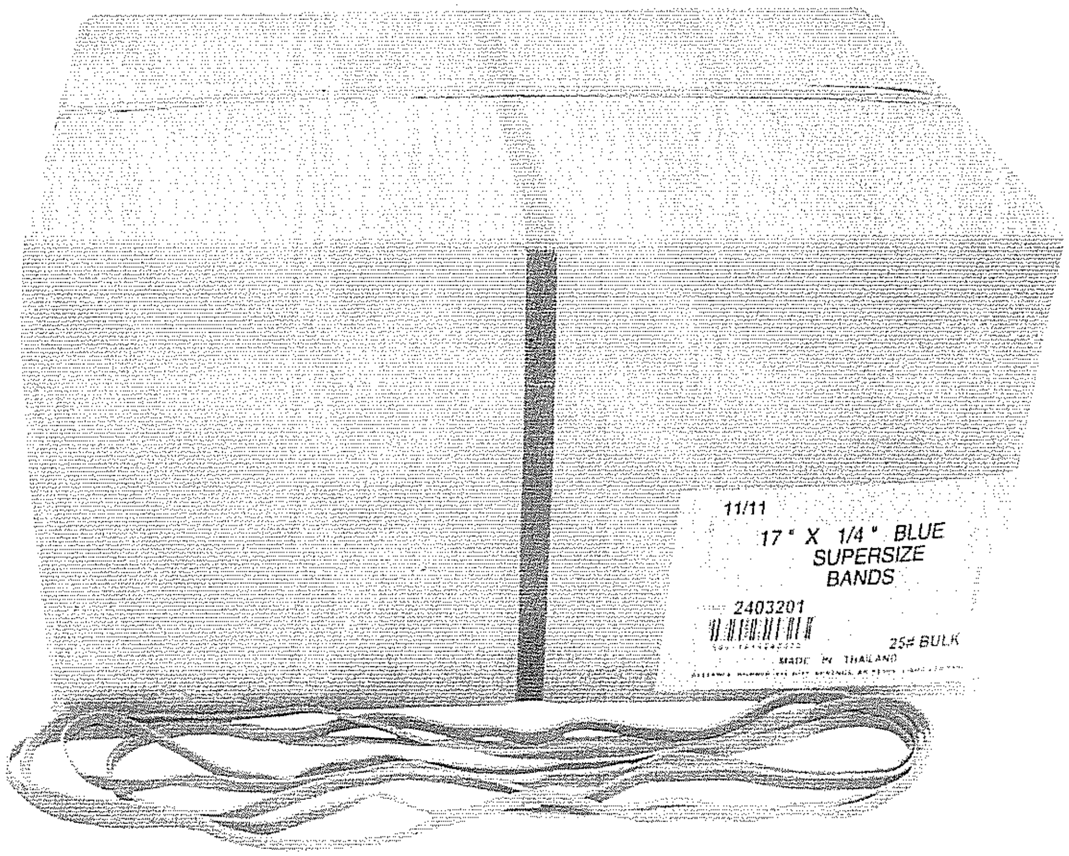
Alliance® Rubber Supersize Heavy Duty Blue Rubber Bands

2403201

Item# AR-2403201



11/11
17" X 1/4" BLUE
SUPERSIZE
BANDS
2403201
25# BULK
MADE IN THAILAND

A super sized job calls for a super sized band. These oversize bands are great for securing items during moving and storage operations, securing drum liners or hundreds of other applications where a super size heavy duty rubber band is just the ticket. Bands are great for holding down liners for 55 gallon drums.

Band Size: 17″ x ¼″
Quanitiy: 25 lbs.
Sold By: a Case of 25 lbs.

