Warranty

Please note that this equipment comes with a warranty covering all repairs, parts, and labor for the first 12 months following delivery. The cost of an extended warranty or service agreement for years 2 and 3 are available upon request.

Only Terumo Cardiovascular Systems Authorized Service Representatives are permitted to install electromechanical perfusion systems. The exception to this will be in regard to individual non-system items i.e.: Cooler/Heaters, CDI Blood Gas Monitoring Systems, Centrifugal Systems, and other ancillary equipment. If a hospital representative installs a piece of equipment, the appropriate section of the operator's manual for preparation and setup will apply.

The above listed equipment is non-returnable and non-refundable as it is custom designed for each institution.

A signed and dated copy of this quotation must accompany all purchase orders.
