VENDOR:

BUYER: MBUTTERY@jeffparish.net

Bids will be received until 11:00 AM, 1/22/2020 via online at [www.jeffparishbids.net](http://www.jeffparishbids.net) or by hand delivery, USPS mail or other courier service to Purchasing Department, 200 Derbigny Street (General Government Building), Suite 4400, Gretna, LA 70053. For convenience, bidders may also submit bids in the East Bank Purchasing Department, Suite 404, Jefferson Parish Joseph S. Yenni Building, 1221 Elmwood Park Blvd., Jefferson LA 70123. However, if submitting bids on the day of bid opening, bidders must submit at the West Bank location only.

All bids submitted are subject to these instructions and general conditions and any special conditions and specifications contained herein, all of which are made part of this bid proposal reference. By submitting a bid, vendor agrees to comply with all provisions of Louisiana Law, as well be in compliance with the Jefferson Parish Code of Ordinances, Louisiana Code of Ethics, applicable Jefferson Parish ethical standards and Jefferson Parish Resolution No. 113646 and/or Resolution No. 113647. A copy of these resolutions may be obtained from the Office of the Parish Clerk, Suite 6700, Jefferson Parish General Government Building, 200 Derbigny Street, Gretna, LA 70053. You may also obtain a copy by visiting the Purchasing Department webpage at [purchasing.jeffparish.net](http://purchasing.jeffparish.net) and clicking on On-line forms.

All vendors submitting bids should register as a Jefferson Parish vendor if not already yet registered. Registration forms may be downloaded from <http://purchasing.jeffparish.net> and by clicking on Vendor Information. Current W-9 forms with respective Tax Identification numbers and vendor applications may be submitted at any time; however, if your company is not registered and/or a current W-9 form is not on file, vendor registration is mandatory. Further, a current W-9 form and respective Tax Identification number must be supplied upon contract execution, should you be awarded a contract and/or issued purchase order. Failure to do so may result in delay of payment.

As per LSA-RS 47:301 et seq., all governmental bodies are excluded from payment of sales taxes to any Louisiana taxing body. Quotations shall be based on F.O.B. Delivered, anywhere within the Parish as designated by the Purchasing Department. JEFFERSON PARISH WILL ACCEPT ONE BID ONLY FROM EACH VENDOR. Items bid must meet specifications. JEFFERSON PARISH will accept one price for each item unless otherwise indicated. Two or more prices for one item will result in bid rejection. Bidders are required to complete, sign and return the bid form and/or complete and return the associated line item pricing forms as indicated. The price quoted for work shall be stated in figures. In the event there is a difference in unit prices and totals, the unit prices shall prevail.

JEFFERSON PARISH reserves the right to award contracts or place orders on a lump sum or individual item basis, or such combination, as shall in its judgment be in the best interest of JEFFERSON PARISH. Every contract or order shall be awarded to the LOWEST RESPONSIVE and RESPONSIBLE BIDDER, taking into consideration the CONFORMITY WITH THE SPECIFICATIONS and the DELIVERY AND/OR COMPLETION DATE

PROTESTS: Only those vendors that submit bids in response to this solicitation may protest any element of the procurement, in writing to the Director of the Purchasing Department. Written protest must be received within 48 hours of the release of the bid tabulation by the Purchasing Department. After consultation, the Parish Attorney's Office will then respond to protests in writing. (For more information, please see Chapter 2, Article VII, Division 2, Sec. 2-914.1 of the Jefferson Parish Code of Ordinances.)

JEFFERSON PARISH reserves the right to cancel all or any part of an order if not shipped promptly. No charges will be allowed for parking or cartage unless specified in the quotation. The order must not be filled at a higher price than quoted. JEFFERSON PARISH reserves the right to cancel at any time and for any reason by issuing a THIRTY (30) day written notice to the contractor.

JEFFERSON PARISH requires all products to be new (current) and all work must be performed according to standard practices for the project. Unless otherwise specified, no aftermarket parts will be accepted. Unless otherwise specified, all workmanship and materials must have at least one (1) year warranty, in writing, from the date of delivery and/or acceptance of the project. Any deviations or alteration from the specifications must be indicated on the bid form for each item and upon request, product data for same must be submitted by the time specified by the Purchasing Department.

If this bid requires a pre-bid conference (see Additional Requirements section), bidders are advised that such conference will be held to allow bidders the opportunity to identify any discrepancies in the bid specifications and seek further clarification regarding instructions. The Purchasing Department will issue a written response to bidders' questions in the form of an Addendum.

