All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the advertised bid. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section. Vendors requesting deviation therefrom shall submit such requests in writing, along with compelling substantiation, to the Purchasing Department prior to the bid's due date. Any changes to the insurance requirements will be reflected in the bid specifications and addenda. Prior to contract execution and at all times thereafter during the term of such contract, contractors must provide and continuously maintain all coverages as required by the foregoing Resolutions, and the contract documents. Failure to do so shall be grounds for suspension, discontinuation or termination of the contract.

For bidding purposes, bidders **must** submit with bid submission a current (valid) insurance certificate evidencing the required coverages. Failure to comply will cause bid to be rejected. The current insurance certificate will be used for proof of insurance at time of evaluation. Thereafter, and prior to contract execution, the low bidder will be required to provide final insurance certificates to the Parish which shall name **the Jefferson Parish, its Districts Departments and Agencies under the direction of the Parish President and the Parish Council** as additional insureds regarding negligence by the contractor for the Commercial General Liability, Workmen's Compensation Insurance and the Comprehensive Automobile Liability policies. Invitation To Bid From Jefferson Parish  
Two (2) Year Contract to provide Music Compact Discs for  
Jefferson Parish Library Department  
Bid No.: 50-122294

**Section 1.0 Specifications**

All Music Compact Disc titles can be viewed on Midwest Tape's website ([www.midwesttape.com](http://www.midwesttape.com)) and in our weekly and monthly catalogs. We welcome the evaluation committee's review of our user-friendly website with the following login combinations during the months of March and April:

March: Username: mtemarch18  
Password: JzsgKdSW

April: Username: mteapril18  
Password: UpKkYfHG

Midwest Tape purchases from over 3,000 music studios with over 93,000 unique Music titles available. Our Purchasing and Marketing Department work daily to acquire new studios and titles, adding to our ever-growing database.

Midwest Tape offers Customized Standing Order Plans designed to allow flexibility and support a variety of selection plans for the Library at no additional cost. This service delivers customized selection lists based upon various plan profiles of library collections. Lists are sent as online carts every two weeks or once a month contingent on the criteria enabling the library to edit and select all materials. No automatic orders or shipments are made. The library has complete control over this process; there are NO minimum order requirements or contracts. These carts can be then created in a CSV format list should the library desire.

All high demand Music notifications occur bi-weekly as much as 3-4 months before release date. This enables us to continually increase "on order" quantities with the manufacturers.

The number of plans/profiles is at the discretion of the Library. Midwest Tape will work with the selection staff to prepare and monitor plans/profiles on an ongoing basis. Adjustments, as required, will be done quickly and can be done at anytime.

A single discount profile for our Music offering is provided to the Jefferson Parish Library and is indicated on the required Bid Pricing Form.

All shipments of Music on Compact Discs to the Jefferson Parish Library will be sent free from any shipping charges, regardless of order size.

## Section 2.0 Ordering

We offer several online tools that make ordering fast, efficient and provides for fund codes, collection codes and location information. Our website and order records are available at **no charge**. Midwest Tape is fully compatible with SirsiDynix Symphony to help streamline the creation of order records by adding 9xx tags to the vendor records we offer for download. There is absolutely no charge for either the programming of these tags, or the downloading of the vendor records. Using these robust vendor records for the items populating your Midwest Tape carts eliminates entirely your need to hand-create the order in your system. These electronic orders can be transmitted directly to Midwest Tape via EDI with confirmation of orders the same day. A sample of our free vendor record has been provided in our response as Attachment A.

Midwest Tape's website, [www.midwesttape.com](http://www.midwesttape.com), provides for free, unlimited logins for Jefferson Parish Library's selectors and other designated staff.

Our website provides a feature called the Smart Cart. The Smart Cart allows the user to change, update, and view and sort items from one neatly organized screen. The user has the ability to view title, street date, order numbers, discount prices, list prices, music tracks and any other information necessary to complete their ordering process. Dynamic sorting enables the user to choose multiple ways to view the cart; multiple edits are simple and seamless; view images and descriptions at the cart level. For libraries with multiple branches or libraries managing large carts find this cart option most beneficial.

Our website provides several tools in which to notify our libraries of all new releases to provide the earliest notifications possible. Our Home Page provides an upper scroll of all newly released material, which is sorted by each format we provide, including Music albums.

## Section 3.0 Shipping and Billing Procedures

Jefferson Parish Library will receive Music CD materials with no freight charges assessed, all shipments will be inside deliveries with each purchase order invoiced and shipped separately per the library's requirements.

