-----	-------------	------------	----------------

1	Pelco VideoXpert Core Media Gateway - Gateway	\$11,410.00	\$11,410.00
---	---	-------------	-------------

2	Pelco VideoXpert Storage Server E-Series - Video Storage Appliance	\$73,805.00	\$147,610.00
---	--	-------------	--------------

Enterprise, Scalable Performance for Video Processing and Archiving  
 Benefit from scalable storage performance and video processing with this Enterprise server. This 2U platform brings you scalability and performance to adapt to a variety of the most demanding and process intensive video surveillance applications.

Up to 216TB of raw storage allows for long term video storage and archiving. Paired with the latest Intel® Xeon® Scalable processor, this provides high density storage with Enterprise throughput for the most demanding applications.

Better performance is provided with dual SSDs for accelerated boot and application load times. Remote management, provided by iDRAC, allows for constant system status and critical resource monitoring. RAID 6 storage, in addition to redundant 1100W power supplies, provide system reliability and high availability, while a five-year, on-site, next business day, Keep Your Hard Drive warranty, ensures peace of mind.

1	VXS RAID STORAGE SVR 96TB	\$54,022.00	\$54,022.00

14	C2G 6ft 8K DisplayPort Cable - 4K to 8K DisplayPort Cable - M/M - DisplayPort for Notebook, Monitor, Audio/Video Device - 6 ft - 1 x DisplayPort Male Digital Audio/Video - 1 x DisplayPort Male Digital Audio/Video - Black	\$17.99	\$251.86
----	--	---------	----------

Match your productivity and efficiency in the office while you work from home. This DisplayPort Cable is the perfect solution for connecting a DisplayPort monitor to a DisplayPort laptop in your home or your office. This cable carries a digital audio/video signal, supports up to a 8K resolution and meets the requirements of high performance applications. The high resolution digital audio/video signal of this cable

Qty	Description	Unit Price	Extended Price
-----	-------------	------------	----------------

allows for exceptional sound and crisp, clear content. The connectors feature latches which secure the cable firmly in each port of the computer and the connected monitor. The support of a High Bit Rate (HBR) bandwidth means that this cable can carry up to a 8K UHD (7680 x 4320) resolution for extreme high-definition performance. More from the Manufacturer

**ADDITIONAL COMMENTS:**

*Quote is for Re-using all existing cameras  
 Quote exludes any additional Cameras  
 Quote excludes any network configurations  
 Quote only includes hardware quoted per RFP  
 Quote only includes labor quoted per RFP  
 Quote is based on end users IT to provision VLAN and work with engineers as neccessary for setup*
