**BIDDER IS SOLELY RESPONSIBLE FOR ENSURING THAT ITS COURIER SERVICE PROVIDER MAKES INSIDE DELIVERIES TO OUR PHYSICAL ROOM NUMBER LOCATION NOTED ABOVE. BIDS SPECIFICALLY NOT DELIVERED TO ROOM 1300 AT THE ABOVE ADDRESS BY COURIER OR USPS WILL NOT BE CONSIDERED.**

**BID DELIVERY DELAYS:** The Calcasieu Parish School System is not responsible for any delays caused by the bidder's chosen means of bid delivery. Bidder is solely responsible for the timely delivery of its bid. Failure to meet the bid opening date and time shall result in rejection of the bid.

**PUBLICIZING AWARDS:** In accordance with bid provisions, unsuccessful bidders will be notified of the award provided they submit with their bid a self-addressed stamped envelope requesting this information.

**Terms & Conditions:** This solicitation contains all terms and conditions with respect to the items herein. Any vendor contracts, forms, terms or other materials submitted with bid may cause bid to be rejected.

The purchase order is the only binding document to be issued against this contract. Signing of vendor's forms is not allowed.

**Substitutes:** Only brands and numbers stated in the award are approved for delivery under this contract and any substitution must receive "prior" written approval of the Supervisor of Purchasing or his designee.

**Price Reductions:** Whenever there is a reduction in price, which is lower than originally submitted on bid, that is offered to similar customers contracting for the same period and under the same terms and conditions, said reduction must be presented directly to the Supervisor of Purchasing for the Calcasieu Parish School System. All price offers apply to all entities of the Calcasieu Parish School Board.

**Invoices:** Invoices for items on purchase orders will be submitted to the Calcasieu Parish School System Accounts Payable Department. Invoices MUST include the purchase order number and shall have reference to the delivery ticket number, delivery date, quantities, unit prices and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the vendor in duplicate directly to the Accounts Payable Department. Invoices shall show the amount of any cash discount and shall be submitted on the vendor's own invoice form.

**Payment:** Payments to invoices will be made either on the basis of unit price as listed in this contract for items received only. Back ordered items, damaged or "pending" replacement items will not be paid until all items are received. These payments in no way relieve the vendor of his responsibility to effect shipment of the balance of any order. Payment will be made to vendor at address shown on the order. The Calcasieu Parish School System cannot "shortly-pay" any invoice as it would be in violation of district accounting policies.

**Vendor List:** The bidder who signs the bid will be designated as prime vendor on any aspect of this solicitation. If additional vendor distributors are authorized to fulfill in whole or part any portion of this solicitation, the bidder must submit with the bid a list of those additional authorized agents or distributors, including the complete business address. The prime vendor will be responsible for the actions of any distributor and/or authorized agents listed.

**Contractual Period:** The Calcasieu Parish School Board intends to award all items in this solicitation for an initial period not to exceed 12 months. Delays in awarding beyond the anticipated starting date may result in a change in the contract period. If this situation occurs, an award may be made for less than twelve (12) months.

**Quantities:** This is an open-ended requirements solicitation. Quantities shown are based on previous usages or estimates. Where usage is not available, a quantity of one (1) may indicate a lack of history on the item. The successful bidder must supply at bid prices actual requirements as ordered whether the total of such requirements is more or less than the quantities shown.

**CDBG/EEOC Compliance Rider:** By submitting and signing this bid, the bidder certifies that he agrees to adhere to the mandates dictated by Section 3 of the Housing and Urban Development Act of 1968 as amended in section 109 of the housing and community act of 1974.

**Certification of No Suspension or Debarment:** By signing and submitting any bid for \$25,000 or more, the bidder certifies that their company, any subcontractors, or principals are not suspended or debarred by the General Services Administration (GSA) in accordance with the requirements in OMB Circular A-133.

A list of parties who have been suspended or disbarred can be viewed via the internet at [www.epls.gov](http://www.epls.gov)
