

Based in Decatur, Georgia, with facilities in Las Vegas – Nevada and Houston Texas, Think 360 is a manufacturing company with years of experience on the tradeshow business AND is a Personal Protective Equipment (PPE) supplies provider.

What sets Think 360 apart from the competition?

- Our People
- Performance-Based Processes
- Integrated Solutions Teams
- Client Relationship Management
- Strategic Mix of Technology and Business

### **Core Capabilities**

Our team includes knowledgeable account managers with global industry experience ensuring the marketing message is delivered with full impact. The THINK teams in house staff consists of design, detailing & engineering departments, a full turnkey fabrications shop with custom welding, wood shop, plastics shop, and electrical electronic staff. An OSHA certified warehouse management team with 40 years of experience, estimating and customer service personnel with over 25 years of experience. In addition, our in-house logistic department will ensure global shipping is handled utilizing our global network partners. Think 360 installation teams are both union and nonunion allowing our customers to know that it is being installed by a THINK 360 team member and not a sub-contractor.

## Reusable Face Mask with filter

- Washable Thick 3 Ply-Cotton Black Masks along with 4 replaceable activated carbon filters.
- This mask will help protect you from dust, dander, heavy winds, passive smoke, car exhaust, smog and more!
- Soft, comfortable cotton fabric makes this cover stylish, breathable and easy to wear! The small valve on the mask is made for exhaust of accumulating hot, carbon dioxide inside of the mask as you wear it. Inside, you will find a condensing sheet of rubber that does not allow air flow back into your mask in order to manage the air coming in.
- The adjustable ear loops and a mold-able nose piece make this mask easy to fit for men and women of all sizes.

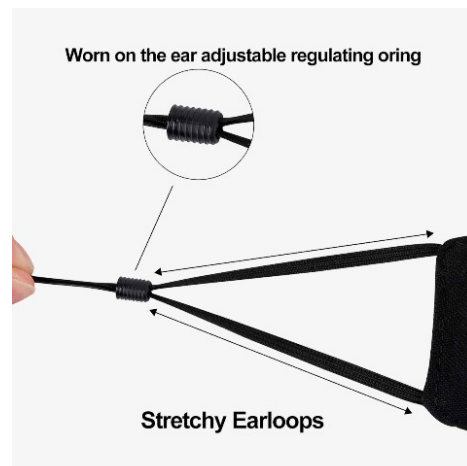

Georgia – Nevada (USA) and Canada  
[www.think360.us](http://www.think360.us)

SINGLE SOURCE. SINGLE RESPONSIBILITY.

## Waterless Antibacterial Hand Sanitizer Gel

**kills 99.9% of germs**

Hand Sanitizer made with 70% Ethyl Alcohol to provide fast, effective protection.

**ultra moisturizing**

enriched with naturally hydrating squalane & aloe vera to keep your hands soft, supple and to lock in moisture. Ideal for sensitive and dry skin.

**dye-free formula**

free from harsh chemicals with a fresh wild poppy fragrance.

### enriched with squalane

#### why squalane?

our 100% plant-based squalane works as a mega-hydrator and mimics your skin's natural hydration. It locks moisture into the skin by sealing the outer layer tight, without being heavy or greasy. super rich from antioxidants it also protects your skin from damaging

#### why we've paired it with our hand sanitizer?

the high alcohol content in hand sanitizers can dry out your skin. adding squalane helps to rehydrate skin and lock in moisture, to condition and protect skin.

Made in USA, our hand-sanitizing product is a safe, effective hand sanitizer produced in accordance with FDA specifications.

### Specifications:

- Effective at eliminating over 99.9% of germs and bacteria

## The Think 360 Difference

We are excited to offer you a broad selection of personal protective equipment available online. In addition to Disposable Face masks and KN95 Protective Masks, we offer Hand Sanitizers, Disposable gloves, Medical Gowns and a host of other supplies to service your needs. While higher quality usually equates to higher prices, as a leader in online supplying of health care devices, we are committed to bringing you personal protective equipment of the highest possible quality, offered at the lowest possible prices. We strive to carry a wide array of products to suit some of the most common PPE protection needs on the market today. All of our products are thoroughly tested and vetted to ensure they are of the utmost quality, and we pride ourselves on providing our customers with complete satisfaction through our technical support service available during the business hours of 10:00AM-5:00PM CST.

Georgia – Nevada (USA) and Canada  
[www.think360.us](http://www.think360.us)

## Why chose Think 360?

At Think 360 Inc, we make purchasing protective equipment as simple as possible. We understand the need for personal protective supplies and make it our top priority to make our customers feel assured of our services. We are here for you and we provide our customers with the most friendly, efficient and knowledgeable customer service possible.

### Quality Customer Service

It's important to have a trusted partner who's always looking out for you. That's why each and every day is dedicated to providing the best service and savings possible to you, our customer. See how we're doing that below.

As we are growing, we realized the growing impacts of our actions and have been committed to several simple principles:

### Protect The Environment

Where possible, we are committed to minimize our impact to the environment. We have and continue to aim to further reduce waste from packaging and shipping.

### Provide Equal Opportunities

We do not allow for any unethical discrimination on the basis of race, gender, sex identity, age, marital status, pregnancy status, mental or physical disability.
