Principal Driver & Assigned Drivers

For each automobile, the **Principal Driver** is the individual who most frequently drives it.

Each driver is designated as an **Assigned Driver** on the household automobile that he or she most frequently drives.

Your premium may be influenced by the information shown for these drivers.

IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate.
