# IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate.

# SURCHARGES AND DISCOUNTS

AUTOMOBILE RATING PLAN - Applies to private passenger cars only.

Accident-Free Discount - Once your policy has been in force for at least three years with no chargeable accidents, you may qualify for our Accident-Free Discount. Once you qualify, this discount applies as long as there are no chargeable accidents, and may even increase over time.

Good Driving Discount - Newer policyholders who do not yet qualify for our Accident-Free Discount (available after three years with no chargeable accidents) may already be receiving a Good Driving Discount. This discount continues to apply until your policy qualifies for the Accident-Free Discount as long as there are no chargeable accidents and no new drivers. If you add new drivers, they must also qualify in order for your Good Driving Discount to continue.

Chargeable Accidents - For new business rating, an accident is chargeable if it results in \$750 or more of damage to any property. For renewal business, an accident is chargeable if State Farm pays at least \$750 (\$400 prior to

September 15, 1999) under property damage liability and collision coverages for an at-fault accident.

Surcharges - If there are chargeable accidents, you may lose your Good Driving Discount or Accident-Free Discount and receive accident surcharges. But if the accident is the first to become chargeable in nine years and this policy has been in force for at least that long, the Accident-Free Discount will continue and no surcharge will apply. The surcharge for each accident depends upon the number and timing of the accidents, and each accident surcharge will remain in effect up to three years.

Surcharges will be removed if the company is given satisfactory evidence that the driver involved is no longer a member of the household or will not be driving the car in the future. If that driver is insured on another State Farm policy, his or her driving record will be considered in the rating of the other policy.

These discounts and surcharges do not apply to all coverages. For complete details, see your State Farm agent.

# Buying a new car? Remember to contact your agent!

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
  - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

Date 3-10-2021

- An individual who is a U.S. citizen or U.S. resident alien,
- · A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States.
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

The U.S. owner of a disregarded entity and not the entity,
