Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes. If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items: 1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien. 2. The treaty article addressing the income. 3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions. 4. The type and amount of income that qualifies for the exemption from tax. 5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 2. For other entities, it is your employer identification number (EIN). If you do not have a number, see **How to get a TIN** on page 2.

Note: If the account is in more than one name, see the chart on page 2 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 2.)

Sign Here	Signature of U.S. person Jennifer A. Martin	Date 8/10/10
-----------	--	---------------------

Purpose of Form

A person who is required to file an information return with the IRS must get your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to give your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

If you are a foreign person, use the appropriate Form W-8. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 30% of such payments after December 31, 2001 (29% after December 31, 2003). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester, or
- You do not certify your TIN when required (see the Part II instructions on page 2 for details), or
- The IRS tells the requester that you furnished an incorrect TIN, or
- The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions on page 2 and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

Vendors may submit electronic bids with no fee for submission by using Central Auction House. Vendors may visit www.purchasing.jeffparish.net for further information and for link to Central Auction House or visit them directly at www.jeffparishbids.net. By submitting a bid, vendor agrees to comply with all provisions of Louisiana Law as well as compliance with the Jefferson Parish Code of Ordinances, Louisiana Code of Ethics, as published on <http://ethics.la.gov> and applicable Jefferson Parish ethical standards.

As per LA R.S. 38:2212(A)(3)(c)(ii), the bid form shall contain Bid Security or Bid Bond, Acknowledgment of Addenda, Base Bid, Alternates, Signature of Bidder, Name, Title and Address of Bidder, Name of Firm or Joint Venture Corporate Resolution or other appropriate signature authorization, if required, Louisiana Contractors License Number, and on public works projects where unit prices are utilized, a section on the bid form where the unit price utilized in the bid shall be set forth; however, unit prices shall not be utilized for the construction of building projects, unless the unit price is incorporated into the base bid or alternates. Other documentation required shall be furnished by the low bidder within ten calendar days after the bid opening. Such documentation shall be supplied as originals (no copies).

All such required information or documentation not provided with the bid must be provided by the low bidder within 10 calendar days after the bid opening (originals only, no copies). Failure to provide said information and documentation within 10 calendar days after bid opening shall be grounds to declare the bid non-responsive. This information and documentation includes, but is not limited to, the Public Works Bid Affidavit, current W-9 Form and Tax Identification number (if currently not registered as a Parish vendor), and proof of insurance. However, the payment and performance bonds must be supplied by the successful bidder upon contract signing.

Louisiana Contractor's License shall be in the following category:
Municipal Public Works, Heavy Construction

Probable Construction Cost: \$ 2,200,000.00

For this project, the Contractor shall not pay any state or local sales or use taxes on materials and equipment which are affixed and made part of the immovable property of the project or which is permanently incorporated into the project (hereinafter referred to as "applicable materials and equipment"). All purchases of applicable materials or equipment shall be made by the contractor on behalf of and as the agent of Jefferson Parish (Owner), a political subdivision of the State of Louisiana. No state and local sales and use taxes are owed on applicable materials and equipment under the provisions of Act 1029 of the 1991 Regular Session – Louisiana Revised Statute 47:301(8)(c). Owner will furnish contractor a certificate form which certifies that Owner is not required to pay such state or local sales and use taxes, and contractor shall furnish a copy of such certificate to all vendors or suppliers of the applicable materials and equipment.

Bidder agrees that this bid shall be good and may not be withdrawn for a period of forty-five (45) calendar days after the scheduled closing time for receiving bids. In the event the Owner issues the Letter of Award (copy of adopted resolution awarding bid by Jefferson Parish Council) during this period, the bid accepted shall continue to remain binding until the execution of the Contract.

Attached hereto is the Public Works affidavit which must be provided by the low bidder as an original (not copy) within 10 calendar days after bid opening. This affidavit must be completed, signed and notarized. Failure to do so will cause bid to be rejected.

Low Bidder will execute the formal agreement and will deliver a Performance Bond or Bonds for the faithful performance of the Contract.

