RE: **Bid No.: 50-00113573, Auctioneering Services**
Proposal Submission Due: 7/23/15, 2:00 PM

Dear Ms. Camardelle:

ServCorp International, Inc. is pleased to provide this proposal to demonstrate our ability to perform on-site auctioneering services according to the requirements of the Invitation to Bid #50-00113573. ServCorp International, Inc. (hereinafter referred to as ServCorp) wishes to enter into a contract with the Parish of Jefferson, Louisiana, to provide auctioneering services for the purpose of liquidating the Surplus Property for the Surplus Division of the Department of General Services. This proposal is being submitted to the Purchasing Department, Suite 4400, Jefferson Parish General Government Building, 200 Derbigny Street, Gretna, LA 70053.

ServCorp and our previous company, Sencore Inc./Sencore Auction Service, have engaged in auction services with local, state and national governmental agencies for more than 25 years. Some of these auctions include Jefferson Parish, City of Slidell, City of Covington, City of Kenner, St. Tammany Parish, the City of Mandeville, St. Bernard Parish Government, St. Tammany Parish Sheriff's Office, New Orleans Regional Transit Authority, United States Bankruptcy Court and others. During the course of our previous contracts with various governmental agencies, many single auctions brought in an excess of \$100,000. In the past few years, we have encouraged municipalities to offer items more frequently to reduce carrying costs and overhead, thus some of the auctions no longer reach the \$100,000 threshold due to a reduced inventory offered more frequently throughout the year. We have the expertise needed to conduct these auctions in a professional and orderly manner. We shall obtain all data, furnish all services and materials required to fully operate in a timely and efficient manner and provide the Auctioneering Services for Jefferson Parish.

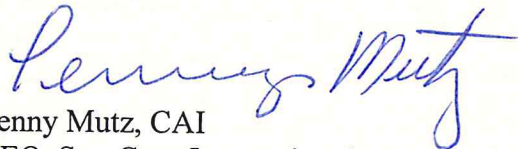

Any successful auction requires marketing, advertising and promotion to achieve the best results. Attached are sample auction catalogs, fliers and copies of trade publications from previous auctions that have been conducted within the past few years, including government agencies. We realize and understand that the requirements for Jefferson

Parish is to have advertising and auction brochures with *only* Jefferson Parish property to be auctioned, and that these samples are to demonstrate the quality of our work.

We have submitted a Surety Bond for \$2,000 (Two Thousand Dollars) with this Invitation to Bid. We currently have in place bonds and insurance for the US Bankruptcy Court and other government and private entities similar to those listed previously in this letter. Any additional insurance or bonds as requested or required in this Invitation to Bid will be obtained upon notification of our successful bid. We have read and understand the Instructions for Bidders and General Conditions, including the Additional Requirements, as stated in the Invitation to Bid.

We thank you in advance for allowing us the opportunity to participate in this Invitation to Bid for Jefferson Parish and look forward to doing business with you again.

Respectfully Submitted,

Penny Mutz, CAI
CEO, ServCorp International, Inc.

plan to request that titles be transferred into the name of a company, corporation or partnership. Buyers will also be informed that there is no exception to this rule.

SECTION 5.0 – ON-SITE AUCTION CATALOGS & FLIERS

ServCorp will prepare, print and mail a minimum of 500 auction mailers/fliers to a prepared list of prospective buyers at least three (3) weeks prior to the auction. The list will be generated by the auctioneer with the assistance from Jefferson Parish. These mailers/fliers will include a list and pictures of the items to be offered for sale. The mailers/fliers will also include the date, time, location and any other information the Parish requires along with the auctioneer required information. These mailers/fliers will only pertain to the Jefferson Parish auction and under no circumstance will they include any items for any other auction other than that of Jefferson Parish. These mailers will be two sided color 8 ½" X 11" containing a minimum of 25 images on one side and a list of equipment being auctioned. A proof of the mailer will be provided to the General Services representative for approval prior to going to print and distribution.

These invoices shall be prepared and furnished to the Parish as each buyer checks out his/her items during or after the completion of the auction. One (1) copy of the invoice shall be given to the Parish and two (2) copies shall be given to the buyer. ServCorp will also retain another copy for the work file. No items may be checked out until they are paid for in full.

ServCorp will provide adequate personnel to distribute all items purchased at the auction until all items have been collected and paid for by each buyer. ServCorp will be responsible for calling all buyers and arranging for all items paid for to be removed from the auction premises no later than 3:00 p.m., the Wednesday following the auction. Any items left after this time will be considered abandoned, unless the purchaser has made special arrangements with the auctioneer & Jefferson Parish Representative for additional time.

SECTION 11.0 – GENERAL RESPONSIBILITIES OF THE AUCTIONEER

ServCorp will be responsible for the collection of payment on, and the distribution of, all items sold at the auction.

