

The Personal Viewer Account enables the patron to read their checkouts on or offline via multiple devices. In order to see which devices are compatible in this account, the patron can change the view from the magazine cover to the List View and a list can be viewed with compatible apps.

Zinio has over 2,221 magazines in their online catalog and titles and publishers are being added on a regular basis.

Patron can download a free App to their desktop or mobile device to view the magazine issues offline after downloading the issue to the App. Direct links to the Apps may be found on the "My Library" screen in the Zinio.com Personal Viewer Account or through your Apps stores.
