# About American Book Returns

For over 40 years, American Book Returns has led the way in manufacturing top of the line security cabinets. Founded in 1976, American Book Returns prides itself in its' hometown roots. All products are made at our local production facility, in the heart of the midwest, guaranteeing a USA made product.

Our products are all around you. ABR envisions, creates and manufactures a distinct array of products that can be found in Libraries, Pharmacies, Law Enforcement Agencies, City Halls, VFW's and communities all over the United States.

Thousands of customers turn to American Book Returns for innovative solutions across our five market segments: Payment, Book, RX, Ballot and Flag Drops. Features such as soft-close hoppers, notification technology and sight glass keep us a step ahead in our efforts to bring the most equipped security cabinets to exceed the defacto standard.

Our main pursuit is staying committed to our customers by putting them first. Our loyal team works hard to stay accountable and attentive to any of our customers needs. We promise your experience with American Book Returns will be an enjoyable one.

"We are in LOVE with our new book drop. I bragged about it yesterday at our monthly county library meeting. I told them how wonderful (and easy) it was to work with American Book Returns and shared how pleased we are were with the quality of the product. We have already received many compliments."
