Jefferson Parish Purchasing Department
Joseph S. Yenni Building
1221 Elmwood Park Blvd., Suite 404
Jefferson, LA 70123

Dear Sir or Madam:

The Jefferson Parish Department of Community Development has issued a Bid request from firms qualified to provide "ON-CALL, REMOTE TECHNICAL ASSISTANCE" for the Parish of Jefferson. Solutient understands and is able to provide the services described in Bid. No. 50-133451 and corresponding Addendum # 1, having provided similar such federal program management and consulting services in Jefferson Parish and throughout the state of Louisiana continuously since 2005.

Specifically as relates to HUD program management, senior Solutient HUD/Community Development practitioners bring to this engagement significant experience in HUD programs including Community Development Block Grants, CDBG-DR, CDBG-CV, HOME, ESG, CoC, OLHCCH, HCV and Section 3 enforcement. We have worked with communities to design, submit and amend action plans and to report on plan goals, and to support closeout activities through CAPER. Additionally, we have worked with and understand the requirements of the various related accounting/reporting systems including IDIS, eLOCCS, HEROS, HMIS, SAGE and HHGMS.

Our team also has the added benefit of a senior employee who held a Director position within the Jefferson Parish Department of Community Development, and several other federal grant accountants with AS400 knowledge, giving us the significant advantage of requiring little to no additional training prior to taking on this new role. We are able to hit the ground running and take some of the load off the Department immediately.

Solutient has a superior knowledge and experience base in federal program management as relates to multiple HUD Community Development programs. Solutient is willing and able to perform the services described in Bid No. 50-133451 and would be honored to negotiate a contract with the Parish if provided the opportunity. Thank you for your consideration.

Sincerely,

Colin Sternhell
Vice President