ServCorp will not be responsible for items that do not sell during the auction, nor shall the Parish of Jefferson be responsible for payment of fees to ServCorp for unconsummated sales. All unconsummated sale items, if any, shall remain the property of and in the possession of the Parish of Jefferson.

ServCorp will provide and submit proof of all sales and receipts to the Jefferson Parish Property Manager at the end of the auction day.

SECTION 12.0 – MANNER OF PAYMENT

At the end of the auction day, ServCorp shall issue its check to transfer a sum equivalent to the total of all sales consummated at the auction to Jefferson Parish.

Should ServCorp choose to accept credit card payments for any sale made at the auction, the credit card payment will be equal to the auction sale price and ServCorp will not be entitled to add additional charges to buyers using credit cards as a form of payment.

Jefferson Parish General Government Building
Department of General Services
200 Derbigny Street, Suite 3300
Gretna, LA 70053

Once the invoice is submitted to Jefferson Parish, the invoice for services rendered should be paid within thirty (30) days.

SECTION 13.0 – QUALIFICATIONS

ServCorp has held the Jefferson Parish General Services Surplus Auction for the past (4) four years and therefore has the experience necessary to perform the type of work matching scope in complexity as described in these specifications.

ServCorp has a history of holding at least five (5) governmental auctions per year for a minimum of at least five (5) years, where the proceeds exceeded \$100,000. In April of this year, our auction proceeds were in excess of \$600,000.

ServCorp has conducted auctions for the City of Kenner, City of Slidell, City of Mandeville, The Greater New Orleans Expressway Commission, City of Covington, The United States Bankruptcy Courts & various other government entities. ServCorp conducts additional auctions throughout the year for other consignors that also include government surplus. A lot of these agencies have realized that it is more efficient to sell their assets more often throughout the year, rather than to have one big auction each year or every other year. By utilizing smaller auctions more often, they do not incur the cost of storing the assets and they turn surplus into liquid capital more quickly.

ServCorp has four (4) experienced and licensed auctioneers available for the auctions, who will alternate as relief auctioneers as necessary. The lead auctioneers will be Bradley Mutz, President of ServCorp and Penny Mutz, Certified Auctioneer and bid calling champion. Bradley Mutz, GPPA, has been licensed in Louisiana since 2001 and in Mississippi since 2009. Penny Mutz, CAI, has been a licensed auctioneer in Louisiana since 1985 and Mississippi since 2011, and has been an auctioneer since before the Louisiana Auctioneer Licensing Board was formed. Charles Mutz has been a licensed auctioneer in Louisiana since 1986. Ariel Mutz has been a licensed auctioneer in Louisiana since 2010. Auction licenses are as follows:

Bradley Mutz, GPPA, LA 1467-15, MS 1238/1239F
Penny Mutz, CAI, LA 655-15, MS 1319, LA & MS Real Estate Broker
Charles Mutz, SME, LA 748-15
Ariel Mutz, LA 1751-15

Should ServCorp be the apparent low bidder, ServCorp will provide a mailing list within ten (10) days after the bid is accepted, for review by the Parish of Jefferson.

Included in this Invitation to Bid are auction fliers/mailers, copies of auction catalogs and trade publication ads from previous auctions conducted by ServCorp.

ServCorp agrees to defend, indemnify, and hold harmless, the Parish of Jefferson and its respective officers, agents, and employees from and against all damages, claims, losses, demands, suits, judgments, costs, including reasonable attorney's fees and expenses arising in whole or part out of and resulting in whole or part from any auction by the auctioneer, his/her agents, or employees, regardless of whether it is caused in whole or part by the Parish, or its officers, agents, or employees.

ServCorp possesses auctioneers licenses as required by the Louisiana Auctioneers Licensing Board to conduct auctions for and in the Parish of Jefferson and the State of Louisiana in accordance with current statutes.

Bradley Mutz will be the dedicated Customer Service Representative for the Parish of Jefferson. He will work closely with the Parish representative to prepare, conduct and conclude a very successful auction each time. He will be assisted by Yvette M. Mutz, Manager and Richard Van Etten, Asset Manager, who will be responsible for assisting in preparation for the auction items until the scheduled auction date and assisting in the conclusion of the auction.

ServCorp will obtain bonding in favor of the Parish of Jefferson in the amount equivalent to the anticipated gross sales proceeds for each sale or \$125,000.00, whichever is greater. ServCorp will provide the name of the bonding agent, coverage limits, and submit a copy of the bond to the Department of General Services two (2) weeks prior to auction date. ServCorp has provided this for the past (4) four years.

ServCorp will write the auctioneers license number on the outside of the envelope bid package. A copy of all auctioneers licenses are provided in this bid package.

SECTION 14.0 – CONTRACT AWARD

The Department of General Services will accept the bid which represents the lowest percentage in which the auctioneering company will represent as cost for services.

