

Custom **LEVELED LITERACY LIBRARIES**

Mackin's leveled libraries can improve reading scores while supporting your unique literacy and curriculum instruction.

Made Just For You

You control the content by telling us how many titles you want in each reading level. We provide:

- ✓ A balance of high-interest fiction and nonfiction
- ✓ Titles correlated to state standards
- ✓ High-quality containers and color-coded labels for durability and ease of use

Thousands of Publishers

We work with more than 5,000 classroom and curriculum publishers so you can trust you're getting the best titles to fit your unique needs.

PRODUCT PACKAGING

Mackin's leveled library sleeves are the best way to organize your leveled library.

Our standard package includes:

- ✓ 1 cardboard sleeve per 6-pack
- ✓ 1 sleeve spine label
- ✓ 1 enhanced barcode (or pocket/borrower card, if needed)
- ✓ Perfect shelf-order shipping

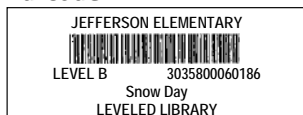

“Opening a new school can be a very big task, but Mackin made creating a leveled book room an easy process. We now have guided reading groups, and leveled text in all children’s hands. Thank you so much!” – Mary Fitzgerald,
Parker, Colorado

SAMPLE PROJECTS

George Gibbs, MN – New school purchased leveled materials to match Core Knowledge and basal textbook content areas. 6-pack sleeves color-coded by F&P reading level.

Nelson Elementary, WA – Provided leveled books to enhance school's writing emphasis, utilizing authentic literatures and lower-leveled decodables. Mackin included titles as suggested by school's reading textbook. 6-packs color-coded to differentiate fiction titles from nonfiction titles.

Wake Co. Public Schools, NC – School district worked with Mackin to create core list of leveled library materials to place in new schools in 2007, 2008, 2009 and 2010.
