998 Install, cut in and align glide slope for Garfield County Airport, Rifle, CO.

- February 1998 Erect a temporary tower, antennas, GS equipment,  
and participate in and collect flight check data for a glide  
slope site test at Garfield County Regional Airport, Rifle, CO.
- December 1997 Install and align AWOS III at Stan Stamper Airport,  
Hugo, OK.
- December 1997 Provide, install and align AWOS III at KI Sawyer  
Airport, Gwinn, MI.
- November 1997 Provide, install, and align AWOS III at Cleveland  
Municipal Airport, Cleveland, MS.
- November 1997 Provide, install, and align AWOS III at Fletcher Field, Clarksdale,  
MS.
- September 1997 Provide, install and align AWOS III at Cambridge  
Municipal Airport, Cambridge, OH.
- July 1997 Provide design, MK 10 glide slope and installation  
services for the runway 23L ILS reconfiguration at  
Rickenbacker International Airport, Columbus, OH.
- April 1997 Relocate Air Traffic Control radios at Richard's  
Gebaur Memorial Airport, Aviation Department, Kansas  
City, MO.
- February 1997 Install, cut in and align ILS system at San Luis Valley Regional  
Airport, Alamosa, CO.
- November 1996- ASMI participated in the installations of 2 GS, 3  
October 1992 DMEs, 2 LOMs, 2 LOCs, 12 LOC antenna arrays, 1 third  
generation VOR, and 3 AWOSs. We were involved in the  
installation of a Watts End Fire glide slope, and also a dual LOC,  
dual MM and dual Watts endfire glide slope installation in South  
Korea.
- November 1992- During this period, ASMI participated in the  
Summer 1984 installations of a DME, 2 LOCs, 2 VORs, and an NDB. ASMI  
designed and manufactured the interface for a Watts End Fire glide  
slope mated to an ASI 1100 transmitter, as well as designed the  
transmitter modifications, installed, tuned, cut in, aligned and  
conducted the preliminary and commissioning flight inspection.  
ASMI also conducted a number of commissioning flight  
inspections of NAVAIDS equipment at various airports.

City, State and Zip Code

Tel: 913-894-8927, Fax: 913-894-1794  
Telephone and Fax Numbers

1. The undersigned, hereinafter called Bidder, in compliance with the "Notice to Bidders," accepting all of the terms and conditions of the "Instructions to Bidders," including without limitation those dealing with the disposition of Bid Security; proposes and agrees, if awarded the Contract, to enter into an Agreement with the Owner in the form of Agreement included in the Contract Documents, to furnish all materials, equipment, machinery, tools, apparatus, means of transportation and labor necessary to complete the work to be performed under this Contract within the Contract Time indicated in this Bid, in full and complete accordance with the shown, noted, described and reasonably intended requirements of the Contract Documents, to the full and entire satisfaction of the Owner, for the amounts contained in the Bid Schedules.
2. This Bid will remain open for Ninety (90) days after the day of Bid opening. If awarded a contract, Bidder will sign the Agreement and submit the Contract Security and other documents required by the Contract Documents within 15 days after the date indicated in Owner's Notice of Award.
3. In submitting this Bid, Bidder represents that:
  - (a) Bidder has become thoroughly familiar with the terms and conditions of the proposed Contract Documents accepting the same as sufficient to indicate and convey

understanding of all the conditions and requirements under the Contract that will be executed for the Work.

- (b) Bidder has examined the site and locality where the Work is to be performed, the legal requirements (federal, state and local laws, ordinances, rules and regulations) and the conditions affecting cost, progress or performance of the Work and has made such independent investigations as Bidder deems necessary.
- (c) This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation; Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid; Bidder has not solicited or induced any person, firm or corporation to refrain from bidding; and Bidder has not sought by collusion to obtain for himself any advantage over any other Bidder or over Owner.
- (d) That no member of the Commission or other officers or employees of said Owner is interested directly or indirectly in the Bid or in any portion of the Bid nor in the Contract or any part of the Contract which may be awarded the undersigned on the basis of such Bid.
- (e) This bid is based upon prevailing wages in Lafourche Parish, LA, and in no case are wages less than those determined by the Secretary of Labor.
- (f) It is a condition of this Bid and any subsequent contract entered into pursuant to this Bid, and it shall be made a condition of each subcontract entered into pursuant to the prime contract that the Contractor and any Subcontractor shall not require any laborer or mechanic employed in performance of the contract to work in surroundings or under working conditions which are unsatisfactory, hazardous, or dangerous to his health or safety, as determined under Construction Safety and Health Standards, Title 29, CFR, Part 1518 36FR7340, promulgated by the U.S. Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act, 82, Statt. 96; that it is a further condition of this Bid that he shall be solely responsible for the enforcement of such Construction and Health Standards, and that he definitely understands that the Owner and his authorized representatives will not assume any liability resulting from his failure to police and enforce all such standards.
- (g) The description under each bid item, being briefly stated, implies, although it does not mention, all incidentals and that the prices stated are intended to cover all such work, materials and incidentals as constitute Bidder's obligations as described in the Specifications, and any details not specifically mentioned, but evidently included in the Contract shall be compensated for in the item which most logically includes it.

