Jefferson Parish Department of Streets
New Security Gate Operators

To whom it may concern,

Automatic Access Gates appreciates the opportunity to submit the following proposal for you. AAG takes pride in our work and strives to provide our customers with the highest standards available in gate operating equipment at a competitive rate.

**Operators to be installed at:
2 each at 1901 Ames Blvd
3 each at 5701 Belle Terre Rd.
2 each at 200 Shrewsbury Rd.**

We will be removing seven old operators and the drive rails at the sites listed on the contract. AAG is going to install 7 Doorking ½ hp. chain slides Operators, 7 stands, and seven high voltage kits. We will install all safeties that are on site now and check to see if anything is missing or broken.

PACKAGE PRICE \$25,101.47

**Operator to be installed at:
1855 Ames Blvd.**

We will be installing two 4" posts and an Aluminum cantilever gate. The gate will fit a 24 ft. opening and ride on a track and truck system. This gate will be 8 ft. finished height with barbwire and razor wire on top. AAG is going to install one Doorking 1 hp. chain slide Operator and a stand. We will install two sets of photo beams as safeties and two key pads AK-11 on two goose necks. AAG will install two bollards around each key pad (two will be in ground and two will be flange mounted).

PACKAGE PRICE \$16,117.19

Total for all locations is: \$41,218.66

All eight operators come with a five year warranty against any workmanship and material defects. AAG will supply a one year warranty against any workmanship and material defects.

We appreciate the opportunity that you have given us. If you have any questions, please do not hesitate to call me at 225-268-9779.

Sincerely,
Johnny Glissman III
