

August 5, 2020

To Whom It May Concern:

We are pleased to submit the attached proposal in response to Jefferson Parish's request for assistance with procurement of Personal Protective Equipment (PPE).

#### OVERVIEW

Urgent Medical Supply was created in the midst of the COVID-19 pandemic by a group of doctors, small business owners and entrepreneurs who together have built a secure, reliable and low-cost supply chain of safety equipment for medical professionals.

Our team brings transparency, product safety and quality to the personal protection equipment market. Some of what makes UMS so different:

- *Made up of doctors and medical professionals* – some our team work on the front lines of the pandemic, and together have helped to make safe PPE available at low cost
- *Secure supply chain* - with some of our team having over 10 years import/export experience, we were able to build our own secure supply chain direct with our factories negotiating the lowest prices
- *Quality control* - we utilize teams overseas and in the US that handles inspections and quality control on each order placed, ensuring consistent high-quality PPE
- *Low Cost Freight* - we have partnered with a top freight forwarding company that specializes in PPE transport provided the lowest pricing available
- *Low Price Guarantee* - because of our direct-to-factory supply chain including working with exclusive SMB vendors in the United States, we will always be able to provide you with the lowest pricing available.

Urgent Medical Supply is a registered PPE vendor with counties and states throughout the US, and has worked with procurement teams from numerous hospitals, clinics, small businesses and non-profits. Our team works very hard to ensure that all PPE is of the highest quality, and in compliance with all state and federal regulations.

#### The UMS Solution

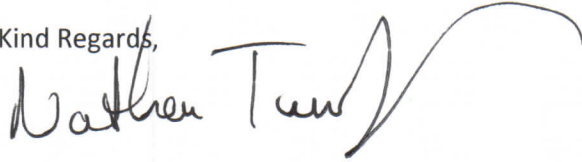

Urgent Medical Supply can provide Jefferson Parish with 20,000 high-quality Level 2 3-ply surgical masks to be used for the Department of Parks and Recreation. The masks are FDA-registered and pass ASTM and in compliance with the EUA. We take payment in full at the time an order is being placed. But we can also provide you with Net 30 terms through our financing partner. PPE orders will be delivered within 3-4 days of receipt of your order to the following location:

LOCATION TBD  
Jefferson Parish, LA

Should you have any questions regarding our proposal, please contact me at (877) 792-9777 or at [nathan@urgentmedsupplystore.com](mailto:nathan@urgentmedsupplystore.com).

We look forward to working with you and the state of Virginia to ensure the successful delivery of Personal Protective Equipment.

Kind Regards,

A handwritten signature in black ink, appearing to read "Nathan Tumulty", with a long, sweeping flourish extending to the right.

Nathan J. Tumulty  
President and CEO  
Urgent Medical Supply
