

**All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form**

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES \_\_\_\_\_ NO X

MAXIMUM ESCALATION PERCENTAGE REQUESTED \_\_\_\_\_ %

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF \_\_\_\_\_.

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.

**DELIVERY: FOB JEFFERSON PARISH**

INDICATE DELIVERY DATE ON EQUIPMENT AND SUPPLIES 2-3 weeks

Non-Public Works Bid

AFFIDAVIT

STATE OF LOUISIANA

PARISH/COUNTY OF LAFAYETTE

BEFORE ME, the undersigned authority, personally came and appeared: \_\_\_\_\_  
JOHN ATKINSON, (Affiant) who after being by me duly sworn, deposed and said that  
he/she is the fully authorized MANAGER of BASIC SUPPLY (Entity),  
the party who submitted a bid in response to Bid Number 50-00121857 to the Parish of  
Jefferson.

Affiant further said:

Campaign Contribution Disclosures

**(Choose A or B, if option A is indicated please include the required attachment):**

Choice A \_\_\_\_\_ Attached hereto is a list of all campaign contributions, including the date and amount of each contribution, made to current or former elected officials of the Parish of Jefferson by Entity, Affiant, and/or officers, directors and owners, including employees, owning 25% or more of the Entity during the two-year period immediately preceding the date of this affidavit or the current term of the elected official, whichever is greater. Further, Entity, Affiant, and/or Entity Owners have not made any contributions to or in support of current or former members of the Jefferson Parish Council or the Jefferson Parish President through or in the name of another person or legal entity, either directly or indirectly.

Choice B X there are **NO** campaign contributions made which would require disclosure under Choice A of this section.

Debt Disclosures

**(Choose A or B, if option A is indicated please include the required attachment):**

**Choice A** \_\_\_\_\_ Attached hereto is a list of all debts owed by the affiant to any elected or appointed official of the Parish of Jefferson, and any and all debts owed by any elected or appointed official of the Parish to the Affiant.

**Choice B** X \_\_\_\_\_ There are **NO** debts which would require disclosure under Choice A of this section.

Affiant further said:

That Affiant has employed no person, corporation, firm, association, or other organization, either directly or indirectly, to secure the public contract under which he received payment, other than persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project or in securing the public contract were in the regular course of their duties for Affiant; and

*[The remainder of this page is intentionally left blank.]*

That no part of the contract price received by Affiant was paid or will be paid to any person, corporation, firm, association, or other organization for soliciting the contract, other than the payment of their normal compensation to persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project were in the regular course of their duties for Affiant.

COOL BLUE AUTO DARKENING HELMET

Item Notes:

Auto-Darkening at it's best!

Sturdy construction helmets are made of lightweight, molded nylon with a ratcheting headgear and moistureabsorbing headband lining. User can customized fit with a special up/down, forward/backward headband mechanism, reducing fatigue of the head and neck. Sensitivity adjustment knob is located outside the helmet making it more convenient to adjust. Upon striking an arc, the filter automatically changes from clear to dark in only 1/30,000 of a second. Four optical sensors for better detection of the arc. Operator can set the delay time for the filter screen to change from dark to clear state - short, medium or long. Replacement lenses are available making changing scratched or damaged lenses fast and easy! Dual purpose welding or grinding mode. UV/IR Protection provide full protection for the user's eyes and face, even in the light state at up to Shade 16 (DIN) at all times. Increased field of vision makes it easier to see the working parameter. Now measures 3.86" x 2.17". Helmet is powered by high performance solar cells, and two long lasting lithium-ion batteries. ADF lens conserves power by going to standby after 5 minutes of inactivity. Conforms with ANSI and CE safety standards.

The K-T Advantage

- 1/30,000 Second Response
- Variable Shade 9-13
- Replaceable Lenses
- Welding or Grinding Mode
- U/V Protection at all times
- Huge Viewing Area
- Magnifying Lens Included!

HG-25

The Ultimate™ Headgear HG-25 is our high performance dielectric construction accommodating face shields, visors and mesh screens.

It features a customizable head hugging suspension for secure fit and all day wear.

The HG-25 may be used with other face shields, visors and mesh screens.

Browguard: High Density Polyethylene

Suspension: Low Density Polyethylene

Sweatband: Cotton & PU Foam

Knobs: POM

For industrial applications with the melting point of high density polyethylene of 248° F (120° C).

Ratchet adjusts for head circumference so it fits more heads.

Head hugging Pin Lock suspension with two swivel points for head height adjustments and snug fit.

Browguard, soft terry cloth brow pad, and neck pad for extra comfort.

Dielectric construction.

LINE ITEM NO. 24

FS-12PC features a non-proprietary, high quality polycarbonate material that has similar in performance characteristics to Lexan®.

Aspherical design allows optimal freedom of movement in all directions.

Offers wraparound, splash and impact protection.

Universal Hole Pattern on Elvex® face shields, also fit on the more popular headgear brands.

Elvex® face shields fit to our HG-25 and HG-35 headgears.

Material: Molded Aspherical Polycarbonate

Industry Leading Thickness: 0.078 inches

Die cut universal hole pattern fits most competitive headgear options.

Heat Tolerance: up to 265 degrees

Dimensions: 8 in. x 12 in. x .078 in.

UV Protection: 99.9% between 180-380nm