Rubbermaid® Brute® White Round Container

Item# RM-2632WHI

1304-W

BRUTE
Rubbermaid

Brute® delivers on improved productivity by managing and collecting refuse more efficiently and safely. Innovative venting channels make lifting out liners up to 50% easier, improving productivity and reducing the risk of injury. Integrated cinches secure the liner, allowing for efficient knot free liner changes. Tested to 20,000 cycles. Proprietary design constructed with the highest quality material plus a UV inhibitor ensures long life in even the most extreme commercial environments. Guaranteed to never fade, warp, crack, or crush. Rounded handles make lifting and moving easier, and are reinforced to resist tearing or damage from even the heaviest loads. The reinforced base is specifically engineered to be dragged over rough surfaces, extending life and overall durability even in the toughest environments. Contoured base handles improve grip and ergonomics, reducing strain and improving efficiency when emptying containers. Rim features integrated rib structure to increase strength and resist crushing. Meets NSF 2, 21 approval and is USDA Meat and Poultry Group listed, ensuring regulatory compliance for food storage and clean ability. Stackable design enables nesting for easy transport and storage. Seamless construction makes cleaning the container easier.

Color: White
Diameter: 21.9"

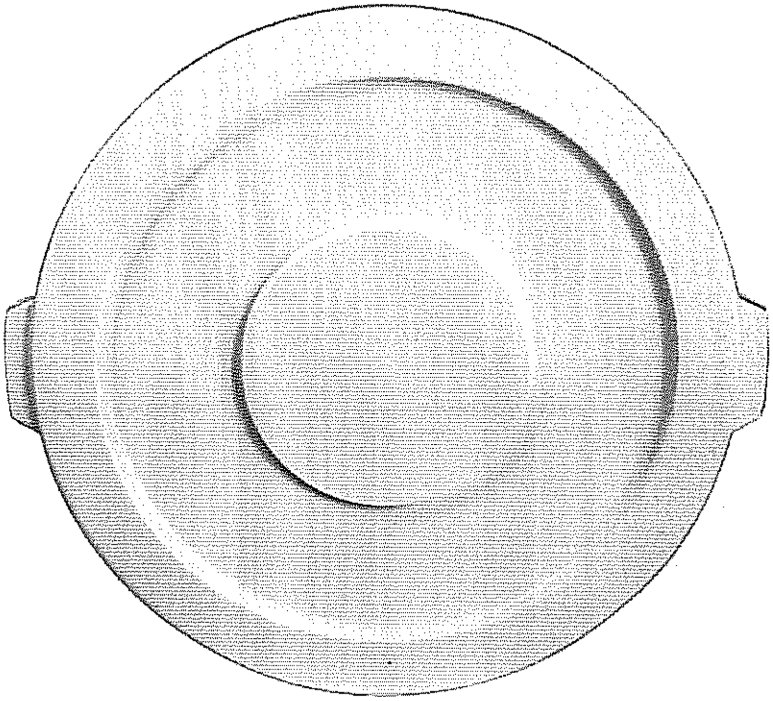
Rubbermaid® Brute® Round Container Lid

Item# RM-2631WHI

1304-W



Durable, heavy-duty containers are great for a variety of uses. Self-draining channels prevent water from pooling, reducing still water buildup. The snap-lock ensures a secure fit. It's proprietary design constructed with the highest-quality materials plus a UV inhibitor ensures long life in even the most extreme commercial environments. Guaranteed to never fade, warp, crack, or crush. It has ridges that enable stacking of Brute® container lids to providing a space-efficient storage solution. Meets NSF 2, 21 approval and is USDA Meat and Poultry Group listed, ensuring regulatory compliance for food storage and cleanability. Fits 10, 20, 32, 44, & 55 gallon Brute® sizes.

Diameter: 22.4"
Height: 1.9"
Color: White
Material: High-Density Polyethylene (HDPE)

