LAFAYETTE PARISH SHERIFF'S OFFICE
P.O. DRAWER 3508
LAFAYETTE, LA. 70502

SPECIFICATIONS AND BID FORM FOR (25) or More RIFLES

Sealed bids will be received until 10:00 a.m. Friday August 3, 2018, at the Lafayette Parish Sheriff's Office, 416 West Main Street, Lafayette, Louisiana for rifles. All bids shall be submitted in a sealed envelope clearly marked "Sealed Bid for Rifles". Bids may also be submitted electronically at:

<http://www.centralauctionhouse.com/parishes/lafayette.html>

Vendor agrees to maintain adequate inventory of items bid with the ability to fill orders on a walk-in basis.

In accordance with RS38:2212, whenever a brand name is used, it is used only to denote the quality standard of product desired and the Lafayette Parish Sheriff's Office does not restrict vendors to the specific brand, make, manufacturer or specification named. It is used only to set forth and convey to prospective vendors, the general style, type, character and quality of the product desired; equivalent products will be acceptable.

The quantities indicated below are estimates. The actual quantities purchased may vary.

This bid will be awarded based on the total bid price of all items specified.

The bid prices shall be valid for all quantities required for a period beginning August 3, 2018, and ending August 2, 2019.

Bids are being requested on the following:

THE EOTECH PRESTIGE WARRANTY

Thank you for choosing EOTech for your new purchase. We understand your passion for shooting and your reliance on products that will provide years of dependable use. That is why we offer a 10 year limited EOTech Prestige Warranty*, as described below. Should you experience a problem with your EOTech product, we will do the following to make it right for you.

With the EOTech Prestige Warranty, we warrant that your Holographic Weapon Sight or Magnifier product will be free from manufacturing defects in material and workmanship (including electronics) under normal use for a period of ten (10) years from the later of (i) customer's proof of the first purchase of the new product from an authorized commercial seller of EOTech products or from EOTech directly, or (ii) manufacturer's date/serial number (as specified on the product).

EOTech will, free of charge and as determined by EOTech, either repair or replace your product with a comparable product for the first five (5) years. From five (5) to ten (10) years, EOTech will, at the customer's request, evaluate and repair any and all defects in material and workmanship for a seventy-nine dollar (\$79.00 USD) bench fee. This warranty extends to subsequent owners to the remaining extent of the original owner's warranty. We do this because we want you to be as confident in your purchase as we are in the quality of our product.

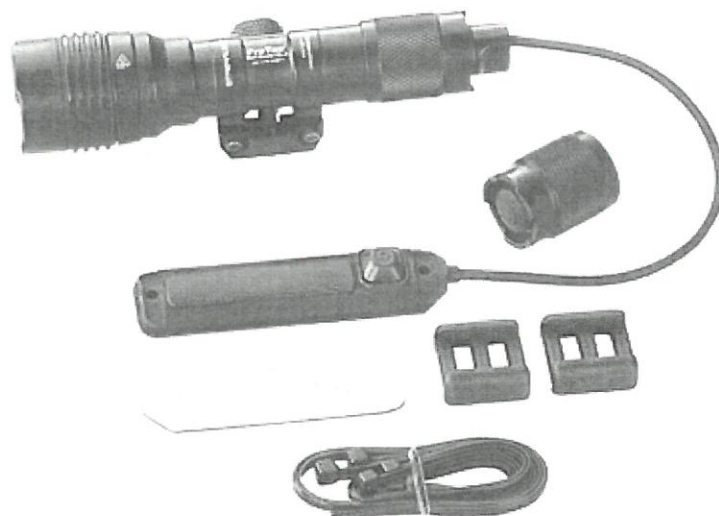

Battle Steel Quick Adjust 2-Point Slings

Streamlight ProTac Rail Mount HL-X

Programmable Weponlight 1000 Lumens

The ProTac Rail Mount HL-X is a 1,000 lumen weapon-mounted light featuring a dedicated fixed-mount for Picatinny rails. It uses either a remote switch with momentary/constant on operation or a standard push-button tail switch, and run on either two CR123A lithium batteries or one Streamlight rechargeable 18650 battery.

TEN-TAP® Programming - choice of three operating modes:

- 1.) High/strobe; 1000 lumens; 22,000 candela; 297m beam; runs 1.25 hours
- 2.) STROBE: Strobe for signaling or disorienting; 3.25 hours
- 3.) Low/highLow: 65 lumens; 2,000 candela; 89m beam; runs 23 hours

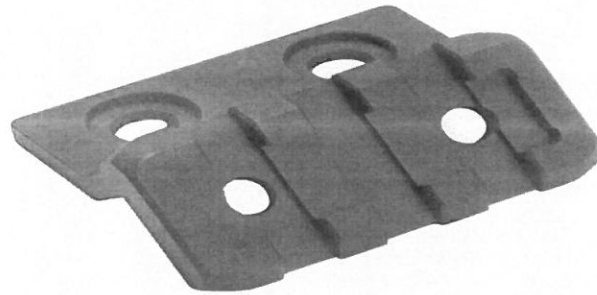

- Remote pressure switch features momentary and "constant on" operation
- Fixed rail grabber with thumbscrew easily attaches to Picatinny rails (no tools required)
- Includes remote pressure switch, push-button tail switch, remote retaining clips, double-sided tape and zip ties
- Uses two CR123A lithium batteries (included) OR or one Streamlight 18650 lithium ion rechargeable battery
- Durable, anodized aluminum construction with impact-resistant tempered glass lens

DEMO UNITS AVAILABLE UPON REQUEST

- IPX7 rated with the Standard button switch installed; waterproof to 1 meter for 30 minutes.
- IPX4 rated with the Remote Pressure Switch installed
- Operating temperature: -40°F to +120°F
- Limited lifetime warranty
- RoHS compliant

M-LOK® Offset Light/Optic Mount, Aluminum

Product Details

The M-LOK Offset Light/Optic Mount, Aluminum provides the user with an ambidextrous platform to mount weapons lights or optics at both the 11 and 1 o'clock positions on M-LOK compatible hand guards and forends. Machined from milspec-anodized aluminum,

this mounting solution features beveled ends and corners to reduce snagging and sharp edges. The Offset Light/Optic Mount allows for the direct attachment of the Surefire® M300/600 series of Scout Lights® or other MIL-STD-1913 Picatinny light and optic mounts. The optional Magpul Light Mount V-BLock and Rings can also be used to attach hand held lights with a diameter from 0.75 to 1.03 in. All hardware necessary for attachment directly to M-LOK Slots on either aluminum or polymer hand guards and forends is included.

Made in U.S.A.

Specs:

- For use with M-LOK compatible hand guards and forends
- Positions light or optics at either the 11 or 1 o'clock positions
- Machined from mil-spec anodized aluminum
- Four slots allows for attachment of MIL-STD-1913 Picatinny light and optic mounts
- Surefire® M300/600 series of Scout Lights® may be directly attached