Bid Security, in the sum of five percent (5%) of the total bid price (Base Bid and any Alternates), is to become the property of the Owner in the event the successful bidder fails or refuses to execute the Contract or fails to produce performance and payment bonds upon contract signing. If submitting a bid online, vendors must submit an electronic bid bond through the respective online clearinghouse bond management system(s) as indicated in the electronic bid Solicitation on Central Auction House. No scanned paper copies of any bid bond will be accepted as part of the electronic bid submission.

Further, upon receiving a notice to proceed, the Bidder agrees that all work shall be completed as follows: 360 Contract Days

Further, as per Resolutions 113646 and 113647, the Bidder agrees to pay, as liquidated damages, the sum of \$250.00 as follows for: (1) each consecutive calendar day after the agreed date of completion that the work remains substantially incomplete, or (2) each consecutive calendar day after substantial completion that the work has not been finally completed.

In addition to and not in lieu of the per diem liquidated damages, Owner shall also be entitled to recover from Contractor or Contractor's Surety additional liquidated damages as detailed in Resolutions 113646 and 113647. These additional liquidated damages may include, but are not limited to the following, in the amounts and for each of the items identified in the Supplementary Conditions:

- (1) Extended architectural and/or engineering fees \$ 150.00/hr. ;
- (2) Extended Resident Project Representative fees \$ 720.00/hr. ;
- (3) Extended construction management fees \$ 100.00/hr. ;
- (4) Extended Owner's overhead and personnel expenses \$ 250.00/hr. ; and
- (5) Owner's other costs directly related to the delay in completion beyond the Contract Times.

In addition to liquidated damages, in accordance with Section 6.02, "Labor; Working Hours," whenever Contractor's work requires inspections in excess of the budgeted amount for inspection, Contractor shall reimburse Owner for the additional costs incurred by the Owner with respect to inspection of the contracted project provided the additional costs for inspections are above the budgeted amount for the contracted project.

For this project, the Project Representative Services, in accordance with the terms of the Engineer's agreement with the Owner, provides that the average hourly rate to be charged for resident inspection for this construction project is \$65.00 and the reasonable budget for such inspections is \$10,000.00 (the overtime rates shall be \$78.00 per hour). The cost of inspection in excess of this budgeted amount shall be assessed against Contractor's progress payments, all in accordance with LSA R.S. 38:2216(L)(2).

It shall be the duty of every parish officer, employee, department, agency, special district, board, and commission; and the duty of every contractor, subcontractor, and licensee of the parish, and the duty of every applicant for certification of eligibility for a parish contract or program, to cooperate with the inspector general in any investigation, audit, inspection, performance review, or hearing pursuant to this chapter. Every parish contract and every bid, proposal, application or solicitation for a parish contract, and every application for certification of eligibility for a parish contract or program shall contain a statement that the corporation, partnership, or person understands and will abide by all provisions of this chapter.

**Designation of Construction Contractor as Agent of a Governmental Entity
and Sales Tax Exemption Certificate**

The Parish of Jefferson (hereinafter PARISH), a political subdivision of the State of Louisiana, does hereby designate the following contractor as its agent for the purpose of making sales tax exempt purchases on behalf of PARISH, as provided by, and in accordance with, Louisiana Revised Statute, LSA-R.S. 47:301(8)(c).

Name of Contractor		
Address		
City	State	Zip

This designation shall be effective for purchases of component construction materials, taxable services and leases and rentals of tangible personal property for the following named construction project:

Construction Project	Bid Proposal Number
----------------------	---------------------

The designation and acceptance of agency is effective for the following period:

Beginning Date (mm/dd/yyyy)	End Date (mm/dd/yyyy)
-----------------------------	-----------------------

If the above named Project is completed by Final Acceptance prior to the End Date specified above, this agency agreement shall expire and terminate upon the date of Final Acceptance.

This agency agreement is **strictly limited** to purchases made on behalf of PARISH for the above named Project. Purchases for the named project during this period by the designated contractor shall be considered as the legal equivalent of purchases directly by PARISH. Any materials purchased by this agent shall immediately, upon the vendor's delivery to the agent, become the property of PARISH.

Contractor agrees and acknowledges that although materials purchased by Contractor as the PARISH's agent for purposes of making sales tax exempt purchases become the property of PARISH upon delivery by the vendor to the Contractor, Contractor remains obligated to pay all vendors directly for materials purchased. PARISH shall not be liable for payment for any materials until such time as Contractor delivers the materials to the Project site. Any materials to be delivered to the Project site must be accepted by a representative of PARISH or the Engineer/Architect for the named Project at the time of delivery to the Project site.