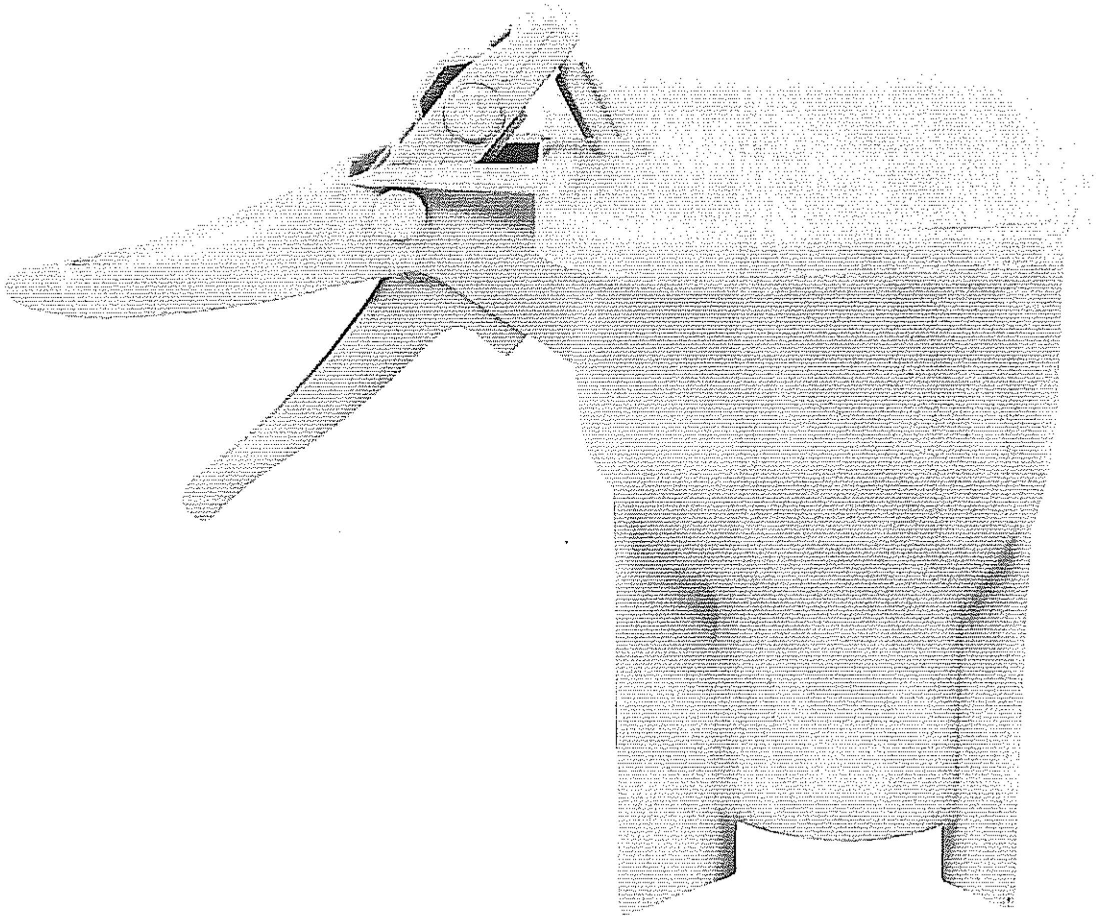
Vollrath® Traex® Batter Boss® Portion Control Dispenser

Item# VOL-2803-18



Easily dispense pancake, waffle, hush puppy batters or pizza sauce. The eight portion control settings dispense from 1-3 ounces. It holds up to 48 ounces. It is not recommended for chunky batters. The portion adjustment is easy with the Batter Boss dispenser. Just pull the cam pin at the base of the handle and rotate the cam to the desired setting.

Height: 7½″ Width: 10⅞″

1063102 - StorPlus™ Polyethylene Food Box Storage Container 3.5 Gallon, 18" x 12" x 6" - White

Item Number	Case Pack
1063102	6 ea

- reinforced top and bottom corners on both box and lid, help prevent chipping and cracking
- easy-grip handles have structural rib reinforcement to provide extra support for heavy loads
- 12" x 18" box has side capacity indicators for quick inventory checks; perfect for "prepping" and "portioning" of foods
- quart, gallon, and liter capacity indicators (on 12" x 18" box) offer portion control for both domestic and international use