SECTION 15.0 – TERMINATION PROVISIONS

This agreement may be terminated by the Department of General Services, or its designee, with or without cause, upon thirty (30) days written notice. When one party to this contract in good faith has reason to question the other party's intent to perform, he/she may demand that the other party give written assurance of its intent to perform. In the event that a demand is made and assurance is not given within seven (7) working days, the demanding party may treat this failure to respond as an anticipatory repudiation of the contract.

SECTION 16.0 – TERMINATION PROCEDURES

When a change in auctioneers occurs, the outgoing auctioneer will furnish the incoming auctioneer with a complete copy of the latest mailing list sent to prospective buyers of Parish equipment.

SECTION 17.0 – RESPONSIBILITIES OF THE PARISH OF JEFFERSON

The Parish will contact ServCorp to review the specifications and determine an auction date a minimum of eight (8) weeks prior to the auction.

The Parish of Jefferson will provide the site for the auction.

The Parish of Jefferson will make available to ServCorp, or its representative, all items to be offered for sale at the auction in a minimum of five (5) weeks prior to the date of the auction.

The Parish of Jefferson will arrange the items for sale in specified lots with the advice from ServCorp. ServCorp recommends selling the high dollar items within (1) one hour of the start of the auction. Our many years of experience has proven that selling the vehicles and heavy equipment i.e. "outside items" first will bring a higher dollar value and will allow title/paperwork to be completed in a timely manner. This will also allow buyers time to go to the bank before noon if necessary.

ServCorp will determine the minimum bids, but the Parish of Jefferson reserves the right to set minimum acceptable bids on certain items prior to the auction. ServCorp will need any minimums set by the Parish of Jefferson to be in writing, as per the requirements of the Louisiana Auctioneers Licensing Board in time for noting that an item is subject to reserve.

The Parish of Jefferson will furnish a notary to consummate all sales of property.

The Parish of Jefferson will provide one (1) on duty mechanic on the day of the auction.

The Parish of Jefferson will provide at least five (5) laborers on duty the day of the auction.

The Parish of Jefferson will arrange for a Sheriff's Deputy to be with ServCorp personnel during collection and transfer of funds to the Parish representative. ServCorp will be required to pay for the Sheriff's Deputy. ServCorp will contact the Jefferson Parish Sheriff's Office-Public Assignment Division at 504.363.5500 for pricing. The Sheriff's Deputy will be required for the duration of the auction on the day of the auction.

The Parish of Jefferson will provide restroom facilities at the auction site.

The Parish of Jefferson will provide all other services not specifically required by the auctioneer and stated herein.

The Parish of Jefferson will either provide personnel to assist potential bidders to start the vehicles/equipment on the two inspection days or will provide the keys to ServCorp personnel to help assist potential bidders on the two inspection days.

The Parish of Jefferson General Services will provide photos of any offsite items to ServCorp along with information regarding a predetermined inspection of the items or will allow access for ServCorp to be able to photograph any offsite items.

SECTION 18.0 – SUBMISSION OF BIDS

The bid will reflect only a flat rate percentage of commission that will apply to the gross proceeds collected from each auction. Bids received that do not include this provision will be rejected as non-responsive.

ServCorp is bidding 4.15 percent of the gross proceeds for a Two (2) Year Contract for On-site (Live) Auctioneering Services for Surplus Property of the Jefferson Parish Department of General

~~Services as per the specifications outlined in the Invitation to Bid. There will be no Buyer's Premium or additional advertising costs or fees charged.~~

SECTION 19.0 – SPECIAL INSTRUCTIONS

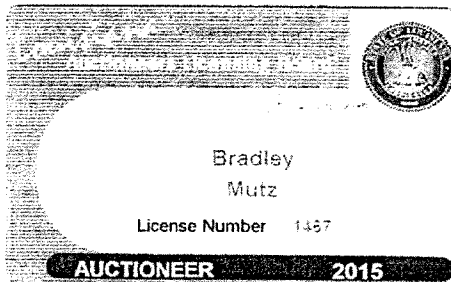

Under no circumstance will ServCorp, or any of its members or staff or associates, bid on any items for sale at the auction.

Parish employees will be prohibited from collecting auction proceeds. All auction proceeds will be collected by ServCorp.

SECTION 20.0 – PERMITS

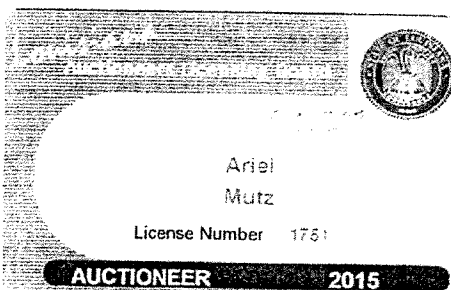

All permits are the responsibility of ServCorp and will be obtained, if not already in place, prior to the start of the auction for Jefferson Parish General Services. Currently ServCorp holds State of Louisiana Auctioneer Bonds, Bankruptcy Bond for the Eastern, Middle and Western District of Louisiana, Sales Tax Registration for Jefferson Parish and other parishes that we conduct auctions in, General Liability Insurance, Workman's Compensation Insurance and other required bonds and insurance for various entities.

