Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here Signature of U.S. person Nichelle C. Dillard Date 12-16-07

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

QUESTIONS AND CLARIFICATIONS

BIDDER QUESTIONS RECEIVED

- (Q) On sheet 15 you show straps on needed to connect the first 3 boxes on each end.
Question is do the anchor bolts need to be cast into the box or can the boxes come out with sleeves cast in and bolt through the top of the box to hold down these straps??
- (A) Bolts were intended to be field installed; cast in sleeves will be allowed.
- (Q) Sheet 10 of 28 shows the Temporary Detour road on the west end of the project (Ole Miss Dr.), will there be similar modifications/Temporary Detour road required on the east end of the project (Continental St.)? If so, please provide details as shown on sheet 10 for the east end of the project.
- (A) The intersection at Continental St. is sufficient to accommodate detour without pavement modifications.
- (Q) Please check your class II base course plan quantity. If it is only for the new roadway, then it seems like way more than what will be needed. $2 \times 135' \times 30' \times .5' / 27 = 150 \text{cy}$. If the class II base is measured for payment somewhere else on this project, please let me know.
- (A) The Class II base course quantity should be 160 CY. See attachment No. 1 of this addendum, revised Louisiana Uniform Public Work Bid Form.
- (Q) Which pay item should we put the demolition of the 96" RCPA?
- (A) Item 201-01-00100 Clearing and Grubbing and Misc. Demo.
- (Q) Which pay item should we put the cofferdam installation and removal?
- (A) Cofferdam install, and removal is at No Direct Pay; see item No. 4 of this addendum.
- (Q) Which pay item should we put the "select excavated material free of stumps and voids" in? (This is the layer between the sand backfill and the topsoil.)
- (A) All work with select Excavated Material is covered under the Lump Sum price for item No. 203-02-00100 Drainage Excavation; suitable excavated material may be utilized as fill as indicated by Key Point #7 sheet 3 of 28.

- (Q) SP20 and SP21 both talk about deenergizing power lines, but conflict on who is responsible for paying Entergy. Please review and clarify.
- (A) The Owner (Jefferson Parish) will pay Entergy.
- (Q) We don't see any required temp striping for the detour plans; is this correct?
- (A) Temporary striping is required, as outlined on the Traffic Control Plans, Phases I & II, sheets 15 & 16 of the project plans.
- (Q) Also, during the detour, at Ole Miss Street (Plan Sheet 10) notes indicate striping to be put back. Are you requiring the existing stop bars and cross walk striping to be grinded out?
- (A) Contractor shall remove existing striping and replace upon ending detour.
- (Q) Will the contractor be allowed to use crushed concrete for base course and bedding material?
- (A) Yes; provided the crushed stone meets the same gradation requirements as the stone.
- (Q) Will the contractor be allowed to use all 4 sides of the canal bank for storage and parking?
- (A) Yes.
- (Q) Please provide details of the existing bents that need to be removed. How many piles per bent? What is the bent caps dimensions and type of material?
- (A) See reference drawing attachment No. 2 of this addendum for existing bents to be removed.

QUESTIONS AND CLARIFICATIONS

BIDDER QUESTIONS RECEIVED

- (Q) Existing buried pipe supports to be demolished per sheet 5 of 28 - can we get a detail of the pipe supports? Concrete cap? What size and material are the piles?
- (A) See attachment No. 2 of Addendum No. 1.
- (Q) What is the canal typical water elevation?
- (A) The normal dry weather canal water level is approximately -11.43' NAVD 88.
- (Q) Can the box culvert be cast in place instead of precast?
- (A) Yes, however no additional contract time will be granted for this work and the cast in place unit shall be designed for HS20-44 Wheel Loading and be certified by an Engineer registered in the state of Louisiana. A full submittal with design calculations will be required for acceptance.
- (Q) An Air Release Valve manhole is shown on sheet 4 of 28 over the required 6" sewer pipe. No detail is provided. Can a separate pay item be added for the work required to install the valve and manhole?
- (A) Air release valve is to be installed in a Jefferson Parish Standard Brick Manhole; see Drainage Standard Details Sheet 1 of 3 sheet 26 of the project plans for manhole details. The brick manhole and the air release valve shall be at No Direct Pay and shall be included under item 702-01-00100.
- (Q) Note 1 and 2 on sheet 2 under Roadways and Sidewalks indicate subbase compacted to 97%. Sheet 3 of 28, key notes indicate subbase compacted to 95%. Please revise.
- (A) 95% Compaction is required.
- (Q) Sheet 7 - the surveyor located a 24" AC water line in the median. Sheet 8 identifies this line as a 16" line. Do we replace the 24" AC with a 16" and have to make tie-ins to the existing 24" AC pipe, or is this a mistake?
- (A) The project plans depict the a 16" waterline based upon Jeff Parish Waterline records, the work is to be bid based upon a 16" waterline. (Survey reflects pipe OD)
- (Q) Notes 7 and 8 on sheet 9 indicate that the gas line and power lines on the south side will have to be relocated and to coordinate work with the utility companies. What about the gas line and power lines on the north side? are those also to be relocated?
- (A) All Entergy electrical lines shall be rerouted by October 19this rerouting electrical lines and Atmos is rerouting the gas lines. Owner is covering all cost. OHP lines will be relocated out of the parish ROW prior to beginning of construction.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