- StorPlus™ Boxes and Lids' date indicator helps promote organized food storage, makes inventory checks quick and easy
- all sizes stack for easy, efficient storage; fit standard carts and racks
- smooth interior surface makes cleaning easy
- use everyday to organize and inventory kitchen supplies and equipment
- stacks with other boxes on the market
- use in catering for storage and transporting of foods, beverages, linens, and supplies
- serve and display ice and iced beverages
- boxes double as dough proofing bus boxes, warewashing tubs for kitchen overflow, or remote locations
- "Lock-Tight" lids can be reversed and used as bun pan or tray
- 18" x 26" colander is ideal for storing, draining, thawing, and marinating foods; keeps lettuce crisp, thaws and drains fish on ice, marinates chicken, etc.
- colander fits 18" x 26" x 6" or deeper boxes
- BPA free
- Economical polyethylene will withstand temperatures from -40° to 180° F
- NSF Listed as N10631-PE

Rubbermaid® Commercial 44 Gallon Brute® Utility Container

1360

Item# RM-2643-00GY

BRUTE.
Rubbermaid
Commercial Products

The Brute® Container features innovative solutions for making refuse collection and storage more efficient. The venting channels make lifting out liners up to 50% easier. Integrated cinches secure the liner, allowing for efficient knot free liner changes. Rounded handles make lifting and moving easier, and are reinforced to resist tearing or damage. The reinforced base is specifically engineered to be dragged over rough surfaces.

Diameter: 24″
Height: 31.5″
Capacity: 44 Gallons
Color: Gray
Sold By: the Each or the Case of 4

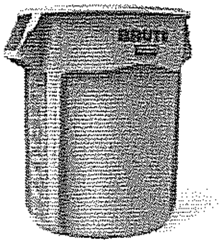
Waste > BRUTE® Utility

2655 BRUTE® Container without Lid



BRUTE® trash cans are designed with 4 built-in venting channels that allow air to flow into the container making liners up to 50% easier to lift out which improves productivity and reduces the risk of repetitive strain injuries.

Bag cinches secure liners without the need for knotting

Contoured basehandles improve grip and increase efficiency

Seamless construction makes cleaning the container easier.

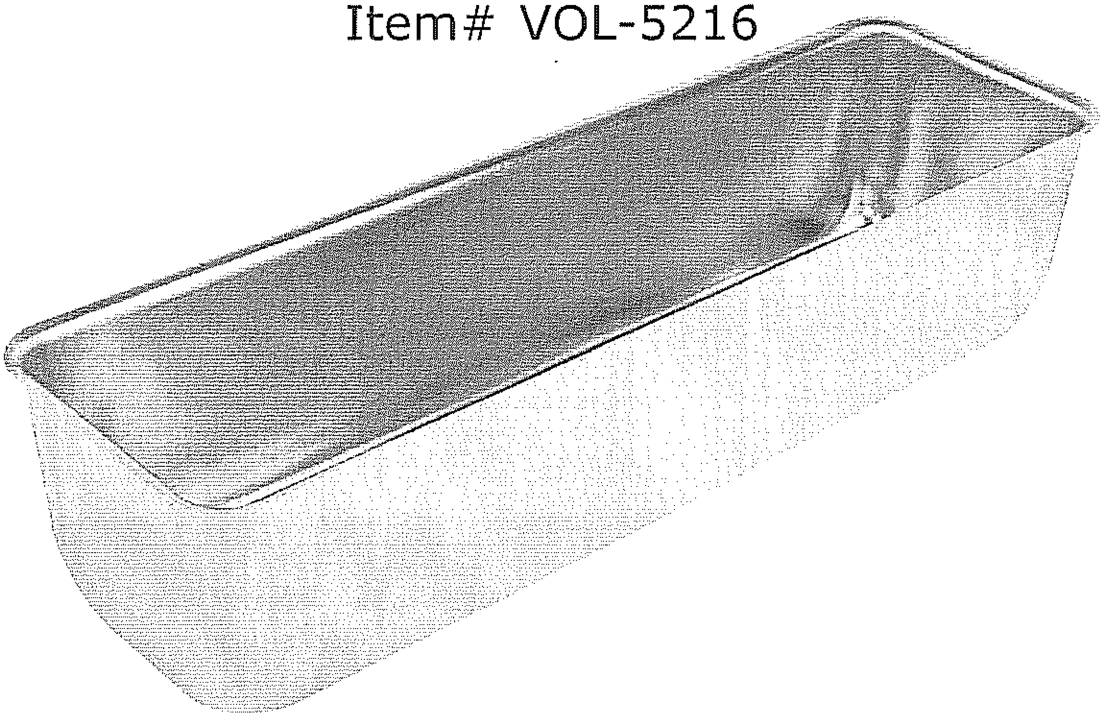
Vollrath® Wear-Ever® Professional Angel Cake/Loaf Pan