All formal Addenda require written acknowledgment on the bid form by the bidder. Failure to acknowledge an Addendum on the bid form shall cause the bid to be rejected; JEFFERSON PARISH reserves the right to award bid to next lowest responsive and responsible bidder in this event.

USE OF BRAND NAMES AND STOCK NUMBERS: Where brand names and stock numbers are specified, it is for the purpose of establishing certain minimum standards of quality. Bids may be submitted for products of equal quality, provided brand names and stock numbers are specified. Complete product data may be required prior to award.

Quantities listed are for bidding purposes only. Actual requirements may be more or less than quantities listed.

Bidders are not to exclude from participation in, deny the benefits of, or subject to discrimination under any program or activity, any person in the United States on the grounds of race, color, national origin, or sex; nor discriminate on the basis of age under the Age Discrimination Act of 1975, or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, or on the basis of religion, except that any exemption from such prohibition against discrimination on the basis of religion as provided in the Civil Rights Act of 1964, or Title VI and VII of the Act of April 11, 1968, shall also apply. This assurance includes compliance with the administrative requirements of the Revenue Sharing final handicapped discrimination provisions contained in Section 51.55 (c), (d), (e), and (k)(5) of the Regulations. New construction or renovation projects must comply with Section 504 of the 1973 Rehabilitation Act, as amended, in accordance with the American National Standard Institute's specifications (ANSI A1 17.1-1961).

Jefferson Parish and its partners as the recipients of federal funds are fully committed to awarding a contract(s) to firm(s) that will provide high quality services and that are dedicated to diversity and to containing costs. Thus, Jefferson Parish strongly encourages the involvement of minority and/or woman-owned business enterprises (DBE's, including MBE's, WBE's and SBE's) to stimulate participation in procurement and assistance programs.

## INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

7. PUBLIC WORKS BIDS: All awards for public works in excess of \$5,000.00 will be reduced to a formal contract which shall be recorded at the contractor's expense with the Clerk of Court and Ex-Officio Recorder of Mortgages for the Parish of Jefferson. A price list of recordation costs may be obtained from the Clerk of Court and Ex-Officio Recorder of Mortgages for the Parish of Jefferson. All awards in excess of \$25,000.00 will require both a performance and a payment bond. Unless otherwise stated in the bid specifications, the performance bond requirements shall be 100% of the contract price. Unless otherwise state in the bid specifications, the payment bond requirements shall be 100% of the contract price. Both bonds shall be supplied at the signing of the contract.
8. NON-PUBLIC WORKS BIDS: A performance bond will be required for this bid. The amount of the bond will be 100% of the contract price unless otherwise indicated in the specifications. The performance bond shall be supplied at the signing of the contract.
9. NON-PUBLIC WORKS BIDS: A payment bond will be required for this bid. The amount of the bond will be 100% of the contract price unless otherwise indicated in the specifications. The payment bond shall be supplied at the signing of the contract.
10. All bidders must comply with the requirements stated in the attached "Standard Insurance Requirements" sheet attached to this bid solicitation. Failure to comply with this instruction will result in bid rejection.
11. A bid bond will be required with bid submission in the amount of 5% of the total bid, unless otherwise stated in the bid specifications. Acceptable forms shall be limited to cashier's check, certified check, or surety bid bond. All sureties must be in original format (no copies). If submitting a bid online, vendors must submit an electronic bid bond through the respective online clearinghouse bond management system(s) as indicated in the electronic bid solicitation on Central Auction House. No scanned paper copies of any bid bond will be accepted as part of the electronic bid submission.
12. This is a requirements contract to be provided on an as needed basis. JEFFERSON PARISH makes no representations on warranties with regard to minimum guaranteed quantities unless otherwise stated in the bid specifications.
13. Freight charges should be included in total cost when quoting. If not quoted FOB DELIVERED, freight must be quoted as a separate item. Bid may be rejected if not quoted FOB DELIVERED or if freight charges are not indicated on bid form.
14. PUBLIC WORKS BIDS - Completed, Signed and Properly Notarized Affidavits Required; This applies to all solicitations for construction, alteration or demolition of public buildings or projects, in conformity with the provisions contained in LSA-RS 38:2212.9, LSA-RS 38:2212.10, LSA-RS 38:2224, and Sec 2-923.1 of the Jefferson Parish Code of Ordinances. For bidding purposes, all bidders must submit with bid submission COMPLETED, SIGNED and PROPERLY NOTARIZED Affidavits, including: Non-Conviction Affidavit, Non-Collusion Affidavit, Campaign Contribution Affidavit, Debt Disclosures Affidavit and E-Verify Affidavit. For the convenience of vendors, all affidavits have been combined into one form entitled PUBLIC WORKS BID AFFIDAVIT. This affidavit must be submitted in its original format, and without material alteration, in order to be compliant and for the bid to be considered responsive. A scanned copy of the completed, signed and properly notarized affidavit may be submitted with the bid, however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.
15. NON PUBLIC WORK BIDS - Completed, Signed and Properly Notarized Affidavits Required in conformity with the provisions contained in LSA – RS 38:2224 and Sec 2-923.1 of the Jefferson Parish Code of Ordinances. For bidding purposes, all bidders must submit with bid submission COMPLETED, SIGNED and PROPERLY NOTARIZED Affidavits, including: Non-Collusion Affidavit, Debt Disclosures Affidavit and Campaign Contribution Affidavit. For the convenience of vendors, all affidavits have been combined into one form entitled NON PUBLIC WORKS BID AFFIDAVIT. This affidavit must be submitted in its original format, and without material alteration, in order to be compliant and for the bid to be considered responsive. A scanned copy of the completed, signed and properly notarized affidavit may be submitted with the bid, however, the successful bidder must submit the original affidavit in its original format and without material alteration upon contract execution. Failure to comply will result in the bid submission being rejected as non-responsive. The Parish reserves the right to award bid to the next lowest responsive and responsible bidder in this event.
16. The ensuing contract for this bid solicitation may be eligible for FEMA reimbursement and/or Federal funding/reimbursement. As such, the referenced appendix will be applicable accordingly and shall be considered a part of the bid documents. All applicable certifications must be duly completed, signed and submitted with bid submission. Failure to submit applicable certifications with bid submission will result in bid rejection.

