**Empire E280 16" True Blue Combination Square****The E280 includes:**

- 1x Empire E280 16" True Blue® Combination Square

**Highlights:**

- BLADE-LOCK for fast adjustment and secure hold
- Precision Machined Working Surfaces
- DUAL-PITCH Vial for checking 1 and 2 degree slope
- Rational head dimensions
- Cast Zinc Head
- Stainless Steel Blade
- Scriber
- High Visibility Markings

The EMPIRE 16" TRUE BLUE Combination Square (e280) has precision machined working surfaces and a head with rational dimensions for a quick check of common measurements. The square has the BLADE-LOCK self-aligning drawbolt allowing quick adjustments with a secure hold. The DUAL-PITCH TRUE BLUE Vial allows for easy check for level, one-, and two-degree slope. The 16" etched stainless steel blade will not fade over time and has high-visibility markings. The combo square also has onboard storage for a hardened scriber.

**WARNING:** California's Proposition 65**Tech Specs:**

- Brand: Empire Level
- Model: E280
- MPN: E280
