**ARTICLE 12 - LOUISIANA PREFERENCE (NOT APPLICABLE ON SERVICE CONTRACTS OR CONTRACTS WHERE FEDERAL TRANSIT ADMINISTRATION FUNDS ARE EXPENDED)**

In accordance with the provisions of LA. R.S. 38:2251 et. Seq., preference is hereby given for materials, supplies, or equipment which is manufactured, processed, produced, or assembled in Louisiana, quality being equal to other materials, supplies, or equipment offered by competitors outside of the State of Louisiana. However, the Lafayette City-Parish Consolidated Government can only make full and proper determination of a bidder's entitlement to a preference based upon consideration of all pertinent information related to said claim. Accordingly, for the Lafayette City-Parish Consolidated Government to fairly evaluate the bidder's claim for a preference, it shall be the bidder's duty and responsibility; to supply the Lafayette City-Parish Consolidated Government with the following declarations and information when submitting a bid which claims entitlement to a preference

Bidders who claim a preference on materials, supplies, or equipment which are Louisiana products and which are equal in quality to other materials, supplies, or equipment must meet the following conditions in order to qualify for such preference:

1. The cost of the Louisiana products must not exceed the cost of the other materials, supplies, or equipment which are manufactured, processed, produced, or assembled outside the state by more than ten percent (10%); and
  2. The bidder of the Louisiana products must agree to sell the products at the price of the lowest bid offered on such products; and
  3. In the case where more than one bidder offers Louisiana preference products which are within ten percent (10%) of the lowest bid, the bidder offering the lowest bid on Louisiana products is entitled to accept the lowest bid offered on such products.
- 
1. The bidder shall affirmatively indicate that preference is entitled and desired by placing a mark in the space provided on the bid form for claiming a preference; and

2. The bidder shall specify in the space(s) on the bid form the item(s) for which a preference is being claimed, and the bidder shall also provide in the space(s) on the bid form, location(s) in Louisiana where the item(s) for which a preference is claimed are manufactured or produced; and
3. The bidder shall confirm in the space provided on the bid form that a preference is being claimed and attach to the bid form a written letter detailing exactly why a preference is entitled, including but not limited to describing how its products are produced or manufactured, and the process which qualifies it for a preference.
4. Any bidder who fails to comply with each and every one of the requirements set forth herein shall be deemed to have waived its right to be considered for a preference, and such bid shall be considered as though no preference was available to the bidder.

#### **ARTICLE 13 - ERASURES**

Bidders should avoid making erasures, delineations, and other corrections on bids, since such may make it difficult for the Lafayette City-Parish Consolidated Government to ascertain the information contained in the bid. In the event that a bidder must make such corrections to said bid, the corrections should be made in such a manner that the information contained on the bid form can be fairly and reasonably discerned and ascertained by the Lafayette City-Parish Consolidated Government. The Lafayette City-Parish Consolidated Government shall have the right to reject any bid in the event that it is unable to reasonably determine the information and quotations supplied by the bidder therein.

#### **ARTICLE 14 - PRICES**

When called for, prices shall be shown in both words and figures, and in the event of a discrepancy between the prices quoted in words and figures, the price(s) in words shall control. In case of a conflict between unit prices and the extended total price, the unit price shall govern.

The Lafayette City-Parish Consolidated Government reserves the right to reject any bid in the event that discrepancies in the price quoted therein prevent the Lafayette City-Parish Consolidated Government from making a fair determination of the quoted prices.

#### **ARTICLE 15 - WITHDRAWAL OF BID**

A bid containing patently obvious unintentional, and substantial mechanical, clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, may be withdrawn by the contractor if clear and convincing sworn, written evidence of such errors is furnished to Lafayette Consolidated Government within forty-eight hours of the bid opening excluding Saturdays, Sundays, and legal holidays. Such errors must be clearly shown by objective evidence drawn from inspection of the original work papers, documents, or materials used in the preparation of the bid sought to be withdrawn. If Lafayette Consolidated Government determines that the error is a patently obvious mechanical, clerical, or mathematical error, or unintentional omission of a substantial quantity of work, labor, material, or services, as opposed to a judgment error, and that the bid was submitted in good faith it shall accept the withdrawal and return the bid security to the contractor.

A contractor who attempts to withdraw a bid under the provisions of this Section shall not be allowed to resubmit a bid on the project. If the bid withdrawn is the lowest bid, the next lowest bid may be accepted. If all bids are rejected no withdrawal of the bid which would result in the award of the contract on another bid of same bidder, his partner, or to a corporation or business venture owned by or in which he has an interest shall be permitted. No bidder who is permitted to withdraw a bid shall supply any material or labor to, or perform any subcontract work agreement for, any person to whom a contract or subcontract, is awarded in the performance of the contract for which the withdrawn bid was submitted.

Bidder must submit a price for each item in order to be considered for award. Any corrections made by scratch out or white out must be initialed next to the item being corrected. Bid Form must be signed by the person who is authorized to sign the bid as indicated by the Corporate Resolution.

**EXTENSION OF PRICES:** Bidders shall insert the unit price, per foot for each size pipe for both picked up and delivered. Do not multiply the unit prices by the estimated quantity. The estimated quantities are for each bidder's information only. Add both unit prices (delivery + picked up = unit price) to get the extended unit price on each item. **Example:** 18" pipe \$25.00 per ft. picked up + \$30.00 per foot delivered = Extended Unit Price \$55.00.

**FIRM PRICES:** Vendors are required to submit unit prices per pipe size for all items. Unit prices shall include all costs associated with the item. Unit prices shall be held firm for the duration of the contract or any contract extensions mutually agreed upon. This is an open – ended requirements contract. Quantities shown are estimated only based on previous usage and the Lafayette City-Parish Consolidated Government will not be held bound to those approximate quantities. All orders will be on an "as needed" basis. The successful vendor must supply, at quoted prices, actual requirements as ordered whether the total of such requirements is more or less than quantities shown.

**TERMS:** This contract shall commence upon contract finalization for a period of one (1) year with an option to renew one (1) additional year at the same terms and conditions upon mutual agreement of owner and vendor.

**AWARD:** This bid shall be awarded to the low responsible and responsive bidder who has bid according to the specifications as advertised or modified by addendum. Bidder must submit a price on all items in order to be considered for award. The successful vendor shall guarantee unit prices for the entire specified period.

A Purchase Order shall be issued for each order. The successful vendor shall not accept any orders unless a Purchase Order has been received. LCG shall pay no more than unit price per item bid.

**QUESTIONS:** Any questions shall be submitted in writing to the Office of Purchasing. Questions are to be emailed to Thomas Metrejean at [tometrejean@LafayetteLA.gov](mailto:tometrejean@LafayetteLA.gov). Only questions addressed by addendum shall be binding. Vendor shall not contact the user department regarding this bid.
