Any person or organization that is an owner or manager of real property or personal property on which you are performing ongoing operations, or a contractor on whose behalf you are performing ongoing operations, but only if coverage as an additional insured is required by a written contract or written agreement that is an "insured contract", and provided the "bodily injury" or "property damage" first occurs, or the "personal and advertising injury" offense is first committed, subsequent to the execution of the contract or agreement.	All locations at which the Named Insured is performing ongoing operations.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance**:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate.

Re: Jefferson Parish Fire Department Fire Station No. 12
Proposal No. 50-129053

To Whom It May Concern,

Our firm, Arthur J. Gallagher Risk Management Services, is the insurance representative of APC Construction, LLC. We have reviewed the insurance requirements with APC Construction, LLC and they have asked us to write you. The insurance specifications require Certificates of Insurance for all coverages. Owners & Contractors Protective and Builder's Risks are required. We cannot issue Certificates of insurance until coverage for these two policies are bound. We can tell you that once the contract is awarded to APC Construction, LLC that both coverages can be bound immediately. The cost of this insurance is included in the APC Construction, LLC bid.

If you have any questions regarding this, please do not hesitate to contact us.

Sincerely,

Matthew W. Byrd, CIC, CRM, CLCS
Area Vice President
