Scope of proposal

- 1) The price includes a visual inspection of the existing roof top lightning protection system on the District Attorney's Building, Second Parish Court, Thomas F. Donelon Courthouse, General Government Building, Central Plant, Joseph S. Yenni Building & Thomas C Laughlin Jefferson Senior Center. The visual inspection consists of evaluating the integrity of the lightning protection on each roof level, roof top equipment and various conductor connections. A detailed report of findings with photographs, locations and descriptions will be provided upon completion. No work is included on the system.
- 2) If no variations are found, we will provide a Bonded Lightning Protection Certification stating the systems complies with lightning protection standards as written by the National Fire Protection Association, Underwriters Laboratories, Inc., the Lightning Protection Institute.
- 3) If variations are found, a repair quote will be provided. Upon completion of the repairs, we will provide a Bonded Lightning Protection Certification stating the work performed complies with lightning protection standards as written by the National Fire Protection Association, Underwriters Laboratories, Inc., the Lightning Protection Institute.

Bonded Lightning Protection Systems standard terms and conditions of sale apply and are incorporated by reference as part of this quotation and any work resulting from this quotation. If submittals are provided, Bonded will invoice for work performed. Should you need a copy, please call 800-950-7933 or visit our website (www.bondedlp.com).