PARISH, as principal, assumes direct liability to the vendor for the payment of any property, services, leases, or rentals made by this designated agent which were delivered to the Project site. In the event that Contractor fails to pay a vendor for materials purchased pursuant to this Agreement and PARISH is forced to pay the vendor directly, Contractor shall reimburse PARISH within five (5) days of receiving notice of payment by PARISH. Failure to reimburse PARISH shall constitute a default by the Contractor under this contract.

This Agreement does not void or supersede the obligations of any party created under any construction contract related to this Project, including specifically any contractual obligation of the construction contractor to submit payment to vendors of materials or services for the Project.

Contractor agrees and acknowledges that Contractor is not authorized to delegate this purchasing agency to others. Separate designations of agency by PARISH are required for each contractor or subcontractor who is to purchase on behalf of PARISH. The undersigned hereby certify that this designation is the entirety of the agency designation agreement between them. In order for a purchase for an eligible governmental entity through a designated agent to be eligible for sales tax exemption, the designation of agency must be made, accepted, and disclosed to the vendor before or at the time of the purchase transaction.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity.

and Sales Tax Exemption Certificate**

The Parish of Jefferson (hereinafter PARISH), a political subdivision of the State of Louisiana, does hereby designate the following contractor as its agent for the purpose of making sales tax exempt purchases on behalf of PARISH, as provided by, and in accordance with, Louisiana Revised Statute, LSA-R.S. 47:301(8)(c).

Name of Contractor Boland Marine & Industrial		
Address 1000 Tchoupitoulas Street		
City New Orleans	State LA	Zip 70130

This designation shall be effective for purchases of component construction materials, taxable services and leases and rentals of tangible personal property for the following named construction project:

Construction Project Replacement of Diesel Engines & Rehabilitation of Gears at Elmwood Pumping Station	Bid Proposal Number 50-00114057
---	------------------------------------

The designation and acceptance of agency is effective for the following period:

Beginning Date (mm/dd/yyyy) 11/17/15	End Date (mm/dd/yyyy) 12/31/16
---	-----------------------------------

If the above named Project is completed by Final Acceptance prior to the End Date specified above, this agency agreement shall expire and terminate upon the date of Final Acceptance.

This agency agreement is **strictly limited** to purchases made on behalf of PARISH for the above named Project. Purchases for the named project during this period by the designated contractor shall be considered as the legal equivalent of purchases directly by PARISH. Any materials purchased by this agent shall immediately, upon the vendor's delivery to the agent, become the property of PARISH.

Contractor agrees and acknowledges that although materials purchased by Contractor as the PARISH's agent for purposes of making sales tax exempt purchases become the property of PARISH upon delivery by the vendor to the Contractor, Contractor remains obligated to pay all vendors directly for materials purchased. PARISH shall not be liable for payment for any materials until such time as Contractor delivers the materials to the Project site. Any materials to be delivered to the Project site must be accepted by a representative of PARISH or the Engineer/Architect for the named Project at the time of delivery to the Project site.

PARISH, as principal, assumes direct liability to the vendor for the payment of any property, services, leases, or rentals made by this designated agent which were delivered to the Project site. In the event that Contractor fails to pay a vendor for materials purchased pursuant to this Agreement and PARISH is forced to pay the vendor directly, Contractor shall reimburse PARISH within five (5) days of receiving notice of payment by PARISH. Failure to reimburse PARISH shall constitute a default by the Contractor under this contract.

This Agreement does not void or supersede the obligations of any party created under any construction contract related to this Project, including specifically any contractual obligation of the construction contractor to submit payment to vendors of materials or services for the Project.

Contractor agrees and acknowledges that Contractor is not authorized to delegate this purchasing agency to others. Separate designations of agency by PARISH are required for each contractor or subcontractor who is to purchase on behalf of PARISH. The undersigned hereby certify that this designation is the entirety of the agency designation agreement between them. In order for a purchase for an eligible governmental entity through a designated agent to be eligible for sales tax exemption, the designation of agency must be made, accepted, and disclosed to the vendor before or at the time of the purchase transaction.
