ADDITIONAL INSURED - BLANKET

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II – Who is An Insured is amended to include as an additional insured:

Any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement, subject to the following provisions.

- a. Such person or organization is an additional insured only to the extent such coverage is required by written contract or written agreement and only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- (1) Your acts or omissions; or
- (2) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement; or

in connection with the ownership, maintenance or use of that part of the premises leased to you, however, this insurance does not apply to structural alterations, new construction or demolition operations performed by or on behalf of the additional insured or any "occurrence" which takes place after you cease to be a tenant in that premises.

- b. Such person or organization is an additional insured only with respect to liability for "bodily injury" to:

- (1) Your "employee", or
- (2) An employee of a subcontractor acting on your behalf, but only to the extent:

- (a) Coverage for "bodily injury" to your "employee" or an employee of subcontractors acting on your behalf, regardless of whose fault caused such injury, is required by written contract or written agreement; and

- (b) Such "bodily injury" arises in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement; or

- c. Such person or organization is an additional insured for their sole acts or omissions and only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" if:

- (1) Coverage for sole acts or omissions of such additional insured is required by written contract or written agreement; and
- (2) Such "bodily injury", "property damage" or "personal and advertising injury" results from:
 - (a) Your ongoing operations; or
 - (b) "Your work" completed as included in the "products-completed operations hazard", performed for the additional insured.

However, the insurance afforded to such additional insured.

- (i) Only applies to the extent permitted by law; and
- (ii) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

- B. Solely with respect to the insurance afforded to the additional insureds indicated in Paragraph A. of this endorsement, the following additional exclusion applies:

This insurance does not apply to "bodily injury", or "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional architectural, engineering or surveying services including:

1. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
2. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering, or surveying services.

- C. Solely with respect to this endorsement, the following is added to the **Duties in The Event Of Occurrence, Offense, Claim Or Suit** Condition of Section IV – **Commercial General Liability Conditions**:

The additional insured must see to it that:

- (1) We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
- (2) We receive written notice of a claim or "suit" as soon as practicable; and
- (3) A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

- D. Solely with respect to this endorsement:

1. The following is added to the **Other Insurance** Condition of Section IV – **Commercial General Liability Conditions**:

Primary and Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- (1) The additional insured is a Named Insured under such other insurance; and
- (2) You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph 4.b. **Excess Insurance** of the **Other Insurance** Condition of Section IV – **Commercial General Liability Conditions**:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

- E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specially to that identified additional insured.

F. Solely with respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section **III – Limits of Insurance**:
