To whom it may concern:

I am writing on behalf of Ms. Allison Bounds, Speech-Language Pathologist. I worked with Ms. Bounds during her employment as a teletherapist with Spartanburg County School District Two (November 2020-October 2022). At that time, I served as the district's Lead Speech-Language Pathologist.

During her time with Spartanburg County School District Two, Ms. Bounds served students in elementary and middle schools. Ms. Bounds was noted to be a very knowledgeable and skilled therapist, and her sessions were engaging for her students. She completed documentation independently and in a timely manner. In addition to being a competent therapist, Ms. Bounds was also observed to be an active advocate for her students.

Ms. Bounds demonstrates many qualities, including her experience, confidence, and problem-solving skills, as well as her ability to seek assistance/advice when needed, that make her a strong candidate, especially in the school setting. I believe that Ms. Bounds would be a great addition to any school district.

Please feel free to contact me with any questions or concerns.

Sincerely,

Samantha Miles, MSP, CCC-SLP
