- E. Purchase Of Samples: The Board will buy no samples and will assume no cost incidental thereto.
- F. Samples submitted shall be considered as part of the bid, and no sample can be withdrawn or changed within thirty (30) days after bid opening or until bid is awarded. Bidders wishing to claim their samples can do so once bids have been awarded.

Wherever the name of a certain brand, make, manufacturer, or definite specification is utilized they are used only to denote the quality standard of product desired and they do not restrict bidders to the specific brand, make, manufacturer, or specification names; they are used only to set forth and convey to prospective bidders the general style, type, character, and quality of product desired; and equivalent products will be acceptable.
- B. Should a bidder be awarded a contract to supply one or more items, the exact item described in the specifications must be supplied, unless it was clearly indicated on the bid form that a different item was bided, and the contract awarded on that substitution.

### IV. BID OPENING

The opening of bids will be for reading only. Award of the bid will be made following tabulation and evaluation by the staff for compliance with specifications.