Midwest Tape uses new boxes for each shipment. Our system is designed to provide the most accurate size box for its contents so that the shipping of material is protected and organized for the library. Recycled papers are used to pack the material to secure the product in place. If multiple box shipments are being provided to the library, each box is marked appropriately so as to alert the receiving department of Jefferson Parish Library of how many boxes to expect within a shipment.

Any box containing the invoice can be marked as such. If the library specifies accounts for particular services such as MARC Records orders, Rush Orders, Non-Processed and Processed product, those boxes are marked appropriately and can be tagged with special labels to provide the expediting of materials for the library.

Every audiovisual item that is sold to Jefferson Parish Library from Midwest Tape is guaranteed for one year against shipping damage and manufacturing defects. Incorrect titles sent in a shipment may also be returned.

The process for your staff is simple: Notify our customer service team, either by phone or email, of a problem within 60 days of the invoice date, we will send a call tag (a UPS label that is prepaid by Midwest Tape) and RMA (Return Merchandise Authorization) form to pick up and return the item at no charge. Replacements are sent to the library as soon as the damaged items are received back at the Midwest Tape warehouse.

Invoices are provided to the library in a number of methods:

- An original invoice can be provided in the shipping carton with the box clearly identified noting the document enclosed. Additional copies (2 or more) of this invoice can be provided at the time of shipment if required by the library.
- Invoices can also be emailed at the time the product is invoiced at Midwest Tape if needed. This invoice is provided just prior to the items being manifested through our UPS system. This allows the library early notification of the shipment to prepare library staff. (We have determined that shipments to Jefferson Parish Library take approximately 2 – 3 business days from the time they leave our single warehouse in Holland, Ohio.)
- Electronic invoicing services are available for our Sirsi Symphony ILS customers, if desired. Our staff would be happy to provide the free set up and support needed to provide this valuable service.
- Invoices can also be accessed on our website should the need arise to reprint a copy of an invoice.

#### **Section 4.0 Discount**

The firm discount profile has been indicated on the Bid Pricing Form as requested.

The Jefferson Parish Library incurs no freight charges for any order placed with Midwest Tape.

#### **Section 5.0 Bid Award**

Midwest Tape understands that the Parish desires to base the award on total price.

The library is provided free access to our website, free customized selection lists, free vendor level records, free ILS integration, free customer support, free industry news and updates along with hassle-free product returns providing a true value to your library.

#### **Section 6.0 Cataloging**

As a founding partner in the OCLC cataloging partnership program, Midwest Tape is able to provide you high quality cataloging at an affordable price for Music titles. Our Full MARC

Records cost **\$1.20\*** per title. They are the same records you would download from WorldCat© for a fraction of the cost. Utilizing this service can save your library time and money by eliminating searching, downloading, and overhead charges.

Every title you order from Midwest Tape will have a corresponding MARC record. Feature films typically are cataloged three weeks prior to street date. With multiple MARC record delivery options (including FTP, e-mail, and shipping your product directly to the branches completely shelf-ready, with full MARC records and barcode linking).

Set up time for the Full MARC Records is approximately 21 business days. A sample of a Full Record has been provided in Attachment **B**.

Record linking charges of \$0.25 per 949 tag apply if linking services are required.

Midwest Tape would like the opportunity to fully explain all Cataloging options with the Library to determine which program would provide the most cost-effective method of MARC Records.

The following staff is available to discuss these options during the evaluation process:

Jeff Clark, Account Executive  
800-875-2785

## Section 7.0 Processing

Midwest Tape can provide the required processing services for the Jefferson Parish Library. We offer digital processing called VIP (Variable Integrated Processing) (see Attachment **C**). The benefits include: perfect label placement every time, deters theft, and it saves the library the expense of creating labels and the labor costs associating with the processing.

Hand-application of vendor supplied RFID disc overlays and tags can be provided and the cost is noted on the Bid Pricing Form.

Midwest Tape can offer a Full Level OCLC MARC Record for \$1.20 per title. Any additional per item charge, in terms of cataloging, are item tag linking service in the 949 tag (or other designated tag location) at the cost of only \$0.25.

Sincerely,

Jeff Jankowski, Vice President  
Midwest Tape, LLC

The music on this Compact Disc was originally recorded on analog equipment. We have attempted to preserve, as closely as possible, the sound of the original recording. Because of its high resolution, however, the Compact Disc can reveal limitations of the source tape.
