General Government Building, Suite 4400

To Whom It May Concern,

I am bidding for you to use Merck products. Merck products can be ordered through Merck directly or through every major distributor. The only product that must be ordered through Merck is the \$5 Home Again microchips.

The total price of all bid items is high because I believe the quantity of 3,000 Panacur is listed incorrectly. I still calculated on that amount. To bring the price down, I calculated Bravecto as individual units, not cartons of 10. I attached the pricing of all our vaccines, Bravecto, Sentinel and Tri-Heart to this bid so you can see all the items you can order through the distributor and their prices. I also highlighted the vaccines you have bought from us. Lastly, Activyl is discontinued. I recommend we discuss using a special program of \$10 Dog Topical Bravecto to replace it. That will be ordered directly from Merck and cannot be ordered through the distributor.

I only included the pages of the bid that Merck has products to bid on.

Merck pricing agreements last until February 28, 2022. I cannot change the pricing change date; however, the price increase is flexible.

Merck does not charge shipping.

Please send any questions to me.

Thank you,

All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES X NO \_\_\_\_\_

MAXIMUM ESCALATION PERCENTAGE REQUESTED 6 %

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF Feb 28, 2022

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.