Item# VOL-5216



Bake sliceable, uniform bread with this aluminum loaf pan. Made of durable 16-gauge aluminum, this pan is durable for long-lasting use in your commercial kitchen. Featuring deep sides that allow room for bread to rise, this versatile loaf pan has plenty of room for light, sweet angel cake or a long loaf of homemade bread. Aluminum is an excellent heat conductor which allows the pan to heat up quickly and evenly so your breads can be baked to perfection. Thanks to the coved corners, you can quickly and easily clean this loaf pan. Great for bakeries, cafes, or restaurants, this aluminum loaf pan is a light weight, dependable choice that provides impact-resistant durability.

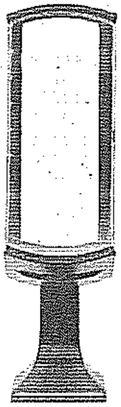
Dixie Ultra® Tower Interfold Napkin Dispenser

One at a time dispensing makes a difference! Independent research has proven napkin usage is reduced by 56.6% when switching from smaller tall fold style & by 30% when switching from larger standard MorNap style to Dixie Ultra™ in a QSR environment.



Description:

Dixie Ultra™ wall or Base mount tower system is a dispenser napkin solution for the 21st century. Dixie Ultra™ with easy to grab, one at a time napkin dispensing, reduces costs by up to 30% versus MorNap® style napkins and helps provide patrons a hygienic experience. This high capacity system holds up to five times the capacity of traditional dispensers, extending napkin service through peak periods. Ideal for high traffic foodservice and concession operators, it's easy to see why Dixie Ultra™ is the system that meets everyone's needs.

Features & Benefits:

- Dixie Ultra™ napkin dispensers keep guests from grabbing a handful of napkins when they only need one - helping reduce usage by 30% when switching from larger standard MorNap style to Dixie Ultra™ in a QSR environment.
- Extends napkin service through peak periods and reduces the need to refill
- Hygienic, touch free delivery system protects napkins and reduces the risk of cross-contamination
- See-thru, hinged door provides easy to view capacity at a glance and locked to protect napkins from waste
- Holds 4 packs- 1000 1-ply or 800 2-ply Dixie Ultra™ napkins

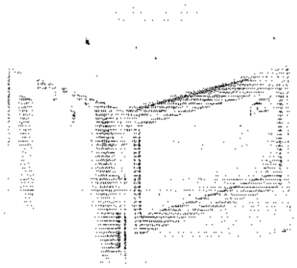
Tork Xpressnap Café® Napkin Dispenser (Granite)



Article	31XRT
Material	Plastic
System	N10 - Xpressnap Café napkin system
Height	6.2 in
Width	5.9 in
Depth	5.9 in
Color	Granite

The Tork Xpressnap Café® Napkin Dispenser in Classic Design is ideal for limited service restaurants where a small napkin is preferred. This compact dispenser delivers napkins one-at-a-time, improving hygiene and reducing consumption by at least 25%, when compared to traditional dispenser napkins.

- Small dispenser footprint, reduces tabletop area needed
- AD-A-Glance® customizable display window serves as an advertising tool to promote your products and engage with your guests
- Made with durable and easy to clean materials that reduce maintenance and labor costs.

