

BLUE SMS BOUFFANT CAPS

Technical Data Sheet

Features

24" Blue SMS Bouffant Caps

Comfortable enough for all day wear!

3 layer fabric is a good choice where a dry particulate barrier and fluid resistance is needed.

100% non-woven material (polypropylene) is lightweight, soft, and breathable, with latex-free elastic headband for a snug and worry-free use.

Bouffants are non-linting and highly resistant to tears and punctures.

Bouffants are FDA approved as a hair restraint.

Size: 24".

Packaged 100 blue bouffants to a bag, 25 bags to a case = 2500 bouffants.
