Features

Details

Fractional Sure-Start Step Drills - Premium Swift Bore®

Carded

- Premium Swift Bore® High-Speed Molybdenum Steel - Heavy-Duty. Wear resistant against high temperature and abrasion.
- Precision Ground, Bright Finish
- Hole Sizes 1/4, 5/16, 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4"
- For metal, wood & plastic drilling
- Sure-Start point, fast penetration and accurate self centering
- Produce perfectly round burr-free holes in materials up to 1/8" thick.
- 9 conventional drill sizes on one bit.
- Lobular shanks won't slip in the drill chuck.
- Sizes are laser marked on the bit for easy hole size identification.
- Cone shape of the bit adds strength so there is no flexing of the bit while drilling.
- Economical and practical for electricians, auto mechanics, sheet metal workers, and general contractors.
- Shank Size 3/8"

**Premium
Swift Bore®**

**Hi-Molybdenum
Steel**

Tri-Lobe
Shank
