

LETTER OF WARRANTY

Contractor: Fleet Plus, LLC
Phone: 903-705-7142
FAX: 903-533-9514
E-mail: eswitzer@pcls-us.com

As the contractor of the stated project, FLEET PLUS, LLC (Fleet Plus) does hereby warrant the workmanship of said project for a period of ONE calendar year (12 months) or 12,000 miles from the date/mileage of delivery of vehicle. The warranty shall cover all defects in workmanship and materials performed by Fleet Plus as determined between customer and Fleet Plus, and that all work will comply with the defined requirements of the specifications and other contract documents governing the work. Fleet Plus is not responsible for, and cannot warranty, any Original Equipment Manufacturer (OEM) chassis defects or the components, equipment or materials that transferred from previous chassis and/or ambulance box module. Fleet Plus cannot guarantee previous components remain in working condition beyond the actual remount date.

Fleet Plus contracts with a local vendor when paint and/or body work are required and/or negotiated within vehicle remount (module and/or chassis). Upon receipt of the remounted ambulance, customer is to inspect said paint and/or body work and this warranty shall cover defects in workmanship or paint materials for a period of FIVE calendar years (60 months) from the date of delivery of vehicle.

It is understood and agreed that in the event of defects within the spectrum of Fleet Plus and contracted vendor(s) workmanship as stated above, the owner shall immediately notify contractor (Fleet Plus) in writing of its conditions and shall give contractor reasonable time in which to make the necessary repairs. If any person, firm, or corporation other than the above listed contractor has, since the delivery of the above project, performed or attempted to perform any repairs to the ambulance, this warranty could be deemed null and void. This warranty does not cover any repairs made by any parties other than the above contractor or one of its authorized representatives.

The contractor shall not be under any responsibility or liability to make repairs incurred by reason of negligence by any party not directly associated with the contractor.
