SIERRA SERIES

Rollout Carts

The Sierra Line of Rollout Carts

has been designed by industry experts to improve overall functionality and long term durability to support all types of waste, recycling and organics collection programs.

- Our injection process uses high density polyethylene (HDPE) that yields precise design features and strength in critical wear areas
- UV stabilized against the long-term effects of the sun
- Manufactured with **prime resin**
- Designed for easy assembly and requires no bolts or holes that could potentially leak
- Ergonomically designed to be user friendly while maximizing wind stability
