RE: Supplemental List to Provide Routine Engineering Services for Drainage Projects in Jefferson Parish  
Resolution No. 136765

Dear Purchasing Manager,

Thank you for the opportunity to present our credentials and experience in response to the Request for Qualifications for firms interested in being placed on a Supplemental List to Provide Routine Engineering Services for Drainage Projects in Jefferson Parish. Our enclosed qualification package includes one electronic copy via [www.centralauctionhouse.com](http://www.centralauctionhouse.com) outlining general firm information, company personnel resumes and past project experience for Stuart Consulting Group, Inc (SCG).

During the course of our 17-year history, SCG has obtained vast management and design experience and is currently designing several projects in and around the New Orleans Area, including Jefferson Parish. We possess the staff, qualifications and extensive experience in municipal drainage planning and design and construction management, wastewater and water engineering, parks and recreation planning and design, traffic and transportation engineering and construction management.

At Stuart Consulting Group, we strive to meet and exceed the highest standards and requirements in each and every job for our clients. As a mid-sized engineering and management group, we pride ourselves on the ability to provide exemplary service without the extensive overhead of larger international firms.

We very much look forward to hearing from you and are available to answer questions, comments, or concerns at any time. Thank you for your consideration.

Sincerely,  
**STUART CONSULTING GROUP, INC.**