HISTORY AND EXPERIENCE OF THE COMPANY

Penny Mutz and the late Tim Mutz opened Sencore Incorporated in 1976 specifically for the purpose of auctioning vehicles and equipment for insurance companies, municipalities, special interest groups and others. Soon the company had contracts with the City of New Orleans to auction abandoned vehicles and surplus properties, including heavy equipment, dump trucks, fire engines as well as government owned vehicles. As the popularity of Sencore grew, the company added the auction of surplus equipment of all types in Southern Louisiana for the oil patch. When the economy took a down turn thereafter, the bankruptcy courts took notice, and Sencore was auctioning surplus equipment of all types throughout Louisiana and neighboring states.

Penny Mutz is a member of the Louisiana Auctioneers Association and the National Auctioneers Association. In 1989, Tim and Penny Mutz attended the Certified Auctioneers Institute at Indiana University and received the "CAI" Certified Auctioneer Designation. In 1999, Penny Mutz received the honor of Bid Calling Champion of the joint Louisiana and Mississippi Auctioneers Associations. In 2011, Penny was inducted into the Louisiana Auctioneers Association Hall of Fame.

In 1991, Sencore Inc. was split into two companies, ServCorp International, Inc. for auctions and appraisals of movables and Sencore Properties for real estate brokerage and appraisals. ServCorp Int. Inc. continued to grow as the company relocated from New Orleans East to Slidell. The company continues to auction movable and immovable property throughout the country, either on-site or at the office location where there are four warehouses, fenced yards, night-lights and security cameras.

Some of the auctions that have been held for municipalities and government agencies are: Jefferson Parish, St. Bernard Parish Government, City of New Orleans, Port of New Orleans, and the U.S. Bankruptcy Courts, Small Business Administration and others as previously listed in this Invitation to Bid. Auctions have also been held in the state of Oregon for the U.S. Coast Guard, in Florida for the FDIC, in West Virginia and Minnesota for private corporations. ServCorp is truly an international company, as buyers and sellers have participated from throughout the United States and the world.

ServCorp is a family owned corporation, now owned by Penny Mutz and her sons, Charles "Chuck" Mutz and Bradley Mutz, both licensed auctioneers in Louisiana. Bradley Mutz is also licensed in Mississippi. When Tim Mutz passed away suddenly in 2006, Bradley Mutz was elected President of the company, and his wife, Yvette Mutz was promoted to Manager. Yvette has achieved the designation of Auction Administrator through the National Auctioneers Association. Bradley and Yvette attended the Graduate Personal Property Appraisal class at the National Auctioneers Association in San Diego, CA and in 2007 received the GPPA designation. In June of 2010, the third generation auctioneer, Ariel Mutz, completed auction school at the Texas Auction Academy and received her auctioneer license shortly thereafter. Her recent education brings to the company the latest in technology and business training.

The Mutz family has been in the auction business for more than 40 years. All family members have been involved in every phase of the auction business, from setting up for the sale, clerking the sale, assisting in cash out, and finalizing the last payment and process verbal and pay out to the client. Whether the auction is at the ServCorp facility, on site at the seller's place of business, or over the internet, the staff at ServCorp International has the experience and training to do the very best that can be expected to return the highest dollar for the assets to be sold.

RE: Letter of Recommendation – ServCorp International, Inc.

To Whom It May Concern,

ServCorp International has conducted the City of Slidell's public auction of surplus property for several years. I would highly recommend any public agency to use their services. The city also used ServCorp for an independent appraisal on a fuel truck this year; the report was thorough, concise and cost effective.

ServCorp's staff is very professional and knowledgeable in the auctioneer profession. The level of degree of expertise that they maintain no doubt directly results in productive and successful sales, while adhering to the mandated guidelines established by the state for surplus property.

The service they provide is also a turnkey operation. Prior to sale day their administrative staff inspects the property, advertises the sale, and sends a mail out notification to a huge database of subscribers. On the day of the sale their staff collects the funds from the buyers, issues bills of sale, notarizes titles and documents and lastly, provides a final detailed computerized sales report on auction day. Their service stretches well beyond the auction process alone. The only requirements of city personnel on auction day are observation and some brief logistical coordination. I strongly believe that the high quality of service they provide is a great benefit to the City of Slidell and is, in our case a reliable local asset.

Please contact me if you have any specific questions concerning ServCorp International, Inc.

Thank you, I remain,

Robert A. Vogt
