There are some Important things to know before purchasing a trailer to make this process go smoothly:
Make sure to have the right size ball for your trailer upon pick up or delivery. 2" or 2 5/16" are our standard coupler sizes. (Yes it matters)
I usually have them available for purchase if you do not have one.
Our pick up address is at the manufacturer 1100 Thompson Drive Douglas, Ga 31535 (NOT GOLF CLUB RD)
Weekend/Night pick up is available but will need to be arranged by 12pm the day before pick up.
Trailers need to be picked up at the manufacturer between 830am-4pm M-F
The best way to contact me is call/text at this number:
