

RELIABLE INVESTMENTS LLC

CORPORATE FACTS

Reliable Investments LLC is a procurement and supply chain management company as well as a value-added diversified wholesale distributor serving the industrial, commercial, energy, power, utilities, electrical, transportation, construction and medical markets by working closely with various municipalities, states, federal agencies as well as corporations to fulfill their procurement and supply needs. In conjunction with our partners, we also offer field engineering, installation, repair, calibration and rental services. We offer a one-stop shop solution for all your procurement and supply needs. Our prompt and efficient service to customers is the #1 reason we partner with so many companies and can offer such extremely competitive pricing with great customer service. Our goal is to become one of the nation's leading suppliers to the federal, state, municipal entities as well as private corporations in the US and globally.