4. Contract Time: Bidder agrees that:

- (a) During the initial Assembly Period, the Contractor shall immediately order all materials necessary to complete the project and furnish documentation that confirms order date and material delivery date. The Notice-to-Proceed will be issued following the Assembly Period and the project shall be completed within **30 working days from the "Notice to Proceed"**. The Assembly Period will be the number of working days commencing with the equipment order date and ending with the equipment delivery date.
- (b) He will commence work with an adequate force and equipment at the time stated in the Notice to Proceed, and complete all work in the number of days stipulated from the date stated in said notice.
- (c) The quantities of work listed in the Bid Schedule are approximate and are assumed solely for comparison of Bids. Compensation will be based upon the unit price bid and actual quantities of work performed in accordance with the Contract Documents.

5. Bid Schedule:

We hereby propose to furnish under one contract all superintendence, labor, tools, equipment, materials, transportation, taxes, permits, insurance and all other incidentals and facilities of every description, to perform all the work required to furnish, test, demonstrate and train owner appointed operators, the complete Localizer System in accordance with the requirements of the contract documents.

## BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned,  
Aviation Systems Maintenance, Inc., P.O. Box 23442, Overland Park, KS 66283-0442, as  
Principal, and Western Surety Company, 101 South Phillips Avenue, Sioux Falls, SD 57104,  
as Surety, are hereby held and firmly bound unto **Greater Lafourche Port Commission** (OWNER)  
in the penalty sum of Five Percent of Amount Bid (5% of Amount Bid) Dollars for the  
payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our  
heirs, executors, administrators, successors, and assigns. Signed, this 30th day of  
March, 2009.

The conditions of the above obligation is such that whereas the Principal has submitted to Greater Lafourche Port Commission certain BID, attached hereto and hereby made a part hereof to enter into a Contract in writing for the **Furnishing and Installation of the Distance Measuring Equipment "DME"**.

NOW THEREFORE,

- (a) If said Bid shall be rejected, or in the alternate,
- (b) If said Bid shall be accepted and the Principal shall execute and deliver a Contract in the Form of Agreement attached hereto (properly completed in accordance with said Bid) and for the payment of all persons performing labor or furnishing materials in connection therewith, and shall in all other respects perform the agreement created by the acceptance of said BID, then this obligation shall be void, otherwise the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that obligations of said Surety and its Bonds shall be in no way impaired or affected by any extension of the time within which the Owner may accept such BID; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

RESOLUTIONS BY THE WRITTEN CONSENT  
OF THE SOLE SHAREHOLDER OF  
AVIATION SYSTEMS MAINTENANCE INC.

As of January 1, 2009

The undersigned, being the sole shareholder of Aviation Systems Maintenance Inc., a Kansas corporation (the "**Company**"), does hereby declares that when it has signed this consent, or a counterpart hereof, the following resolutions shall then be consented to, approved, and adopted to the same extent and to have the same force and effect as if adopted at the meeting of the sole shareholder of the Company duly called and held for the purpose of acting upon proposals to adopt such resolutions:

Resolutions

RESOLVED, that the following persons be and hereby are elected as members of the Board of Directors of the Company, to serve in such capacities until the election and qualification of his successor:

Scott J. Sternberg

Geoff Bing

Curtis A. Cowley

RESOLVED FURTHER, that the officers of the Company (or any of them) be and hereby are authorized and directed to do or cause to be done all such acts and things, to pay or cause to be paid all such costs and expenses, to execute and deliver in the name of and on behalf of the Company and under its seal, attested, if required, by the Secretary, all instruments and documents, and to make changes and amendments thereto or to waive any conditions to performance by the Company, as may by any of them in such officer's sole discretion be deemed to be desirable or necessary in order to carry out and comply with the purposes and intent of the foregoing resolutions, and all of the acts of the officers of the Company which are consistent with the purposes and intent of these resolutions be and hereby are in all respects ratified, confirmed, approved and adopted as the acts of the Company.

IN WITNESS WHEREOF, the undersigned has executed this consent as of the date first above written.

Vaisala Inc.

By: 

Its: President Vaisala Inc.
