

## Urrea Long Heavy Duty Iron Pipe Wrench

6 reviews

Pipe wrenches are ideal for all heavy work, such as oil refinery platforms, high-pressure pneumatic installations, etc. Mouth opening can be changed, with the moveable jaw opened or closed by an adjustable worm-gear system with a spring that tightens when leverage is applied.

Features	Adjustable
Material	Alloy Steel
Measurement System	SAE
Type	Pipe

### General

Handle Type	Normal
Wrench type	Straight Pipe Wrench
Fixed or Adjustable	Adjustable
Individual/Set	Individual
Head Type	Specialty
Hand Tool Type	Pipe Wrench
Tools Product Type	Hand Tool