It shall be the duty of every parish officer, employee, department, agency, special district, board, and commission: and the duty of every contractor, subcontractor, and licensee of the parish, and the duty of every applicant for certification of eligibility for a parish contract or program, to cooperate with the Inspector General in any investigation, audit, inspection, performance review, or hearing pursuant to Jefferson Parish Code of Ordinances Section 2-155.10(19). By submitting a bid, vendor acknowledges this and will abide by all provisions of the referenced Jefferson Parish Code of Ordinances.

## RATCHET LEVER HOIST

The CM<sup>®</sup> Bandit™ is one of the most compact and durable ratchet lever hoists in the industry. Its lightweight and portable design, easy free-chaining feature and 360° rotating handle make it one of the most versatile hoists on the market today. Now available in 3/4, 1 1/2, 3 and 6 ton capacities for all of your pulling and lifting needs.

### BENEFITS & FEATURES

#### CAPACITIES & LIFT

Capacities of 3/4, 1 1/2, 3 & 6 tons.  
Metric Rated.  
Standard lifts up to 20 feet.  
Longer lifts are available.

#### COMPACT & PORTABLE DESIGN

Rugged yet lightweight design and construction allow the Bandit to be easily transported and used in even the most confined spaces.

#### CM<sup>®</sup> SMART ID™ RFID TECHNOLOGY

Standard on all U.S. Bandit units.

#### EASY FREE-CHAINING

Allows for quick take up and positioning of slack chain. Designed not to accidentally free chain while under load.

#### 360° ROTATING HANDLE

Full rotation of handle allows for versatile rigging options when working in tight spaces.

#### LOW-EFFORT, COMFORT-FIT HANDLE

Double reduction gearing provides easy operation with minimal handle effort. Screwed-on comfortable rubber grip for a secure hold in all environments.

#### LOAD SECURITY & EASY INSPECTION

Upper and lower hooks feature standard cast safety latches that provide positive and secure load engagement. Hooks are bolted on for easy removal and inspection.

#### MEETS ASME B30.21

#### POSITIVE LOAD CONTROL

Enclosed Weston-type load brake stays clean and dry for positive load positioning.

#### EASY TO POSITION & ATTACH

Upper and lower hooks feature extra-wide throat openings to allow for easier attachment to pick points. Hooks swivel 360° for faster positioning.

#### BUILT TO LAST

Impact-resistant stamped steel housing withstands repeated rigorous use.

#### CORROSION RESISTANT

Standard powder coat finish on housing and zinc plating on major components for extra protection against corrosion in harsh environments.

#### 100% LOAD TESTED GOLD CHROMATE CHAIN

Designed and manufactured in the U.S.A. by Columbus McKinnon. Gold chromate protects against corrosion.

#### EASY IDENTIFICATION

Each unit has a unique serial number for easy and accurate identification.

#### OPTIONAL SHIPYARD HOOKS

Available on 1 1/2 & 3 ton units.

#### OPTIONAL INTERNAL LOAD LIMITER

Allows the handle to rotate freely, preventing the lifting of an overload sufficient to damage the hoist.