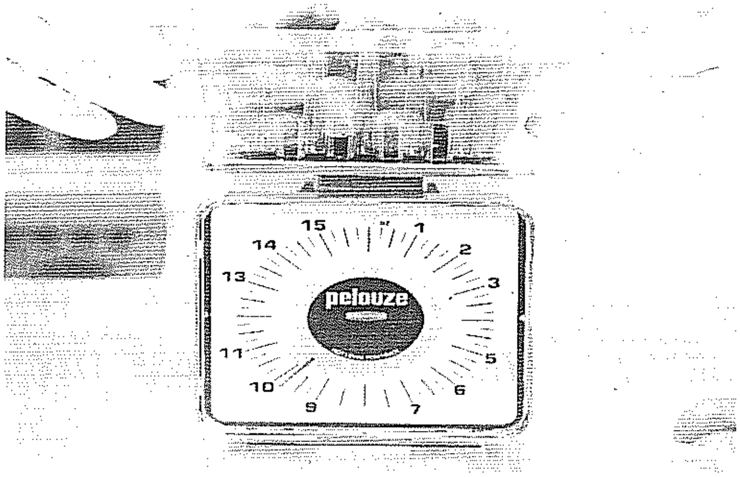
Rubbermaid FGK16SS

Pelouze 16 oz. Compact Portion Control Scale



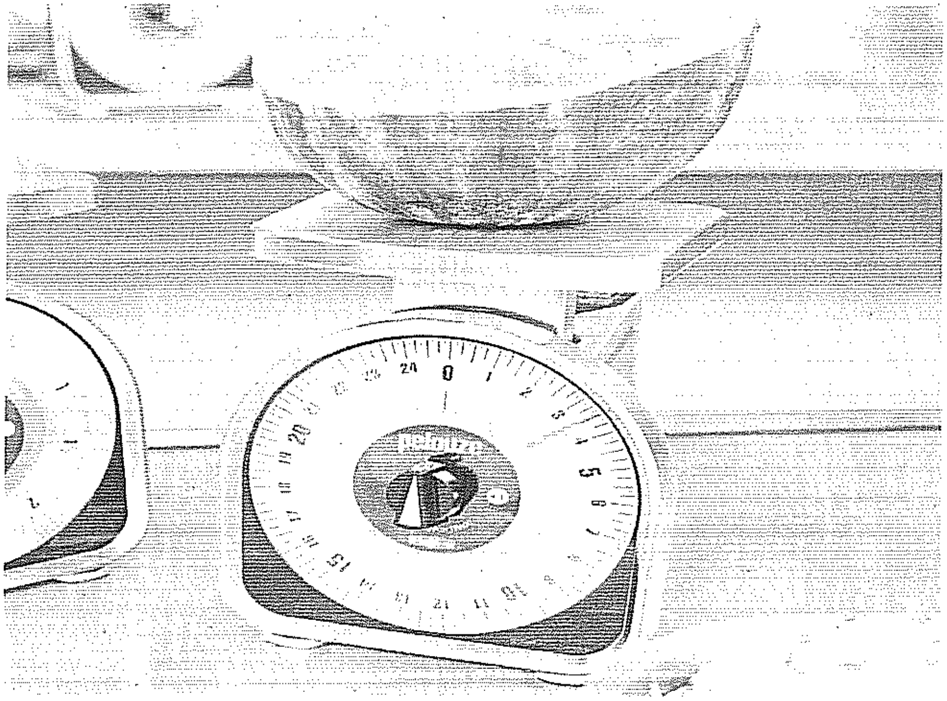
This mechanical scale has a 16 oz. capacity and measures in 1/4 oz. increments to provide your customers with the perfect serving size. This allows you to weigh anything from herbs and spices to nuts and candies. Made of stainless steel, this scale's platform and bezel allow for easy cleaning after each use. Plus, thanks to the heavy-duty ABS plastic chassis, this scale is ideal for commercial use.

1402-25

Economical
Janitorial & Paper Supplies LLC

Rubbermaid FGYG425R

Pelouze 25 lb. Mechanical Portion Control Scale



This mechanical scale has a 25 lb. capacity and measures in 2 oz. increments to provide your customers with the perfect serving size. This allows you to weigh anything from herbs and spices to meat and poultry. A rotating dial design gives you added versatility over fixed dial scales, incorporating a simple tare system that lets you deduct the container weight or quickly zero out the weight when measuring multiple ingredients.

