#### IMPORTANT NOTICE ABOUT HOLD HARMLESS AND INDEMNIFICATION AGREEMENTS

While insurance policies may respond to certain contractual assumption of liability or responsibility (Hold Harmless/Indemnification Agreements/Clauses), such policies are not broad enough to transfer or fund all assumed exposures. In addition, insurance policies have monetary limits that apply to covered claims. Our receipt of hold harmless/indemnification agreements and issuance of certificates of insurance is not validation that all conditions of the hold harmless/indemnification agreement have been met. Most assumption of risk agreements/clauses are broader than the terms and conditions of insurance policies.

#### IMPORTANT NOTICE ABOUT AUTOMATIC STATUS ADDITIONAL INSUREDS/WAIVERS

The certificate of insurance may represent that Additional Insured &/or Waiver status is included when required by written contract. In order for Additional Insured &/or Waiver status to be triggered in this case, there must be a written and executed contract between the insured and the person(s) or organization(s) for which Additional Insured &/or Waiver status is required.