#### BANDITS SHIP IN 3 DAYS - GUARANTEED

3/4 & 1 1/2 ton units are eligible for our In-Stock Guarantee.

#### FAST & EASY PARTS ACCESS

Genuine CM Bandit parts are available in Total Repair Kits and convenient bulk packaging.

# WORK SMART. WORK SAFE.

## BE CONFIDENT WITH THE WORLD'S FIRST HMI-CERTIFIED RATCHET LEVER HOIST

Columbus McKinnon designed the CM Bandit to be the best lever hoist on the market. As a result, the Bandit has become the world's first HMI-Certified ratchet lever hoist, meeting strict nationally recognized industry standards. This certification supports our commitment to safety, service and after-market support. It instills customer confidence in the quality and value of the CM Bandit, which is also backed by our industry-leading lifetime warranty.

### WHAT IS THE HOIST MANUFACTURERS INSTITUTE (HMI)?

HMI is recognized as the authority and leading advocate for the safe and proper operation of hoisting equipment and related products. HMI members are industry-leading suppliers of material handling equipment, including the manufacturing and distribution of manual and powered hoists and trolleys.

### WHAT DOES HMI-CERTIFIED MEAN?

The purpose of HMI certification is to instill consumer confidence that the product and its manufacturer have met strict HMI requirements, which include that the manufacturer:

- Be a manufacturer of industrial hoisting equipment
- Have its product meet one or more requirements as stated by HMI
- Have a qualified, U.S.-registered professional engineer verify, sign and seal that the product meets the requirements
- Must provide a Declaration of Conformity for Technical, Service and Support

## DEMAND GENUINE PARTS

When you choose Parts Star™ by Columbus McKinnon, you'll be purchasing genuine Columbus McKinnon parts designed to fit the Bandit hoist's exact specifications; maintaining warranty requirements and the integrity of the unit's superior design and safety features.

Get everything you need for a complete and professional repair with Parts Star Total Repair Kits. Popular Bandit repair parts are also available in easy-to-order bulk packaging so the parts you need are always on hand.

## SIMPLIFY INVENTORY & INSPECTION MANAGEMENT PROCESSES

All CM Bandit units for the U.S. market come equipped with CM® Smart ID™ – the new radio frequency identification (RFID) technology from Columbus McKinnon. CM Smart ID can help simplify your inventory and inspection management processes.

Before any CM Bandit leaves our factory, the hoist's CM Smart ID RFID chip is associated with product information that is uploaded and stored on the CM Smart ID Cloud. This free information, which includes the Chip ID number, CM product code, product description and capacity, can be instantly accessed by anyone in your company, anywhere, at any time.

CM Smart ID allows operators, safety managers and plant supervisors to share important safety information and inspection logs about a specific unit, as well as easily record and track equipment inventory.

## PROTECT AGAINST UNSAFE LIFTING CONDITIONS

All 3 and 6 ton Bandit units feature the Tri-Point Hook Inspection™ system to help protect the operator against unsafe lifting conditions. Bandit load hooks come with 3 distinct raised points that the operator can use to measure the hook to detect any indication of overload or deformation.

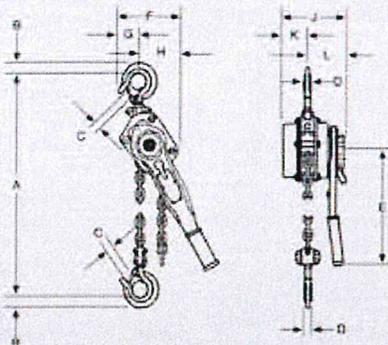

## BANDIT™ TRI-POINT HOOK INSPECTION™

# THE ANATOMY OF THE BANDIT™

The CM Bandit was designed and built with one purpose – to be the best ratchet lever hoist in the global marketplace.

Manufactured by Columbus McKinnon at our CMCO China facility, every component on the CM Bandit is engineered for superior design and efficiency. Working together, these components provide best-in-class performance and exceptional value for any application.

## BOLT-ON SWIVEL HOOKS

Bolt-on hooks with nylon lock nuts allow the operator to quickly disassemble the hook block for full inspection and easy repairs. Helps users comply with inspection requirements stated in ASME B30.21 and B30.10.

Hooks rotate 360° for faster positioning and attachment to pick points.

## CAST SAFETY LATCHES

Upper and lower hooks feature cast safety latches that provide positive and secure load engagement.

## WIDE HOOK THROAT OPENINGS

Upper and lower hooks feature extra-wide throat openings to allow for easier attachment to loads and larger pick points.

## WESTON-TYPE BRAKE

Enclosed brake stays clean and dry for positive load positioning.

