Re: Labor & Materials Needed to Supply and Install Shade Structures at Parc Des Familles 50-00138455

Enclosed please find our proposal for three new cantilever shade structures.

Bliss Products and Services, Inc. has over 38 years of experience in installing shades such as the ones we are proposing. We have worked with Modern Shade, the shade manufacturer, on this bid to provide the shades. Bliss will be handling the installation.

The bid states that substantial completion should be completed within 30 days of the award. We want to advise the Parish that this timeline is likely not possible due to extended manufacturing lead times. Signed/sealed drawings will take approximately 2-3 weeks. Once those are in hand, the permitting process will be determined upon by the building department. Once the permit is issued, we will be able to begin production on the shades. That will take approximately 8-10 weeks. Installation will begin after that.

Please do not hesitate to contact us with any questions. Should any arise, please contact our Bid Manager, Kristen George. She can be reached via phone at 800-248-2547 or by email at kristen@blissproducts.com.

We look forward to the opportunity to work with you on this project.

Sincerely,

Gregg Bliss
