#### Free Standing Display Case Provides Maximum Exposure in Retail Stores

Merchandisers utilize the open design of this freestanding display case to increase product visibility in any retail environment. With a high-end, frameless, design this glass showcase features quality construction at an affordable price point. This frameless fixture maximizes exposure by enabling customers to view merchandise from all multiple angles without aluminum or wooden edges obscuring their view. Small aesthetic choices such as utilizing these freestanding display cases will improve the overall ambiance of any business. Retailers, schools, and various other businesses use these fixtures to showcase trophies, antiques, electronics, and high-end specialty products.

We use shatter-resistant tempered glass in the construction of our display cases, which will break into rounded pieces if an accident does occur. Small metal connectors hold the glass panels and shelving together, removing the chance of obstructing product views. This model features sliding doors with a lock and key system as well as bottom loading storage cabinets. Each glass showcase ships unassembled, saving customers money on shipping cost. Assembly is quick and simple. Typically two adults can unpack, build, and make this display ready for the sales floor in 25 minutes or less.

- (4) 6mm Thick Tempered Glass Shelves
- (9) LED Lights: (3) Ceiling, (6) Side
- Locking Swinging Door with Sliding Channels
- Mirrored Bottom & Locking Storage
- Ships Fully Assembled

## Description

### Black Display Case with Mirrored Bottom Features LED Lights

The black display case with mirrored bottom is great as a lobby or exhibit cabinet for presenting memorabilia. An enclosed base storage featured with the showcase area keeps curio hidden from unwarranted tampering by sliding channel locks. The locking crystal clear glass display case is fabricated from beautiful green edged tempered glass, anodized black aluminum and melamine for a sound and sturdy fixture. Adjustable feet allow leveling on uneven surfaces to keep the memorabilia inside steady and surfaced. (4) Crystal clear shelves are illuminated by (9) LED lights including (3) ceiling and (6) side spotlights featured inside the display case. A mirror on the base radiates from the bulbs for glamorous lighting and shadowing effects.