## FUSED BRAKE ASSEMBLY

Fused brake and ratchet design provides exceptional performance, durability and long life. Fused brake disks are also less susceptible to cracking and catastrophic failure. Design allows for thinner friction liners, less moving parts and fewer parts to keep in stock.

## 3-YEAR BRAKE WARRANTY

If the brake discs on the Bandit wear out within three years from the date of purchase, CMCO will replace the ratchet disc assembly free of charge.

## BEARINGS

Provide smooth operation, lower handle effort and serve as a barrier to contamination. Plated side plate resists corrosion.

## PAWLS & PLATE

Heavy-duty double pawls ensure secure load engagement with ratchet brake assembly to provide better load control. Plated side plate resists corrosion.

## HAND WHEEL

Use hand wheel to put the hoist in free chaining mode, which allows for quick take up and positioning of slack chain. Designed not to accidentally free chain while under load.

### 360° ROTATING HANDLE

Full rotation of handle allows for versatile rigging options when working in confined spaces. Hoist features double-reduction gearing for easy operation with minimal handle effort.

### UNIQUE SERIAL NUMBER

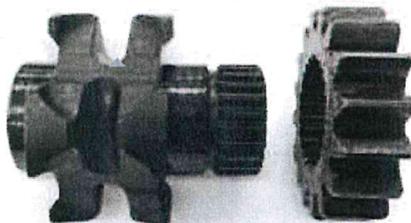

Each unit has a unique serial number for easy and accurate identification.

### SECURE COMFORT GRIP

Screwed-on comfortable rubber grip ensures a secure hold in all environments.

### OPTIONAL INTERNAL LOAD LIMITER

Allows the handle to rotate freely, preventing the lifting of an overload sufficient to damage the hoist.

### POCKET WHEEL

2-part design for easy inspection and low-cost replacement.

### PINION

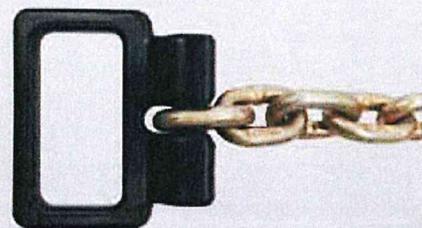

Made of tough and durable grade three carburized steel.

### CHAIN END STOP

Chain end stop design prevents it from entering the lift wheel and jamming the hoist. Made of forged alloy steel for durability.

### GOLD CHROMATE CHAIN

Load-tested, gold-chromate chain is made in the U.S.A. by Columbus McKinnon and meets the strength requirements of Grade 100 chain. Large-diameter chain also provides added strength, safety and long life.

### ZINC-PLATED COMPONENTS

Zinc plating provides protection against corrosion when working in harsh environments. (Chain Guide components shown)

### HOUSING

Impact-resistant, stamped-steel housing withstands repeated rigorous use. Features recognizable orange powder-coat finish for extra protection against corrosion.

### NYLON LOCK NUTS

Nylon lock nuts are used to hold the hoist body together. Lock nuts can be securely torqued and are less likely to loosen in the field.

# THE POWER OF INTELLIGENT LIFTING

Columbus McKinnon is one of the most respected and well-known names in the material handling industry. We combine two different yet complimentary areas of expertise – rigging products and hoists – to develop complete floor-to-ceiling lifting systems for even the most unique material handling applications.

Columbus McKinnon designs and manufactures a large portfolio of durable and reliable products for a variety of industries. Our portfolio includes powered and manual hoists, rigging products, below-the-hook attachments, cranes, enclosed track systems and specially engineered products.

## KNOW HOW. KNOW WHY. BE SAFE. GET TRAINED.

Not only is Columbus McKinnon a leader in material handling products, we are also a global leader in providing expertise and training on the proper use and inspection of rigging and overhead lifting equipment. With a range of comprehensive programs and seminars conducted at venues throughout North America, including our hands-on training centers and private companies, our courses include:

- Hoist Maintenance
- Crane & Hoist Inspection
- Crane Operator Training
- Safe Hoisting
- Load Securement
- Rigging
- Rigging Gear Inspection

One of our newest programs, **CMCO University™**, is a three-day course designed to give attendees an intimate knowledge of our products, the information they'll need to select the right product for the application, and the tools to win in the marketplace.

Classes are available at our state-of-the-art, hands-on training centers, including the **Niagara Training Center** and the **Hoist & Rigging Training Center of Excellence in the Center for Occupational Health and Automobile Manufacturing (COHAM) lab at The Ohio State University**.

Rely on Columbus McKinnon for the products and expertise you need to keep your workforce productive and safe.
