Re: Bid No. 50-00116251 for a two (2) year contract for a supply of Concrete Storm Drain Culverts.

The above referenced bid opened on May 3, 2016. The deadline for award is June 17, 2016, which is the 45th day from bid opening. Please find attached copies of bids submitted and the bid tabulation for your review and recommendation. Once you have made a recommendation for award, please forward a copy of the blank resolution routed for placement on the Council agenda to sduffy@jeffparish.net or you may fax it 504-364-2693.

Pursuant to LA R.S. 38:2215 and more specifically, Jefferson Parish regulations:

All bids must be awarded or rejected within 45 calendar days from the date of bid opening. Therefore, if award (or rejection) will be made outside of the 45th day, then both low bidder and Jefferson Parish may mutually consent in writing to extend the deadline for award.

You must forward a copy of this written extension to Purchasing to the email address or fax number provided above. A sample of the extension letter has been posted on the Parish Intranet – Purchasing– Purchasing Bid Forms or you may also access it in the Purchasing Public Folder in Outlook.

In the event it is deemed the best interest of Jefferson Parish to split an award among vendors, please notify me at the above contact information so that all required affidavits are obtained within the regulated amount of time allotted for each vendor to provide them.

Dear Customer:

Please be advised that on March 13, 2015, the Lehigh Hanson group of companies sold the United States operations of its Building Products group to a private equity owned company. These entities are owned by Stardust Holdings (USA), LLC. As part of this transition, the Hanson Building Products entities were given new interim names, and then, on October 16, 2015, as a part of a rebranding effort, the new names for the Forterra Building Products group of companies were introduced.

Throughout the transition described above, each of the respective entities remained the same corporate entity and retained the same Federal Employer Identification Number; these were only corporate name changes. We request that you utilize the charts below to make the necessary corrections to your approved vendor lists and begin issuing new purchase orders and remittances to each of the respective Forterra entities.

Forterra Entity Name	Federal Employer ID No.	Interim Entity Name	Former Hanson Entity
Stardust Holdings (USA), LLC	32-0459041	Stardust Holdings (USA) LLC	N/A
Forterra Pipe & Precast, LLC	54-0179210	HBP Pipe & Precast LLC	Hanson Pipe & Precast LLC
Forterra Pressure Pipe, Inc.	31-0411230	HBP Pressure Pipe, Inc.	Hanson Pressure Pipe, Inc.
Forterra Brick America, Inc.	38-2116246	HBP Brick America, Inc.	Hanson Brick America, Inc.
Forterra Brick, LLC	72-1539475	HBP Brick East LLC	Hanson Brick East LLC
Forterra Structural Precast, LLC	47-2044495	HBP Structural Precast LLC	Hanson Structural Precast, LLC
Forterra Roof Tile, Inc.	74-2513534	HBP Roof Tile, Inc.	Hanson Roof Tile, Inc.

Please note that the remittance address for all Forterra entities is: P.O. Box 842481, Dallas, TX 75284-2481

A name change is a monumental task and our team is hard at work in implementation of the FORTERRA name in all aspects of our business. One of those tasks is to update all of our documents, including invoices, BOL's etc. with the FORTERRA name. We ask for your understanding in this transition period because for a while you might continue to see Invoices and other documents that still read Hanson, but know that we are now FORTERRA.

We appreciate your business. Please note our new contact information, shown below, as our corporate office has relocated.

Regards,

FORTERRA

- 2) Forterra Transition Letter dated 12/08/15
- 3) Form W-9

Dear Customer:

It has been eleven (11) months since we began our journey as a new business entity. We have come a long way since then and are committed to continue to provide you with the products and services that you have received in the past. We are now well into the process of the **Forterra** re-branding. As of 02/01/16, most of the documents that you now see, such as BOL's and Invoices, carry our new name. Also, the IRS data base can now be used to verify our entity name and FIN.

We ask that you use the attached documents to make the necessary changes to your business records. Specifically all purchase orders, tax exemption documents, vendor records, and remittances must now reflect that Forterra Pipe & Precast, LLC is the company that is providing the products and services to your firm. Also, **Forterra** is the owner of the receivables for material provided by any of the predecessor Building Products group of companies which were formerly owned by Lehigh Hanson, Inc.

BID FORM
Non Public Works

All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO X

MAXIMUM ESCALATION PERCENTAGE REQUESTED _____%

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF 5/31/2018

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.
