Features

- Unique reinforced stacking lugs on all four corners add strength, rigidity, and help prevent container "lock-up" or jamming when stacked together
- StorPlus™ containers are perfect for storing condiments, spices, toppings, leftover foods; or even preparing large batches of foods
- NSF Listed and dishwasher safe
- Containers have wide, easy-grip handles with drain holes for quicker drying
- Stack with other popular brands
- Exterior texturing on corners, edges, handles, and container bottom helps prevent scratches, improves durability, and provides a secure grip
- Smooth interior finish with Spoonable™ bottom helps prevent food waste, makes clean-up easy
- Wide recessed handles provide maximum grip without sacrificing shelf space
- Color-coded capacity indicators are listed in both gallons and liters
- Capacity indicators allow measuring, prepping, and portioning in a single container for added versatility, efficiency, and inventory control
- Date indicators on container sides and lid help you to maintain food quality and control inventory turns; lids have content indicators to help you identify contents easily
- Clear polycarbonate containers provide exceptional durability, clear viewing of contents, and can withstand temperatures from -40°F to 212°F
- White polyethylene containers are the practical, economical choice for storing foods from -40°F to 180°F
- Color-coded, textured snap-on lids allow convenient stacking
- One lid fits both polycarbonate and polyethylene containers
- NSF Listed as N10726-PC
- * Polycarbonate (PC) is resistant to staining, breaking and chipping.