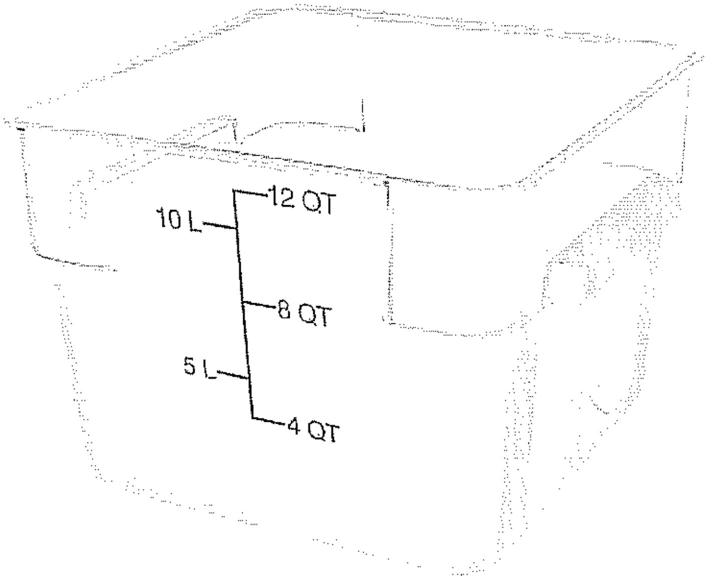
1072407 - StorPlus™ Polycarbonate Square Food Square Container 12 qt - Clear



Item Number:	Case Pack:
1072407	**6 ea**

- Unique reinforced stacking lugs on all four corners add strength, rigidity, and help prevent container "lock-up" or jamming when stacked together
- StorPlus™ containers are perfect for storing condiments, spices, toppings, leftover foods; or even preparing large batches of foods
- Dishwasher safe
- Containers have wide, easy-grip handles with drain holes for quicker drying
- Stack with other popular brands
- Exterior texturing on corners, edges, handles, and container bottom helps prevent scratches, improves durability, and provides a secure grip
- Smooth interior finish with Spoonable™ bottom helps prevent food waste, makes clean-up easy
- Wide recessed handles provide maximum grip without sacrificing shelf space
- Color-coded capacity indicators are listed in both gallons and liters
- Capacity indicators allow measuring, prepping, and portioning in a single container for added versatility, efficiency, and inventory control
- Date indicators on container sides and lid help you to maintain food quality and control inventory turns; lids have content indicators to help you identify contents easily
- Clear polycarbonate containers provide exceptional durability, clear viewing of contents, and can withstand temperatures from -40°F to 212°F
- White polyethylene containers are the practical, economical choice for storing foods from -40°F to 180°F
- Color-coded, textured snap-on lids allow convenient stacking
- One lid fits both polycarbonate and polyethylene containers
- Green, Red, Blue and Purple color-coded lids and match the capacity indicators that are listed in both quarts and liters
- Polycarbonate (PC) is resistant to staining, breaking and chipping
- NSF Listed as N10724-PC

Features

- unique reinforced stacking lugs on all four corners add strength, rigidity, and help prevent container "lock-up" or jamming when stacked together
- StorPlus™ containers are perfect for storing condiments, spices, toppings, leftover foods; or even preparing large batches of foods
- NSF Listed and dishwasher safe
- Containers have wide, easy-grip handles with drain holes for quicker drying
- Stack with other popular brands
- Exterior texturing on corners, edges, handles, and container bottom helps prevent scratches, improves durability, and provides a secure grip
- Smooth interior finish with Spoonable™ bottom helps prevent food waste, makes clean-up easy
- Wide recessed handles provide maximum grip without sacrificing shelf space
- Color-coded capacity indicators are listed in both gallons and liters
- Capacity indicators allow measuring, prepping, and portioning in a single container for added versatility, efficiency, and inventory control
- Date indicators on container sides and lid help you to maintain food quality and control inventory turns; lids have content indicators to help you identify contents easily
- Color-coded, textured snap-on lids allow convenient stacking
- One lid fits both polycarbonate and polyethylene containers
- BPA free
- NSF Listed as N10742
- Economical polyethylene will withstand temperatures from -40° to 180° F
